Lost Light:

The Book of Lost Light Ron Nyren, 2021-05-12 Joseph Kylander's childhood in early 20th century San Francisco has been shaped by his widowed father's obsessive photographic project and by his headstrong cousin Karelia's fanciful storytelling and impulsive acts. The 1906 earthquake upends their eccentric routines and they take refuge with a capricious patron and a group of artists looking to find meaning after the disaster. **THE BOOK OF LOST LIGHT** explores family loyalty and betrayal, Finnish folklore, the nature of time and theater, and what it takes to recover from calamity and build a new life from the ashes.

Michael Connelly Schatt, Stan, 2015-03-12 Michael Connelly's *A Reader's Guide* covers everything about Connelly, including his novels, his short stories, the articles he published as a crime reporter, and even movie treatments of his novels. Over 40 million fans have purchased books by Michael Connelly. His fans storm his website to discuss his characters and plots. Their passion for his characters is obvious. It's the same kind of enthusiasm now found among fans of the Harry Potter and Hunger Games series. Yet while both those series have companion books that serve as readers' guides, no such book exists on Connelly. What is unique about this book is that it shows how Connelly shaped his actual experiences as a crime reporter into his fiction. You will also find explanations of how Connelly fits into the mystery landscape.
