Archer, 2006 After the Civil War Capt Isaiah Welch a Doddridge County West Virginia native took a job as a surveyor with Maj Jed Hotchkiss of Staunton Virginia Hotchkiss had served as Gen Thomas Stonewall Jackson s mapmaker and charted Jackson s famous Valley Campaign and Welch had been an officer of the 13th Battalion Virginia Light Artillery The war left Virginia s agrarian economy in ruins and men like Hotchkiss and Welch worked to develop a new industrial South Welch surveyed the Pocahontas Coalfield in 1873 and a city named in his honor emerged in the heart of that great coalfield Chartered on July 12 1894 Welch has played a pivotal role in America s industrial revolution as a support system and supply house to the timber industry and as a coal industry hub Throughout more than a century Welch has served as a gateway for the raw materials and manpower that fueled the nation s quest for growth and power The city has been constantly beset by the challenges of maintaining a civilization in West Virginia s steepest and most remote mountains but after decades of being tested by nature Welch is now on the verge of yet another renaissance **Days of Destruction, Days of Revolt** Chris Hedges, Joe Sacco, 2014-04-08 Two years ago Pulitzer Prize winner Chris Hedges and award winning cartoonist and journalist Joe Sacco set out to take a look at the sacrifice zones those areas in America that have been offered up for exploitation in the name of profit progress and technological advancement They wanted to show in words and

drawings what life looks like in places where the marketplace rules without constraints where human beings and the natural world are used and then discarded to maximize profit Days of Destruction Days of Revolt is the searing account of their travels The book starts in the western plains where Native Americans were sacrificed in the giddy race for land and empire It moves to the old manufacturing centers and coal fields that fueled the industrial revolution but now lie depleted and in decay It follows the steady downward spiral of American labor into the nation s produce fields and ends in Zuccotti Park where a new generation revolts against a corporate state that has handed to the young an economic political cultural and environmental catastrophe Princeton William R. Archer,2006 Throughout its existence Princeton has been a community

at a unique three way intersection connecting the heart of the Allegheny Mountain range with the fertile Valley of the Virginias to the east and the Cumberland Gap to the west In 1837 the Virginia General Assembly formed Mercer County named in memory of Revolutionary War general Hugh Mercer at the same time the county s seat was named in honor of the Battle of Princeton New Jersey the 1777 battle in which General Mercer died Twenty five years after the county s formation retreating Confederate soldiers burned the homes of the town of Princeton to the ground The coming of the Virginian Railroad in the first decade of the 20th century and the construction of the West Virginia Turnpike 40 years later transformed Princeton from a remote rural outpost into a vibrant center of commerce and ultimately led to the evolution of Princeton into a true crossroads for the region **Marion** Kim Clark,the McDowell House Project Advisory Committee,2013 Although the

City of Marion s motto Where Main Street Meets the Mountains was chosen to describe the present day city it is also an apt description of Marion s past Founded in 1844 at a rugged crossroads at the foot of the Blue Ridge Mountains Marion was hewn out of the land by the hard work and determination of its citizens Mountaineer mingled with businessman and a unique community took shape colored across time by triumph tragedy and progress In Marion the community s rich history is brought to life in over 200 vintage images Drawn from small private collections as well as from public archives many of these photographs are published for the first time Historical images show Marion s early days when horse and wagon struggled to navigate the muddy ruts of Main Street the aftermath of the disastrous fire of 1894 gatherings and public events at the dawn of the 20th century the beginnings of industry and glimpses of everyday life The city s three mill villages are also featured Clinchfield Cross Mill and East Marion *African American Doctors of World War I* W.
