Loving Justice, Living Shakespeare Regina Mara Schwartz, 2016-11-17 In thinking about Justice we ignore Love to our peril Loving Justice Living Shakespeare asks why love is considered a soft subject fit for the arts and religion perhaps but unfit for boardrooms parliamentary and congressional debates law schools and courtrooms all of whom are engaged in the serious discourse of justice including questions of distribution questions of contract and questions of retribution Love is separate out of order in the decidedly rational public sphere of justice But for all of this separation of love and justice it turns out that in the biblical tradition no such distinction is even imaginable The biblical law is summed up as loving the neighbour this is further elaborated as loving the stranger loving the widow the orphan and the poor those who lack a protecting community Analysis of these foundational love commands shows that in them love means care that is apprehending and responding to the needs of others This is both love and justice Prevailing political concepts of justice are incomplete for they are premised on a belief in scarcity limited supply of goods opportunities even forgiveness suggests they must be meted out in fair measure To the contrary with love the good sought is not in scarce supply Its distribution is not a problem for the more of it you give the more it is replenished So with love the emphasis is not on how to apportion fairly how much love do I give each of my children but how to understand and respond to need This understanding of justice as including mutual care has a rich history in religious thought as constituting social glue The revival of the Bible during the Reformation and the ubiquitous allusions to neighbor love in the Book of Common Prayer made it ever present in Renaissance discourse and Shakespeare brought this ethos to audiences in many of his plays Part of the reason Shakespeare endures is that this ethic resonates for audiences today we abhor the evil of Iago the greed of Macbeth the narcissism of Lear and to even begin to understand how the sacrifices of Romeo and Juliet could heal ancient social conflict we must assent to the power of love to create justice

Hope, Joy, Peace, Love: Living Life Through Inspiration Fabienne Gassmann,2011-12-02 Every book starts with an idea that transforms into an outline that only later becomes a story No one ever writes a book alone This book was written in such a way that my daily ups and down were constantly used as my eyes to see inspiration around me Connecting my personal experiences in life to the things my eyes saw The purpose of this book is to emphasize the deep spiritual values that one has in oneself It is a collection of short stories of my days from how I feel or what inspired me on that day It reflects my vision and dreams and I hope that as you read this book that you as a reader will be inspired too A Way in to the Trinity Gerald O'Mahony (S.J.),2004 God is unconditional love gratefully received safely returned The way in to the Trinity for anyone is a way in to the mystery of love and the story turns out to have a happy ending The mystery of the Trinity was revealed to us not to stop us thinking but to start us loving I have never read anything on the Trinity which is as life giving as this book The mystery instead of appearing unintelligible and better left alone remains mystery but becomes something exciting energizing a source of life the source of our own lives which can never be exhausted by any amount of exploration Gerard W Hughes SJ GeraldO Mahony completed this book in his 50th year as a Jesuit his 38th as a priest and his 20th year as a retreat director and author working in Loyola Hall Jesuit Spirituality Centre in England Lost Without You Vinnie Jones,2020-09-03 This is not a love story I ever wanted to tell because I hoped it would just go on and on and never end I thought that we d grow old together I never wanted it to be a tale But here I am a middle aged man sitting at the kitchen table as the California light fades thinking about the coming night and how to get through it Trying to explain to someone to anyone what it was like to live through something extraordinary an amazing three decades that happened to me Three decades that are now over In July 2019 Vinnie Jones tragically lost his wife and soulmate Tanya after her six year battle with cancer Tanya and Vinnie had shared 27 amazing years and raised a beautiful family together Her passing was a devastating shock to everyone and Vinnie found himself struggling to cope In this extraordinarily intimate memoir Vinnie tackles his grief

honestly and with heart sharing warm and colourful stories from the 25 years he spent married to Tanya and unfiltered accounts of the reality of grief From the darkest hours to the happiest moments and everything in between it is tender and heart breaking deeply honest but also full of humour and hope Written to honour Tanya s life *Lost Without You* is a beautiful and brave story of love and loss Nothing will take away the pain of Tanya s death but if in sharing his experiences Vinnie can inspire others in the depths of the unspeakable to find the help they need then he will have succeeded in the keeping her kind caring and selfless spirit alive *Testimony* Mark Zarr,2012-01-27 Have you ever been disappointed by the church Do you find yourself feeling as if you are on the outside looking in For many of us church religion and even God seem to be unattainable Whether we have been burned never truly accepted or lost in the sea of programs and church growth strategies we all sense that something is off Where is the Grace Love and Mercy that Christ came to share with us all Miraculous stories abound of lives that have been turned around But where is the proof of changed lives At some point shouldn t we see these transformations The truth is that God s grace is for everyone We have all fallen short but that is only the beginning of our story Only God s testimony is powerful enough to save us from ourselves Our story should not be told in words but should be lived and explored through our daily walk We should not merely talk about grace and mercy and love when we have been given the amazing gift by Christ s death and resurrection to show grace mercy and love Our real testimonies are defined not by who we were but by who we are willing to become **The Warring Generation** Thelma Dzwowa,2017-12-15 For those who are tired of religion and long to see the kingdom of God manifest then this is the book for you Straight from the pews as a layman I longed to see change not only in my life but in the lives of those around me and in my city I had witnessed so many lives battered and wounded and I seemed powerless to do anything I became restless with my mediocre faith and realized that there had to be more I wanted more and I was going to have more But the question was would I be prepared to fight to see the kingdom of God and all it represents manifested in my everyday life There is a battle raging in the spirit realm for the souls of humankind The battle lines have been drawn but God is awakening a generation that will learn how to war Their battle cry will echo into eternity as they boldly declare Thy kingdom come They will be known as the warring generation They are prepared to contend to initiate change in their different areas of influence They refuse to turn a blind eye toward the problems that plague people and society as a whole So they choose the road less traveled and make a relentless stand for righteousness They dare to believe for the manifestation of Gods kingdom in their lives families workplaces schools churches cities and nations They are everyday people most of whom are nameless and faceless but are a force to reckon with They are the warring generation Will you be part of this generation Discover how you can awaken the warrior within you and make an indelible mark in your world as you read this book The Battle For Love: Part Two Denise Vern McCray Williams,2021-10-22 The battle for love 2 talks about my life experiences in life and the drama I had to go through just to feel some type of companionship in life rather it was with associate to get the respect and love that I thought people had to give

to me until I had to learn how to give it to myself whether it was boyfriends girlfriends family members or exes It talks about how I had to learned things the hard way life Because I thought I knew it all and was too hardheaded to listen to anyone for advice What I had to implement into my own life to get the love I so much desired How I went about getting the results Learning not to settle for less because I am worthy of self love and respect to myself Love's Gathering Heartsender,2002-06-11 This breakthrough collection of emotions will be uplifting to anyone who believes in the power of love **Passion for Love and Happiness** Dr. AA. for him and everyone knows money is the root of all evil Klue finds himself at the center of something that is way bigger than he anticipated The options he is given are slim to none and he's either going to have to kill or possibly be killed The decisions he makes in the end could be the difference between life or death for him and those closest to him and death never likes to be cheated
