the book made for her as well as the many lives the novel has led since it was written Employing a structure that deftly mirrors that of the novel *My Life in Middlemarch* takes the themes of Eliot's masterpiece the complexity of love the meaning of marriage the foundations of morality and the drama of aspiration and failure and brings them into our world Offering both a fascinating reading of Eliot's biography and an exploration of the way aspects of Mead's life uncannily echo that of Eliot herself *My Life in Middlemarch* is for every ardent lover of literature who cares about why we read books and how they read us
