Without Denomination: A Critique of Church Doctrines Roy D. Perkins,2016-01-20 As the subtitle says the book is a critique of denominational church doctrines It is an objective writing as I the author have made every attempt to keep personal biases and subjective thinking out of the writing It deals with denominational churches as to what s right in their doctrines and what s wrong As mentioned 100% of all church doctrines do not line up with the scriptures Some churches come close but no cigar Others are so far out that I cannot fathom why they are called Christian Churches The book

discusses a host of contemporary topics which the Bible mentions in detail In addition to man made traditions of all the churches the book tackles taboo topics in the church world such as abortion alcoholism smoking drugs gambling homosexuality infant baptism Jehovah s Witnesses Mormons Islam Agnosticism Atheism Women in the Church Divorce Interfaith Services The Tribulation Tithing 666 Welfare Social Security Disability and paid salaries for the clergy The book has mostly scriptural references but some non scriptural references too All statements are supported with a Biblical verse s or occasionally with an article or a personal reference The Biblical references are from the King James Version the New International Version or sometimes paraphrased The book flows easily as I used 1 98 words rather than 100 00 words It is written so that the average 12 year old will understand it Although I mention particular denominations I never mention the names of churches or the names of people who were involved in the various scenes of the book The book is an educational and enlightening tool for pastors sermons Bible studies and Sunday School Classes The book s one endeavor is to reveal the truth about Christianity I don t understand why someone else didn t write this book decades ago This book reveals to the readers that their churches and church leaders are not what they claim to be In the book there are some interesting and humorous anecdotes about situations which help to get a point across They are lessons learned This book is meant for Christian readers as well as non believers and for those who are on the fence This book will cause one to think and perhaps reevaluate his or her position on God salvation and what is next after he or she departs this world An A-Z of Modern America Alicia Duchak,2002-09-09 An A Z of Modern America is a comprehensive cultural dictionary which defines contemporary America through its history and civilization The book includes entries on key people from presidents to Babe Ruth American life customs clothing and education legal religious and governmental practices multiculturalism minorities and civil rights An A Z of Modern America offers accessible and lively definitions of over 3 000 separate items The book is cross referenced and thus provides associated links and cultural connections while the appendices contain essential extra information on American institutions structures and traditions **The Ultimate Guide to Celebrating Kids** Linda LaTourelle,2005-07-15 A collection of poems quotes and titles to celebrate the school aged child on cards scrapbooks and creative projects *Easter Treats* Jill O'Connor,2000-02 Offers a selection of recipes for Easter menus and sweet treats and includes holiday decorating ideas and kid friendly craft projects Billboard ,1952-02-16 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Peter Cottontail* Amanda Stephens,1994 It s Easter morning and somebody has stolen all the Easter eggs Can anybody save Easter Peter Cottontail can **Nana's Corner Volume Iv** Marguerite B. White,2012-10-31 It was only a few years ago God shed his light on me Anointed me with the gift of writing poetry He opened my eyes to understand from the scripture that I read A powerful message came down from above and descended here on me

The grace of God bestowed on me the special gift that was given Burns in my soul lets the words flow on this paper it is written O may I thank him daily for what he has given to me May my heart yearn to do his will to use this gift he placed in me To see the mighty hand of God the creator of all things Who used a humble servant made her a child of the King **Easter Tales** , Here Comes Peter Cottontail Board Book (Peter Cottontail) Random House,2015-01-06 Children ages 2 to 5 will love this egg tra special full color board book based on the classic Peter Cottontail Claymation TV special from 1971
