Communist times it was impossible to do sociolinguistic work on Hungarian in contact with other languages In the short period of time since the collapse of the Soviet bloc Hungarian sociolinguists have certainly done their very best to catch up This volume brings together the fruits of their work some of which was hitherto only available in Hungarian The reader will find a wealth of information on many bilingual communities involving Hungarian as a minority language The communities covered in the book are located in countries neighboring Hungary Austria Serbia Slovakia Slovenia Romania and Ukraine as well as overseas in Australia and the United States Several of the chapters discuss material derived from the Sociolinguistics of Hungarian Outside Hungary project Throughout the book the emphasis is on how the language use of Hungarian minority speakers has been influenced by the majority or contact language both on a sociolinguistic macro level as well as on the micro level In the search for explanations particular attention is given to typological aspects of language change under the conditions of language contact Theatre and Postcolonial Desires Awam Amkpa, 2004-06 This book explores the themes of colonial encounters and postcolonial contests over identity power and culture through the prism of theatre The struggles it describes unfolded in two cultural settings separated by geography but bound by history in a common web of colonial relations spun by the imperatives of European modernity In post imperial England as in its former colony Nigeria the colonial experience not only hybridized the process of national self definition but also provided dramatists with the language imagery and frame of reference to narrate the dynamics of internal wars over culture and national destiny happening within their own societies The author examines the works of prominent twentieth century Nigerian and English dramatists such as Wole Soyinka Femi Osofisan David Edgar and Caryl Churchill to argue that dramaturgies of resistance in the contexts of both

Nigerian as well as its imperial inventor England shared a common allegiance to what he describes as postcolonial desires That is the aspiration to overcome the legacies of colonialism by imagining alternative universes anchored in democratic cultural pluralism The plays and their histories serve as filters through which Ampka illustrates the operation of what he calls overlapping modernities and reconfigures the notions of power and representation citizenship and subjectivity colonial and anticolonial nationalisms and postcoloniality The dramatic works studied in this book embodied a version of postcolonial aspirations that the author conceptualises as transcending temporal locations to encompass varied moments of consciousness for progressive change whether they happened during the hey day of English imperialism in early twentieth century Nigeria or in response to the exclusionary politics of the Conservative Party in Thatcherite England Theatre and Postcolonial Desires will be essential reading for students and researchers in the areas of drama postcolonial and cultural studies *Chamber Concise Dictionary* ,2004

When Creole and Spanish Collide ,2021-05-25 Generations of West Indian migrants have long called Central America home The descendants of these Creole English speakers live in communal enclaves along the Caribbean coast of Central America where their Creole heritage and language are in contact zones with Spanish language and culture When Creoles and Spanish Collide Language and Culture in the Caribbean presents contemporary insight into these intra Caribbean diasporic communities on how they grapple with evolving Creole identity and representation language contact language endangerment and linguistic discrimination Communal resilience oftentimes manifests itself via linguistic innovation and creativity Editors Glenda Alicia Leung and Miki Loschky showcase the scholarship of emerging and established regional and transatlantic scholars in When Creoles and Spanish Collide which serves as a decolonizing research space Generation 1.5 Meets College Composition Linda Harklau,Kay M. Losey,Meryl Siegal,1999-05 Brings together writing researchers educators to identify explore the linguistic ethical cultural issues that attend teaching college writing to US educated linguistically diverse students Three sections focus on students classrooms programs

Working with Children Experiencing Speech and Language Disorders in a Bilingual Context Sean Pert,2022-12-20 The complexity of speech and language disorders can be daunting in a monolingual context When working with a bilingual child assessment and intervention may appear to be even more complicated In this book Sean Pert provides the reader with the tools needed to overcome this perception and develop skills in working in a language that they don t share with the client By adopting a home language first approach the book discusses how to identify diversity from disorder introduce effective approaches in line with the best clinical practice work successfully alongside interpreters make assessments and plan interventions set goals for therapy At the heart of the text is the therapist creating essential partnerships with parents and truly valuing the bilingualism culture and identity of the child This leads to better outcomes not only in speech language and communication but also in self esteem mental health social participation and educational and employment success The book concludes with a handy toolkit of resources including quizzes case studies and printable

extras making it the perfect resource for both experienced and newly qualified practitioners with bilingual and multilingual children in their care Data Collection in Sociolinguistics Christine Mallinson, Becky Childs, Gerard Van Herk, 2013-05-29

This edited volume provides up to date succinct relevant and informative discussion about methods of data collection in sociolinguistic research It covers the main areas of research design conducting research and sharing data findings with longer chapters and shorter vignettes written by a range of top sociolinguists both veteran and emerging scholars Here is the one stop go to guide for the numerous quantitative qualitative and mixed methods that are used in sociolinguistic research ensuring that Data Collection in Sociolinguistics will be not only useful in the classroom but also as a reference tool for active researchers For more information visit sociolinguisticdatacollection.com
