Sex And The Single Mother Romance And Relationships In The Eighties:

Sex and the Single Mother Dawn B. Sova,1987 **New Books on Women and Feminism** ,1988 **Sex, Love, and Marriage in the 21st Century** Robert T. Francoeur,Martha Cornog,Timothy Perper,1999 Love sex and marriage are changing faster than ever before in human history The current tidal wave of social changes will continue into the next century and we will have to adapt our sexual values and relationships to these accelerating changes These 22 honest authentic stories tell of the unconventional paths pioneering church leaders and spiritually aware women and men have taken in their quest to link their sexuality with their spiritual needs Some might see in these unorthodox explorations only tales of promiscuous couplings But these are not stories of wild thrill seekers These are tales told from the core of their being about their deeply felt need for genuine responsible love and intimacy within a spiritual context Their journeys do not promise paradise or instant happiness as popular magazines do with recipes for lifelong marital bliss and fiery passion These sojourners have much to teach us even when we decide that this or that path is not for us Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey God and Eros can come together in many different relationships And they must come together if we want to nourish and fulfill the divine spark at the core of our being These women and men challenge our assumptions and our willingness to adapt to our radically changing world *Perspectives on Women in the 1980s* Joan Turner,Lois Emery,1983-01-01 We are now fifteen years into the second wave of feminism and public opinion polls show majority support for all the basic issues raised by the women s movement This collection of articles focuses on strategies and directions for the movement that will enable all women to benefit from changing attitudes in the 1980s **Love Your Neighbor and Yourself** Elliot N. Dorff,2006-02-15 In this topically relevant book on modern ethical issues Dorff focuses on personal ethics Judaism s distinctive way of understanding human nature our role in life and what we should strive to be both as individuals and as members of a community Dorff addresses specific moral issues that affect our personal lives privacy particularly at work as it is affected by the Internet and other modern technologies sex in and outside of marriage family matters such as adoption surrogate motherhood stepfamilies divorce parenting and family violence homosexuality justice mercy and forgiveness and charitable acts and social action Labor of Love Heather Jacobson,2016-03-15 While the practice of surrogacy has existed for millennia new fertility technologies have allowed women to act as gestational surrogates carrying children that are not genetically their own While some women volunteer to act as gestational surrogates for friends or family members others get paid for performing this service The first ethnographic study of gestational surrogacy in the United States Labor of Love examines the conflicted attitudes that emerge when the ostensibly priceless act of bringing a child into the world becomes a paid occupation Heather Jacobson interviews not only surrogate mothers but also their family members the intended parents who employ surrogates and the various professionals who work to facilitate the process Seeking to understand how gestational surrogates perceive their vocation

she discovers that many regard surrogacy as a calling but are reluctant to describe it as a job In the process Jacobson dissects the complex set of social attitudes underlying this resistance toward conceiving of pregnancy as a form of employment Through her extensive field research Jacobson gives readers a firsthand look at the many challenges faced by gestational surrogates who deal with complicated medical procedures delicate work family balances and tricky social dynamics Yet Labor of Love also demonstrates the extent to which advances in reproductive technology are affecting all Americans changing how we think about maternity family and the labor involved in giving birth For more visit <http://www.heatherjacobsononline.com>

All You Need is Love? Rachel Thomson, Sue Sharpe, 2005-01-01 Providing a unique insight into young people's sexual values for adults working with them this book relays the voices of young people and their views about the morality of sexual relationships

Sex, Love, and Friendship Adrienne Leigh McEvoy, 2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town The reason that the other conventioners do it philosophers just talk about it And talk about sex and love and friendship is what the contributors to this volume do They talk and argue split hairs and clarify all trying to advance our understanding of this most interesting practice of the human species Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery commitment cross dressing gender politics date rape family friendship friends as lovers gayness love marital pluralism marriage prostitution religiously motivated anti queer sentiments same sex marriage seduction and self respect Rather than preach participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed The work is accessible to readers from high school through college and beyond

Sexual Revolutions in Cuba Carrie Hamilton, 2012 Chronicling the history of sexuality in Cuba since the 1959 revolution this book frames the relationship between passion and politics in the revolution's wider history and argues that the Cuban revolutionary regime intervened in the sexual lives of Cubans in a variety of ways and transformed key areas of Cuban life including the family reproduction sexual values and sexual relationships Drawing from a major oral history project the Memories of the Revolution oral history project conducted by a team of British and Cuban researchers Hamilton was one of the British researchers on the team between 2003 and 2007 Hamilton explores the experiences and perceptions of sexuality among Cubans across generations and social groups She contextualizes the oral histories within an array of archival and secondary sources relating them to issues of race class and gender as well as to social economic and political change Organized thematically the volume opens with a historical overview that points out that after 1959 revolutionary values continued to coexist with pre revolutionary ideologies in a potent and often contradictory mix Succeeding chapters examine discourse on love romance and passion on both personal and national levels male and female homosexuality sexual repression and changing gender roles and service to the revolution Hamilton explores conflicting

notions of Cuba as a site of desire on the one hand and as a place of intense sexual repression especially with regard to homosexuality on the other She identifies many ways in which revolutionary policy affected sexual behavior including changes to policy and laws mass education programs leaders pronouncements on the relationship between good revolutionaries and private life and the provision of incentives to encourage certain forms of sexual union and repressive measures to discourage and punish others Hamilton argues that sexual politics were central to the construction of a new revolutionary society

Sex and Love in Porfirian Mexico City Michael Matthews, 2025-05-06 Exploring the sexual lives of the poor and working class in turn of the century Mexico This social history explores the romantic and sexual lives of the poor and working class in Mexico City during the rule of dictator Porfirio Diaz from 1876 to 1911 By analyzing sexually based crime cases and stories in the penny press Michael Matthews sheds light on everyday struggles joys and desires Matthews argues that lower class individuals had more liberated sexual lives than their wealthier counterparts influenced by the city's growth and cultural changes In this book Matthews examines how Mexico City's expanding infrastructure increasing factory work and new leisure and entertainment activities shaped courtship and sexual practices He delves into the world of tenement buildings and street life to reconstruct days defined by love and desire romance and rape seduction and sex work and promises kept and broken Matthews connects the sexual culture of the poor to the changes taking place as the Mexican state modernized and underwent tremendous capitalist growth and development *Sex and Love in Porfirian Mexico City* provides insights into how social and economic developments shaped cultural norms surrounding honor marriage morality and parental authority during this period It will spur new reflections on the possible influence of lower class culture on modern day romance and sexual values

Ethics in Practice Andrew Alexandra, Seumas Miller, 2009 Dozens of times a day in matters both grave and mundane we make moral choices Guided by our sense of what is right or wrong fair or unfair kind or cruel we usually have no doubt about what to do Sometimes however we find ourselves facing situations of moral complexity and uncertainty Wayne an orderly finds Mrs Smith slumped in her bathroom her vital signs non-existent Should he administer the life saving drugs even though he is not qualified to do so and will risk losing his job Miss B a tetraplegic paralysed from the neck down remains indefinitely in an intensive care unit where she is dependent entirely upon a ventilator She asks to have the ventilator switched off Does she have the right to die As two police officers approach a block of flats to arrest a known drug dealer and pedophile a parcel of heroin flies out the window Subsequently the senior officer makes a statement claiming that the heroin was found in the suspect's fat Should the junior officer perjure himself when questioned in court and put this dangerous felon behind bars once and for all Focusing on a range of problematic issues likely to be confronted by human service professionals *Ethics in Practice* uses numerous absorbing case studies to show how moral theory can guide us in the face of morally hard choices Book jacket

[The Continuum Complete International Encyclopedia of Sexuality](#) Robert T. Francoeur, Raymond J. Noonan, 2004-01-01 A completely updated one volume edition of the 4 volume

International Encyclopedia of Sexuality Includes nearly 60 countries and places 12 not previously covered by more than 200 authorities It is the only reference work of its kind in any language **Same Sex Marriages** B. Heaphy, C. Smart, A.

Einarsdottir, 2013-03-05 Based on extensive couple and individual interviews with young same sex couples who have legally formalized their relationships this book argues that same sex marriages as they are lived need to be understood in terms of interlinked developments in lesbian and gay life heterosexual relationships and in personal life **Love and Marriage**

Serena Nanda, 2018-12-10 Cultural anthropologist Serena Nanda mines a wide range of ethnographic research to examine the patterns of love marriage sexuality and family unique to eight cultures around the world After reviewing changing patterns in the United States readers are taken to China India Brazil Iran Indonesia Nigeria the South Pacific and Nepal to explore traditions and transformations and the intertwining dynamics of kinship class politics religion and gender roles in love and marriage An additional chapter traces the diversity of LGBTQ relationships with contemporary examples drawn from the US Indonesia and India A valuable summary chapter features a brief analysis of similar and different cultural configurations Nanda's ethnographically rich examples and fresh perspective will challenge readers to understand that their own culture is not natural or superior but rather just one of many possibilities adapted to specific environments and subject to changes **African American Relationships, Marriages, and Families** Patricia Dixon, 2017-05-25 African American

Relationships Marriages and Families Second Edition is a historically and culturally centered research based text designed for use in undergraduate graduate and community based courses on African American relationships marriages and families Complete with numerous exercises this volume can be used by current and future helping professionals to guide singles and couples by increasing single and partner awareness and respect and appreciation for difference In addition singles and couples learn skills for effective communication and conflict resolution and ultimately how to develop and maintain healthy relationships marriages and families This second edition includes updates and revisions to current chapters and also features two new chapters one on parenting and one on same gender loving LGBTQ **Sex, Love, and Marriage** Maurice A.

Fetty, 1998 This book is intended to lead people toward a more mature understanding of the Christian faith with respect to love marriage and family **Orange Coast Magazine** , 1986-05 Orange Coast Magazine is the oldest continuously

published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle **After Rape** Holly Porter, 2017

Holly Porter explores wrongdoing and justice and sexual violence and rape among the Acholi people in northern Uganda

Love Lives Carol Dyhouse, 2021-02-11 The story of how women's lives loves and dreams have been re shaped since 1950

the year of Walt Disney's Cinderella and a time when teenage girls dreamed of marriage Mr Right and happy endings Cinderella stories captured the imagination of girls in the 1950s when dreams of meeting the right man could seem like a happy ending a solution to life's problems But over the next fifty years women's lives were transformed not by the magic wand of a fairy godmother nor by marrying princes but by education work birth control and feminism However while widening opportunities for women were seen as progress feminists were regularly caricatured as man haters cast in the role of ugly sisters witches or wicked fairies in the fairy tale This book is about the reshaping of women's lives loves and dreams since 1950 the year in which Walt Disney's film Cinderella gave expression to popular ideas of romance and at a time when marriage was a major determinant of female life chances and teenage girls dreamed of Mr Right and happy endings It ends with the runaway success of Disney's Frozen in 2013 a film with relevance to very different times Along the way it illuminates how women's expectations and emotional landscapes have shifted asking bold questions about how women's lives have been transformed since 1950 How have women's changing life experiences been mirrored in new expectations about marriage intimacy and family life How have new forms of independence through education and work and greater control over childbearing altered women's life ambitions And were feminists right to believe that sexual equality would improve relationships between men and women

The Redemption of Love Carrie A. Miles, 2006-04-01 Competing answers to dilemmas involving love sex marriage and family scream to us from nearly everywhere The Redemption of Love reveals what the Bible has to say about these issues by applying the growing economic study of religion Using Genesis Jesus Paul and the Song of Songs Carrie Miles outlines a consistent description of biblical love throughout Scripture asserting that it is the only effective solution in today's battle to save marriage and family This book is a valuable tool for clergy and laypeople
