Napa James Conaway, 2018-04-01 The New York Times bestselling history of the rise of California's wine country and its most famous vintners from the author of *Napa at Last Light* James Conaway's remarkable bestseller delves into the heart of California's lush and verdant Napa Valley also known as America's Eden Long the source of succulent grapes and singular wines this region is also the setting for the remarkable true saga of the personalities behind the winemaking empires This is the story of Gallos and Mondavis of fortunes made and lost of dynasties and destinies In this delightful full bodied social history Conaway charts the rise of a new aristocracy and in so doing chronicles the collective ripening of the American dream Napa is a must read for anyone interested in our country's obsession with money land power and prestige An extraordinary American success story a pageant of family dramas and blood feuds People This is more than a wine book it is a fascinating and closely reported social history Tracy Kidder

Napa at Last Light James Conaway, 2018-03-06 The New York Times bestselling author of *Napa* tells the captivating story of how the Napa Valley region transformed into an extraordinary engine of commerce glamour and an outsized version of the American dream and how it could be lost in a strong plea for responsible stewardship of the land Kirkus Reviews Not so long ago wine was an exclusively European product Now it is thoroughly American emblematic of Napa Valley an area idealized as the epicenter of great wines and foods and a cultural tourist destination But James Conaway's candid book tells the other side of the romanticized story *Napa at Last Light* reveals the often shadowy side of the latter days of Napa Valley marked by complex personal relationships immense profits passionate beliefs and sometimes desperate struggles to prevail In the balance hang fortunes and personal relationships made through hard work and manipulation of laws people and institutions Napa's who grew up trusting in the beneficence of the vintner class now confront the multinational corporations who have stealthily subsumed the old family landmarks and abandoned the once glorious conviction that agriculture is the best use of the land Hailed as the definitive Napa writer Conaway has spent decades covering the region *Napa at Last Light* showcases the greed enviable profits legacy and tradition that still collide in this compelling story The area is still full of dreamers but of opposing sorts those longing for a harmonious society based upon the vine and self styled overlords yearning for wealth and the special acclaim only fine wine can bring Bets are still out on what the future holds This is a stunning and sad look at how an idyllic community became a victim of its own success fascinating and well researched Publishers Weekly starred review

Tangled Vines Frances Dinkelspiel,2025-09-23 On October 12 2005 a massive fire broke out in the Wines Central wine warehouse in Vallejo California Within hours the flames had destroyed 4 5 million bottles of California s finest wine worth more than 250 million making it the largest destruction of wine in history The fire had been deliberately set by a passionate oenophile named Mark Anderson a skilled con man and thief with storage space at the warehouse who needed to cover his tracks With a propane torch and a bucket of gasoline soaked rags Anderson annihilated entire California vineyard libraries as well as bottles of some of the most sought after wines in the world Among the priceless bottles destroyed were 175 bottles of Port and Angelica from one of the oldest vineyards in California made by Frances Dinkelspiel s great great grandfather Isaias Hellman in 1875 Sadly Mark Anderson was not the first to harm the industry The history of the California wine trade dating back to the 19th Century is a story of vineyards with dark and bloody pasts tales of rich men strangling monopolies the brutal enslavement of vineyard workers and murder Five of the wine trade murders were associated with Isaias Hellman s vineyard in Rancho Cucamonga beginning with the killing of John Rains who owned the land at the time He was shot several times dragged from a wagon and left off the main road for the coyotes to feed on In her new book Frances Dinkelspiel looks

beneath the casually elegant veneer of California's wine regions to find the obsession greed and violence lying in wait Few people sipping a fine California Cabernet can even guess at the Tangled Vines where its life began
