

# Lord Salisbury

**William Francis Aitken**

## **Lord Salisbury:**

*Lord Salisbury* Dr E David Steele, 2002-11 First published in 1999 Routledge is an imprint of Taylor Francis an informa company Lord Salisbury Helen Taylor, Robert Taylor, 1975-08 *Lord Salisbury's World* Michael Bentley, 2001-09-06 Lord Salisbury 1830 1903 is now a subject of intense historical attention This important study moves away from conventional biography and presents an original portrait of the mental world inhabited by late Victorian Conservatives at the time when their world view was coming under severe strain At the centre of the picture is the 3rd Marquess of Salisbury but Lord Salisbury s World does not simply tell the story of his life and politics Instead it asks sensitive questions about how the political intellectual and religious environments of the late Victorian period seemed to one of its sharpest intellects and it situates Salisbury and his immediate entourage in a wide landscape of relationships perceptions and problems Professor Bentley takes the reader into Conservative assumptions about time and space property and society religion and the state and the past and the future the very language in which they expressed themselves **My Lord Salisbury** Nicky Webster, 2016-04-22 Nicky Webster s short biography My Lord Salisbury explores the life of the 2nd Marquess of Salisbury 17th April 1791 12 April 1868 a British Conservative politician Until now there has been no published biographical work on the 2nd Marquess He has figured but briefly in books about other members of the Cecil family and reduced to little more than anecdote he is portrayed as a petty local martinet Yet the archive of his correspondence held at Hatfield House in Hertfordshire suggests a different man The minutes of the House of Lords show a thinking member of the Upper House deeply committed to the parliamentary process and the rule of law More intimate correspondence with members of his family reveals a husband a father and a brother who experienced the joys the sorrows and the frustrations of family life This new work will appeal to readers who are interested in the 18th and 19th century aristocracy and also those who would like to access well researched accounts of historical figures Not just for the academic and professional reader this concise clear biography presents a solid understanding of the life and multi faceted personality of the 2nd Marquess of Salisbury It is an informative but at the same time an entertaining and easy read The Marquis of Salisbury Frederick Douglas How, 1902

**The Armenian Massacres, 1894-1896** Arman Dzhonovich Kirakosian, 2004 The 1915 massacre of the Armenians by reactionary Ottoman Government foreshadowed a horrifying trend of genocide that would characterize much of the twentieth century Yet not so much is known about the Armenian massacres of the 1890s and how they set the stage for the events of 1915 This compilation of articles published in the U S periodicals between 1895 and 1899 reflects the deep concern of the American public for the Armenian people and also offers a fascinating window onto the world politics of the time especially on the challenges of coordinating international action once news of the massacres began to emerge Throughout these thirty five reprinted articles written by American diplomats missionaries journalists religious and public figures and scientists the plight of the Armenian people unfolds Not only do readers learn of the Armenian struggle for equality and ultimately

independence from the Ottoman Empire but they also discover rich evidence about the Armenians themselves their Church instabilities within the Empire and charitable efforts spearheaded by American Christian missionaries The language and tone of these articles from over a century ago do reflect U S and European attitudes of the time which were influenced by the perception of the Empire s Sultan Abdul Hamid II as the ultimate anti Christian pan Islamic Ottoman ruler But the overall humanitarian impulses of these writers are evident and we see the beginnings of an Armenian U S relationship that would strengthen over the course of the twentieth century

**Lord Salisbury** ,1999 *The Marquis of Salisbury* Henry Duff Traill,1891 *The marquess of Salisbury* William Francis Aitken,1901 **Life of Robert, Marquis of Salisbury** Lady Gwendolen Cecil,1921 [Instruments of Peacemaking 1870-1914](#) Michael Reynolds,2021-07-01 This book focuses on Anglo American disputes arising out of the civil war in the United States and British interests in the American continent the Geneva Arbitration the Venezuela Guiana Arbitration and the Bhering Sea Arbitration It draws on those cases as model proceedings which laid the foundations and inspiration for a promotion of international law through the Hague Conferences and by the work of English and American jurists It considers the encouragement these cases gave to the promotion of public international law and how that contributed to the resolution of inter state disputes

**British Prime Ministers and Democracy** Roland Quinault,2011-03-17 Today representative democracy is the dominant political system in the world Britain played a prominent part in the democratization of the world through both its constitutional reforms at home and its power and influence abroad In that process Prime Ministers played a prominent role through their power and influence in government Parliament and the country more generally Quinault examines the stance of ten leading Prime Ministers from the mid nineteenth century until the twenty first century on the theory and practice of democracy The attitude of each Prime Minister is assessed by considering their general views on democracy and their use of that term and concept in their discourse and thereby their role in advancing or resisting democratic political change Particular attention is paid to their role in electoral reform together with their stance on the composition and powers of the House of Lords and the role of the monarchy in the governing process Their attitudes to the democratic aspects of some major international issues are also considered *The Political Thought of Lord Salisbury, 1854-1868* Michael Pinto-Duschinsky,1854

**British liberal internationalism, 1880-1930** Casper Sylvest,2013-07-19 This book explores the development character and legacy of the ideology of liberal internationalism in late nineteenth and early twentieth century Britain Liberal internationalism provided a powerful way of theorising and imagining international relations and it dominated well informed political discourse at a time when Britain was the most powerful country in the world Its proponents focused on securing progress generating order and enacting justice in international affairs Liberal internationalism united a diverse group of intellectuals and public figures and it left a lasting legacy in the twentieth century This book elucidates the roots trajectory and diversity of liberal internationalism focusing in particular on three intellectual languages international law philosophy and history through

which it was promulgated Finally it traces the impact of these ideas across the defining moment of the First World War The liberal internationalist vision of the late nineteenth century remained popular well into the twentieth century and forms an important backdrop to the development of the academic study of International Relations in Britain

**Churchill: Historical Books, Memoirs, Essays, Speeches & Letters** Winston Churchill, 2023-11-30 In Churchill Historical Books Memoirs Essays Speeches Letters Winston Churchill presents an expansive and introspective collection that encapsulates his multifaceted contributions to literature and politics This anthology spans his extensive career highlighting themes of resilience leadership and the moral imperatives of history during tumultuous times With a distinctive prose style that ranges from the eloquently formal to the deeply personal Churchill's work reflects the tensions of the 20th century and his role within it delivering both historical narrative and compelling rhetoric that resonates with urgency and gravity Winston Churchill the British Prime Minister famed for his leadership during World War II was also a prolific writer earning the Nobel Prize in Literature in 1953 His background as a soldier historian and statesman deeply influenced his articulate assessments of both the human condition and the historical forces shaping Europe Churchill's experiences during two world wars alongside his keen political insight stoked his desire to document these formative events and communicate their lessons for future generations For readers invested in political history or for those seeking inspiration through eloquence and thought provoking reflection this comprehensive collection serves as both a vital resource and a profound tribute to Churchill's enduring legacy It invites you to explore the introspections of a man who was not only a titan of history but also an extraordinary communicator
