## **Mahabharata Epic Of The Bharatas:**

**Mahabharata** Veda Vyasa,2015-06-04 The core story of the work is that of a dynastic struggle for the throne of Hastinapura the kingdom ruled by the Kuru clan The two collateral branches of the family that participate in the struggle are the Kaurava and the Pandava Although the Kaurava is the senior branch of the family Duryodhana the eldest Kaurava is younger than Yudhishthira the eldest Pandava Both Duryodhana and Yudhishthira claim to be first in line to inherit the throne The struggle culminates in the great battle of Kurukshetra in which the Pandavas are ultimately victorious The battle produces complex conflicts of kinship and friendship instances of family loyalty and duty taking precedence over what is right as well as the converse *The Mahabharata, Epic of the Bharatas* Romesh Chunder Dutt,1998 *The Maha-Bharata* Romesh C. Agarwal,2012-05-22 The origin of world civilization can be traced to the Sindhu and Sarasvati river valleys located in present day Pakistan as early as 8 000 BC Here innovation and originality in every aspect of human endeavor from mathematics and science to art and sports flourished Yet the importance of this civilization known as the Vedic period has been deliberately downplayed Thoroughly researched and including an extensive bibliography *From Bharata to India* rectifies this mistake in the perspective of world history and seeks to offer a comprehensive reference source Author M K Agarwal shows how this early culture where ideation by enlightened philosopher Brahmin kings brought material and spiritual wealth that was to remain unchallenged until the colonial era This Vedic Hindu Buddhist legacy subsequently influenced peoples and paradigms around the globe ushering in an era of peace and plenty thousands of years before the Europeans By using original sources in Sanskrit as well as regional literature Agarwal compares corresponding situations in other civilizations within the context of their own literary traditions and records to prove that Bharata forms the basis of world civilization This is in direct contrast to the Greek or Arab miracle hypothesis put forth by numerous scholars The first of two volumes in this series *From Bharata to India* offers a fascinating in depth glimpse into ancient India's contribution to the modern world

*History of Indian Nation : Ancient India* Muzaffar H. Syed & Others,2022-02-20 History of Indian Nation India the cradle for one of the most ancient civilizations in the world has a long and rich history spanning thousands of years In fact the history of India begins with evidence of human activity millions of years ago The Indus Valley Civilization was the first major civilization Vedic Civilization witnessed the rise of major polities Almost the whole country was controlled by Mauryan Empire and it was again united under Gupta Empire Muslim rule in the subcontinent began when the Arabs conquered Sindh and Multan Then several invasions from Central Asia led to the formation of Muslim empires such as the Delhi Sultanate and

the Mughal Empire Mughals conquered most of northern India and finally controlled the entire sub continent and Afghanistan Mughal Empire declined in the 18th century Then East India Company gained ascendancy over South Asia Dissatisfaction with Company rule led to an unsuccessful revolt in 1857 after which India was directly administered by the British Crown In the 20th century a nationwide struggle for independence was launched by Indian National Congress The subcontinent gained independence from Great Britain in 1947 but the country was partitioned into two dominions of India and Pakistan After Independence a new era began This comprehensive book comprising four volumes covers the entire history of the Indian Nation in a very compact manner This book is an asset for historians teachers students and general readers at par **Awaken Bharata** David Frawley,2018-12-18 Today there is a new battle going on over the idea of India with some groups questioning if there ever was any real nation called India prior to the British rule Challenging this notion are those who claim that India has a profound national and cultural heritage since ancient times and was one of the main centres of civilization in the world with its own characteristic ideals and practices born of dharma and yoga The Constitution speaks of India that is Bharata proclaiming this ancient name for the country If we look at India as Bharata the idea of the country and its unique identity and history become clear Awaken Bharata is a plea for that eternal India to awaken and reclaim its esteemed place as the guru of nations expressing once more its vast civilizational ethos The book encourages a new vision of the country linking its magnificent past with a more brilliant future It emphasizes the role of a new intellectual kshatriya intellectual warriors of dharma to challenge the inimical forces seeking to deny or displace India's great civilization
