Sex Isn't that Simple Richard Frederick Hettlinger, 1974 **Sex Isn't That Simple** Richard Hettlinger, 1974-09 *In Pursuit of Love* Vincent J. Genovesi, 1996 While retaining the basic structure of the original book this new edition has been thoroughly updated in light of some official Catholic documents and other theological writings dealing with sexual morality that have appeared since 1986 The Catechism of the Catholic Church Pope John Paul II's encyclicals *Veritatis splendor* and *Evangelium vitae* and the 1986 and 1992 statements of the Congregation for the Doctrine of the Faith on pastoral care of homosexuals and the issue of discrimination against them are among the more recent magisterial publications considered in this text This edition also contains several new sections the misuses of sex adultery pornography prostitution sexual violence four rationales for viewing a committed love relationship as the only appropriate context for sexual intercourse marriage as a sacrament and marital sexuality and love as embodiments of commitment intimacy and passion and public policy and the civil rights of homosexuals This edition also includes an expanded discussion of topics such as sexism sexually transmitted diseases especially HIV AIDS and the moral questions raised by new family planning methods Norplant Depo Provera RU 486 postcoital hormonal interventions against pregnancy the start of human life and abortion Vincent J Genovesi SJ received his PhD in Christian ethics from Emory University He is a professor at St Joseph's University in Philadelphia His articles have appeared in such journals as *The Thomist* *The Way* *America* and *Review for Religious* **Betrayal of Trust** Stanley J. Grenz, Roy D. Bell, 2001-09-01 Sexual misconduct by clergy is a devastating issue that reaches across all denominations damaging the credibility of the church in its wake The media regularly reports on the moral failure of leaders and abuse at the hands of those who are supposed to be trustworthy *Betrayal of Trust* focuses on a common scenario of abuse sexual involvement between a male pastor and a female congregant and offers practical solutions on how to respond to and prevent this betrayal of trust This book presents methods that will help churches respond sensitively to victims and implement policies and procedures to prevent abuse from taking place For clergy who may be at risk for this behavior it offers help in establishing appropriate boundaries This second edition includes a new chapter that offers help for the wandering pastor and a risk determination questionnaire for pastors who may become abusers **Christian Ethics in the Protestant Tradition** Waldo Beach, 1988-01-01 With *Christian Ethics in the Protestant Tradition* Waldo Beach provides a basic introductory text on Christian ethics He has designed a challenging work that grapples with the ethical questions surrounding modern day problems from the perspective of Protestant theology and tradition His two part format is especially helpful for study **Sexuality** Gary F. Kelly, 1980 Information on the relationship between the sexes sexual behavior homosexuality reproduction birth control treatment of sexual problems censorship in the media and legal considerations are presented Google Books **Human Sexuality** United Church of Christ, 1977 **Definitive Guidance** Presbyterian Church (U.S.A.), 2004-01-01 Using the statements from the 1977 1978 and 1979 General Assemblies of the Presbyterian Church in

the U S and the United Presbyterian Church in the U S A this ten session study guide seeks to help Presbyterians understand the denomination s position on homosexuality and the role that definitive guidance plays in policy decisions about this issue Included is a foreword by Stated Clerk Clifton Kirkpatrick which places these issues in context for todays Presbyterians as well as the original statements from the 1977 1978 and 1979 General Assemblies **Catalog of Copyright Entries. Nelson,1977 Discusses issues facing contemporary society arising from conflict between moral standards and personal behavior **Growing Up Sexual** Eleanor Shelton Morrison,1980 Based on anonymous autobiographical papers by students in a human sexuality course at Michigan State Univ Each chapt closes with questions to stimulate class discussion

Marriage and Family Today Keith Melville,Suzanne Infeld Keller,1983 **SIECUS Report** ,1978 *Decade of Denial* Herbert I. London,2001-01-01 Herbert London s new work places America in the 1990s under the microscope and discovers a country paying a heavy price for the excesses of the past crippled by the cultural attitudes and rebelliousness of the sixties and seventies London argues that the baby boomer generation has replaced openness with stealth and honesty with deceit Far from mere nostalgic musings for a simpler time Decade of Denial wonderfully captures the zeitgeist of the 1990s from the dumbing down of education to the proliferation of crass popular culture This is an essential book for serious readers of American cultural history seeking to understand the evolution of modern manners and morals Exploring Marriage and the Family David Knox,1979 **Sex and the Soul, Updated Edition** Donna Freitas,2015 First published in 2008 Donna Freitas s Sex and the Soul achieved national acclaim illuminating the as yet unexplored struggles of college students navigating the lines of faith and sexuality Conducting face to face interviews at a wide range of colleges and universities from public to private Catholic to evangelical Freitas discovers what students really think about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face This updated edition includes a new Afterword in which Freitas reflects on the hundreds of conversations she has had with college students since the book was first published and offers further practical advice for dealing with hookup culture **The Sex Talk You Never Got** Sam Jolman,2024-06-11 Men today are starved for sexual formation They ve been failed by parents churches and culture alike leading to widespread shame confusion and brokenness in the area of sexuality In The Sex Talk You Never Got therapist Sam Jolman helps men reconnect their God given sexuality with innocence awe and joy and shows readers how to celebrate instead of struggle against the gift of sexual desire In our sex saturated world it might seem surprising that men need more talk about sex But the reality is that sexuality is one of the most neglected aspects of men s lives From the woefully inadequate sex talks many young men receive from parents little more than an anatomy lesson or a purity lecture if anything at all to cultural messages that unhelpfully weave both shame and permissiveness into men s understanding of their own sexuality and masculinity too many boys and men experience sexual

desire as an area of struggle confusion and brokenness But it doesn't need to be this way God made men to be moved to live with wonder and awe and sexual desire must be formed within the context of that design Sam Jolman a professional therapist who specializes in men's issues and sexual trauma recovery shows men the way out of the wilds of sexual struggle This timely and incisive book will help readers learn about the vital link between sexual desire and their identity as worshipers regain a wild and vigorous sexuality within the context of God's design understand how purity culture has needlessly put men in a conflict ridden relationship with their sexuality see sexual purity not as the goal but as the preparation for becoming fully alive to beauty awe and worship and discover how to trade shame and confusion for a sexuality that's filled with innocence and wonder In the Bible Jesus' greatest kindness was often offered to those suffering sexual harm and brokenness He offers this same kindness today He does not want men to repent of their sexual desire Rather through reconnecting sexuality with innocence and awe God opens the door for men to experience the wild joy of desire rightly ordered toward worship and God's good purposes for their life

Psychology of Human Sexuality Zella Luria, Mitchel D. Rose, 1979 *Sexual Harassment* Linda LeMoncheck, Mane Hajdin, 2000-01-01 The question of what constitutes sexual harassment from suggestive remarks to outright threats from off color jokes to lewd posters on office walls is contentious as is the question of how to address sexual harassment Do all instances of sexual harassment constitute sex discrimination Are some instances merely sexual attraction gone wrong Do social policies aimed at eliminating sexual harassment in the workplace violate freedom of expression or do they make working relationships possible between women and men In this uncompromising yet respectful debate two philosophers of widely divergent views present clear arguments and then respond directly to each other's reasoning LeMoncheck argues for a feminist perspective on sexual harassment that is sensitive to the politics of gender Hajdin contends that this perspective is both morally confusing and legally problematic and that sexual harassment can be better addressed by traditional moral and legal categories

Power and Gender Rosemarie Skaine, 1996-01-01 Most Americans were shocked when Anita Hill charged U S Supreme Court nominee Clarence Thomas with sexual harassment Not surprisingly the nation was divided on the Senate hearings on the matter some believed Hill others Thomas Perhaps the most important result of the hearings was to open the eyes of a majority of the public to the issue of sexual harassment and to begin a dialog on the issue This work first defines sexual harassment including operational sociological and legal definitions and then provides a history of the issue in the United States and a theoretical framework of why harassment occurs This is followed by a look at the legal dimension of the problem with a discussion of pertinent federal and state laws and Equal Employment Opportunity Commission EEOC decisions The incidence and settings e g workplace housing religious institutions are next examined followed by chapters on sexual harassment in the government the military and in education The book concludes with discussions of strategies for the victims and for employers
