Lost Leviathan Francis Downes Ommanney,1971 **Lost Leviathan** Francis Downes Ommanney,1971 Leviathan's Blood Ben Peek,2016-05-31 At the end of The Godless Mireea lay in ruins the dead of the city had risen as ghosts and the keepers Fo and Bau had been slain by Zaifyr The Mireeans have now fled to the city of Yeflam with the immortal Zaifyr in chains to barter for their safety With the threat of war arriving at the Floating Cities Zaifyr s trial will become the center of political games However Zaifyr is intent on using his trial to begin a new war a motive that many fear is an echo of the dangerous man he once was Ayae a young girl cursed with the gift of fire sees a chance to learn more of her powers here in the floating city but she is weighed down by her new responsibilities regarding the safety of the Mireean people Across the far ocean exiled Baron Bueralan and cartographer Orlan have arrived in the city of Ooila with some chilling cargo the soul of a dead man As the two men are accepted into the city s court they are pulled ever deeper into the Queen s web of lies and deceit All the while a rumor begins to spread of a man who has come ashore whose seemingly innocent presence threatens them all Leviathan's Glass Deborah Barnett,2010-03-02 The equal armed cross is a symbol as old as mankind predating the modern cross by millennia It represents the crossing point between body and spirit For the true adept there is another crossing line which bisects the two The true light of gnosis is represented by this line At this point reality and dreams blend and sit not altogether comfortably together What seems mundane what could be ordinary can be transformed into the truly magical at the point of crossing The Abyss between the Great Sea and the place wherein true wisdom dwells The experience differs for every adept and this book is not intended to be a definitive work on crossing The Abyss Rather it is designed to open up those centres receptive to the primeval forces which of necessity need to be released tamed and then banished Love is the law love under will Where the three forces meet then either chaos ensues or order is created from chaos

Leviathans of Jupiter Ben Bova,2011-02-01 In Ben Bova s novel JUPITER physicist Grant Archer led an expedition into Jupiter s hostile planetwide ocean attempting to study the unusual and massive creatures that call the planet their home Unprepared for the hostile environment and crushing pressures Grant s team faced certain death as their ship malfunctioned and slowly sank to the planet s depths However one of Jupiter s native creatures a city sized leviathan saved the doomed ship This creature s act convinced Grant that the huge creatures were intelligent but he lacked scientific proof Now several years later Grant prepares a new expedition to prove once and for all that the huge creatures are intelligent The new team faces dangers from both the hostile environment and from humans who will do anything to make sure the mission is a failure even if it means murdering the entire crew One of Library Journal s Best SF Fantasy Books of 2011 *Penance* James Hendershot,2013-10 *Penance* is paid for past evils on Lamenta as Sammael lures Lilith into a new world A new world appears looking piquant for revenge which shockingly reveals an unpredictable alliance forming between the first and second wives of Adam as both escape the grips of Adam one through rebellion the other through death All three try to save a creation after

the image of El Shaddai that has gone wrong even as murder has spoiled the Earth with blood Follow Lilith as she watches a new source of wickedness explode in this indulging earth The Wickedness of the Earthmen as they break the laws given by Jehovah s apex in the end times as their greed and lust destroy each other in numbers beyond comprehension The heavens now turn away from the giants from the past to the smallest among beasts to punish wickedness through diseases and plagues that enforce the price of sin being death Lilith finally on behalf of her father s armies avenge the murder of her mother yet now must be the executor for Jehovah who orders the final end of the Earth Jehovah gives Lilith one last chance to save as many daughters of Eve as possible *The Making of International Environmental Treaties* Gerry Nagtzaam,2009 Gerry Nagtzaam contends that in recent decades neoliberal institutionalist scholarship on global environmental regimes has burgeoned as has constructivist scholarship on the key role played by norms in international politics In this innovative volume the author sets these interest and norm based approaches against each other in order to test their ability to illustrate why and how different environmental norms take hold in some regimes and not others The book explores why some global environmental treaties seek to preserve and protect some parts of nature from human utilization some seek to conserve certain parts of nature for human development whilst others allow the reckless exploitation of nature without accounting for the consequences It tracks the fate of these three underlying environmental norms preservation conservation and exploitation using case studies on whaling mining in Antarctica and tropical timber The book illustrates how international political battles to shape environmental regimes inevitably result in clashes between these competing environmental norms This unique study will prove a fascinating read for both academics and practitioners in the fields of international environmental politics and international environmental law *Red Hood: the Lost King* Tyson K. Hopkins,2019-12-26 Twin sisters Rose and Sun were spending a lovely day along Sapphire City s shore line When Rose spots a beautiful brown horse rushing through Sapphire City s gates she spots a wounded young man wrapped in a red cloak on its back When they discover that the man in red known as Flint is destined to stop the destruction of their world the twins join him on his journey

Marrowspire humanity s last city clings to the bioluminescent back of the Leviathan a colossal creature of unknown age For generations the Drifters have lived in symbiosis with the Leviathan their history lost to the ocean s depths their lives a precarious dance on the giant s breathing back Twelve year old Isska Avani a resourceful scavenger with a knack for ancient technology unearths a relic whispering of a mythical place the Leviathan s Lantern a submerged city rumored to hold the secrets of humanity s past Driven by an insatiable curiosity Isska embarks on a perilous journey into the ocean s abyss with her two closest friends Rhea Voss a Drifter with an intuitive connection to the ocean currents and Kaelen Baines a brilliant tinkerer ostracized for his unconventional ideas Together they navigate the uncharted depths in a retrofitted submersible facing shimmering forests of bioluminescent jellyfish terrifying underwater storms and the chilling wrath of mechanical sea predators Meanwhile back in Marrowspire Elder Elara Morell the city s spiritual leader views Isska s quest as a sacrilegious threat to their delicate balance with the Leviathan As whispers of dissent turn into open accusations Isska s quest becomes a race against time not only to uncover the truth but to save her city from the rising tide of fear and suspicion Within the breathtaking spectacle of the Leviathan s Lantern they discover a devastating truth the Leviathan is dying its fading light a harbinger of Marrowspire s extinction Armed with forbidden knowledge and ancient technology Isska and her friends must choose between clinging to comforting myths or facing a harsh reality Their return to Marrowspire ignites a clash between tradition and progress faith and reason as they fight to convince the Drifters to embrace a future independent of the dying god they worship Can they awaken their city to the truth before it s too late or will the Leviathan s final breath extinguish humanity s last hope

Shrinking the Earth Donald Worster, 2016-01-08 The discovery of the Americas around 1500 AD was an extraordinary watershed in human experience It gave rise to the modern period of human ecology a phenomenon global in scope that set in motion profound changes in almost every society on earth This new period which saw the depletion of the lands of the New World proved tragic for some triumphant for others and powerfully affecting for all In this work acclaimed environmental historian Donald Worster takes a global view in his examination of the ways in which complex issues of worldwide abundance and scarcity have shaped American society and behavior over three centuries Looking at the limits nature imposes on human ambitions he questions whether America today is in the midst of a shift from a culture of abundance to a culture of limits and whether American consumption has become reliant on the global South Worster engages with key political economic and environmental thinkers while presenting his own interpretation of the role of capitalism and government in issues of wealth abundance and scarcity Acknowledging the earth s agency throughout human history Shrinking the Earth offers a compelling explanation of how we have arrived where we are and a hopeful way forward on a planet that is no longer as large as it once was *Critical and Exegetical Notes and Discourses on the Gospels* Andrew Carroll, 1855 *Searching for the Lost*

[The Leviathan's Heir](#) Russell Vaughn,2024-12-10 The sun is dying dragging the world into an endless twilight For the Meridan Empire a vast thalassocracy clinging to power survival hinges on the dim glow of harvested bioluminescence But beneath the waves in the coral city of Avani a different kind of fear reigns the fear of losing their connection to the slumbering Leviathan a primal force whose dormant energy sustains their underwater paradise When a monstrous storm unearths the Leviathan s colossal remains young fisherman Kaelen Rhys loses everything Drawn to the skeletal behemoth he discovers a crown of woven coral and bone pulsating with otherworldly light Claiming it he unknowingly awakens a power within a terrifying transformation that marks him as the Leviathan s Heir Now Kaelen is caught in a deadly game of three powers Empress Morgan Buchanan ruler of the Meridan Empire sees him as the key to her empire s survival a living energy source to stave off the encroaching darkness Avani offers sanctuary whispering of shared destinies but their promises conceal a parasitic hunger for his burgeoning power And then there s Elina Vance a brilliant marine biologist haunted by the devastation of the ancient Leviathan War She knows that Kaelen holds the key to preventing another catastrophe but her warnings are drowned out by the Leviathan s seductive whispers As the Kraken Riders genetically modified human kraken hybrids close in and Avani s bioluminescent warriors prepare for war Kaelen must choose his destiny Will he succumb to the Leviathan s rage and reshape the world in its image Or will he heed Elina s call and find a path to balance saving a world teetering on the brink of destruction The whispers of the deep promise power but true power comes at a price
