**Sex and the Mature Man** Louis P. Saxe, Noel Bertram Gerson, 1964      **The Old Man** Karen Pallesgaard Munk, Michael Smaerup, Kirsten Maibom, Kristian Park Frausing, 2023-03-31 Old men especially those who live alone remain an understudied group in the gerontological literature despite their significance to the demographic development Among the elderly the proportion of old men living alone is rapidly rising This book is an anthology of different perspectives on The Old Man It contains a personal account of becoming an old man treats ideas about the old man throughout Western cultural history and presents the first studies on the very old man It also discusses a wide variety of topics including alcohol as a prism for male aging the old man and sexuality digitization and masculinities and the single old man as lonely or just living alone paying much needed attention to this long overlooked group The contributing researchers come from disciplines as different as psychology philosophy theology anthropology health and gender studies      **Sex and Diversity in Later Life** Trish Hafford-Letchfield, Paul Simpson, Paul Reynolds, 2022-11-15 Addressing diversity in sexual and intimate experience later in life 50 this collection explores how being older intersects with ethnicity gender sexuality and class This original text extends knowledge concerning intimacies practices and pleasures for those thought to represent normative forms of sexual identification and expression      Men and Sex Philip Graham, 2017-07-20 Informed by sexual script theory this highly readable book provides a comprehensive account of all aspects of male sexuality      Old and Alone Jeremy Tunstall, 2024-05-10 What is it like to be an isolated old widow living alone on the bare old age pension In the 1960s the question had become a standard refrain Originally published in 1966 this was the first full length study by a sociologist of isolation in old age Although the majority of old people were in no sense a problem group at the time a substantial minority of the elderly were alone in one or more ways About 1 3 million people aged sixty five and over in Britain lived alone a large number admitted to feeling lonely at least sometime About a million were actually socially isolated in terms of low level and frequency of social contact Mr Tunstall also uses a fourth category of aloneness namely anomie as developed by Durkheim Merton and Srole This report uses careful and statistical analysis of the four types of aloneness and of specially affected groups such as the single the recently widowed and the housebound But it also includes details of interviews with ten highly individual old people from suburban Harrow booming Northampton industrial revolution Oldham and rural South Norfolk The book contains a discussion of the problem of personality in isolation and a commentary on the inadequacies of social theory about old age Finally the concluding chapter suggests a wide variety of policy measures which might help to alleviate social isolation in old age      *The Emotional and Sexual Lives of Older People* H. B. Gibson, 2013-12-14      Prospects Of Power John Snyder, 2021-05-11 Genre the articulation of kind is one of the oldest and most continuous subjects of theoretical and critical commentary Yet from Romanticism to postmodernism the concept of genre has been punched with so many holes that today it hardly seems graspable let alone viable By combining theory with dialectical literary histories of three

significantly different genres tragedy satire and the essay John Snyder reconstructs genre as the figural deployment of symbolic power One purpose of this approach is to reconcile the recent dismantling of representational and classificatory genres with the incipient notion in post Althusser Marxism that genre is the crucial mediation between history and aesthetics Snyder extends certain implications of Aristotle Benjamin Bakhtin Foucault and Serres He also offers the first antisystem yet comprehensive genre theory to serve as a fully distinct alternate to Frye s formalist and Genette s structuralist schemes Finally Snyder s theory of genre as power opens a way to a fundamentally new theory of literature itself that aesthetic language deployed as power organizes itself as generic intervention Three historically dynamic configurations establish the range of all possible genres tragedy as power politically deployed as mimesis satire as power rationally deployed as rhetoric and the essay as power textually deployed as constative rhetoric Specific analyses developing this important new theory cover a broad spectrum of literature from classical to contemporary Other genres different media and a variety of subgenres and modes political and religious all acquire fresh significance from the elaborations of Snyder s three selected genres

*The Grand Old Man and the Great Tradition* Luisa Bienati, Bonaventura Ruperti, 2020-08-06 In 1995 on the thirtieth anniversary of Tanizaki Jun ichir s death Adriana Boscaro organized an international conference in Venice that had an unusually lasting effect on the study of this major Japanese novelist Thanks to Boscaro s energetic commitment Venice became a center for Tanizaki studies that produced two volumes of conference proceedings now considered foundational for all scholarly works on Tanizaki In the years before and after the Venice Conference Boscaro and her students published an abundance of works on Tanizaki and translations of his writings contributing to his literary success in Italy and internationally *The Grand Old Man and the Great Tradition* honors Boscaro s work by collecting nine essays on Tanizaki s position in relation to the great tradition of Japanese classical literature To open the collection Edward Seidensticker contributes a provocative essay on literary styles and the task of translating *Genji* into a modern language Gaye Rowley and Ibuki Kazuko also consider Tanizaki s *Genji* translations from a completely different point of view documenting the author s three separate translation efforts Aileen Gatten turns to the influence of Heian narrative methods on Tanizaki s fiction arguing that his classicism far from being superficial reflects a deep sensitivity to Heian narrative Tzevetana Kristeva holds a different perspective on Tanizaki s classicism singling out specific aspects of Tanizaki s eroticism as the basis of comparison The next two essays emphasize Tanizaki s experimental engagement with the classical literary genres Amy V Heinrich treats the understudied poetry and Bonaventura Ruperti considers a 1933 essay on performance arts Taking up cinema Roberta Novelli focuses on the novel *Manji* exploring how it was recast for the screen by Masumura Yasuz The volume concludes with two contributions interpreting Tanizaki s works in the light of Western and Meiji literary traditions Paul McCarthy considers Nabokov as a point of comparison and Jacqueline Pigeot conducts a groundbreaking comparison with a novel by Natsume S seki

*Sexual Politics in the Work of Tennessee Williams*

Michael S. D. Hooper,2012-04-12 Michael S D Hooper reverses the recent trend of regarding Tennessee Williams as fundamentally a social writer following the discovery publication and or performance of plays from both ends of his career the proletarian apprentice years of *Candles to the Sun* and *Not About Nightingales* and the once overlooked final period of amongst many other plays *The Red Devil Battery Sign* Hooper contends that recent criticism has exaggerated the political engagement and egalitarian credentials of a writer whose characters and situations revert to a reactionary politics of the individual dominated by the negotiation of sexual power Directly or more often indirectly Williams writing expresses social

disaffection before glamorising the outcast and shelving thoughts of political change Through detailed analysis of canonical texts the book sheds new light on Williams work as well as on the cultural and social life of mid twentieth century America

**Facing the East in the West** Barbara Korte,Eva Ulrike Pirker,Sissy Helff,2010 Over the last decade migration flows from Central and Eastern Europe have become an issue in political debates about human rights social integration multiculturalism and citizenship in Great Britain The increasing number of Eastern Europeans living in Britain has provoked ambivalent and diverse responses including representations in film and literature that range from travel writing humorous fiction mockumentaries musicals drama and children s literature to the thriller The present volume discusses a wide range of representations of Eastern and Central Europe and its people as reflected in British literature film and culture The book offers new readings of authors who have influenced the cultural imagination since the nineteenth century such as Bram Stoker George Bernard Shaw Joseph Conrad and Arthur Koestler It also discusses the work of more contemporary writers and film directors including Sacha Baron Cohen David Cronenberg Vesna Goldsworthy Kapka Kassabova Marina Lewycka Ken Loach Mike Phillips Joanne K Rowling and Rose Tremain With its focus on post Wall Europe Facing the East in the West goes beyond discussions of migration to Britain from an established postcolonial perspective and contributes to the current exploration of new European identities

Old Age, Masculinity, and Early Modern Drama Anthony Ellis,2016-12-05 This first book length study to trace the evolution of the comic old man in Italian and English Renaissance comedy shows how English dramatists adopted and reimagined an Italian model to reflect native concerns about and attitudes toward growing old Anthony Ellis provides an in depth study of the comic old man in the erudite comedy of sixteenth century Florence the character s parallel development in early modern Venice including the commedia dell arte and along with a consideration of Anglo Italian intertextuality the character s subsequent flourishing on the Elizabethan and Jacobean stage In outlining the character s development Ellis identifies and describes the physical and behavioral characteristics of the comic old man and situates these traits within early modern society by considering prevailing medical theories sexual myths and intergenerational conflict over political and economic circumstances The plays examined include Italian dramas by Bernardo Dovizi da Bibbiena Niccol Machiavelli Donato Giannotti Lorenzino de Medici Andrea Calmo and Flaminio Scala and English works by William Shakespeare Ben Jonson and Thomas Dekker along with Middleton Rowley and Heywood s The Old Law Besides providing insight into stage representations of aging this book illuminates how early modern people conceived of and responded to the experience of growing old and its social economic and physical challenges

**Global Perspectives on Prostitution and Sex Trafficking** Rochelle L. Dalla,Lynda M. Baker,John Defrain,Celia Williamson,2011-04-01 This book is part of a two volume set that examines prostitution and sex trafficking on a global scale with each chapter devoted to a particular country in one of seven geo cultural areas of the world The 16 chapters in this volume Volume II are devoted to examination of the commercial sex industry CSI in countries within Africa Asia Middle East and Oceania while the 18

chapters comprising Volume I focus exclusively on Europe Latin America and North America This volume also includes a global section which includes chapters that are globally relevant rather than those devoted to a particular country or geographic location The content of each Volume as well as each chapter reflects great diversity diversity in focus writing style and personal position regarding the commercial sex industry Diversity extends to the contributors who are comprised of international scholars service providers and policy advocates representing a variety of fields and disciplines with distinct and varied frames of reference and theoretical underpinnings with regard to the commercial sex industry In addition to addressing aspects of the CSI across the globe as impacted by geography and culture authors have also provided a spectrum of implications of their work implications ranging from continued scholarship and research to legislative maneuvers and policy change to suggestions for collaboration across NGOS fieldworkers clinicians and service providers Together the 34 expertly crafted chapters provide a wealth of knowledge from which to more deeply appreciate and contemplate the global commercial sex industry By uniting contributors from around the world this book aims to build a relatively common knowledge base on global prostitution and sex trafficking Viewed from a unified global perspective it is hoped that this common understanding will lead to a grounded theory and integrated view with applicable suggestions for international efforts aimed at interventio
