Dowty, Menachem Hofnung, Gideon
Rahat**

Politics Of Israel The First Decade Of:

Israel S. Ilan Troen, Noah Lucas, 1995-05-04 This book provides new interpretations and research findings from a wide spectrum of viewpoints on Israel's formative first decade of independence **Politics and Government in Israel** Gregory

S. Mahler, 2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel's geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government Mahler also considers Israel's foreign policy setting and apparatus the Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today The Government And Politics Of Israel Donald

Peretz, 2018-02-19 This book offers a comprehensive and up to date overview of the dynamics of Israeli politics It aims to familiarize those interested in Israel's government with that country's origins the way its political institutions practices and traditions have evolved and the way the government works **Israel and the Politics of Jewish Identity** Asher

Cohen, Bernard Susser, 2000-06-16 Since the 1980s relationships between secular and religious Israelis have gone from bad to worse What was formerly a politics of accommodation one whose main objective was the avoidance of strife through arrangements and compromises has become a winner take all zero sum game The conflict is not over who gets what Rather it is a conflict over the very character of the polity a struggle to define Israel's collective character In Israel and the Politics of Jewish Identity Asher Cohen and Bernard Susser show how this transformation has been caused by structural changes in Israel's public sphere Surveying many different levels of public life they explore the change of Israel's politics from a dominant party system to a balanced two camp system They trace the rise of the Haredi parties and the growing consonance of religiosity with right wing politics Book jacket **The Handbook of Israel's Political System** Itzhak Galnoor, Dana

Blander, 2018-04-30 There is growing interest in Israel's political system from all parts of the world This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre state period to the present The themes covered include political heritage and the unresolved issues that have been left to fester the institutional framework the Knesset government judiciary presidency the state comptroller and commissions of inquiry citizens political participation elections political parties civil society and the media the four issues that have bedevilled Israeli democracy since its establishment security state and religion the status of Israel's Arab citizens and economic inequities with concomitant social

gaps and the contours of the political culture and its impact on Israel's democracy. The authors skilfully integrate detailed basic data with an analysis of structures and processes making the Handbook accessible to both experts and those with a general interest in Israel. *Nationalism and the Politics of Fear in Israel* Cathrine Thorleifsson, 2015-07-31 Kiryat Shmona located near the Israeli-Lebanese border often makes the news whenever there is an outbreak of violence between the two countries. In Israel's northernmost city the residents are mostly Mizrahim that is Jews descending from Arab and Muslim lands. Cathrine Thorleifsson uses the dynamics at play along this border to develop wider conclusions about the nature of nationalism, identity, ethnicity and xenophobia in Israel and the ways in which these shift over time and are manipulated in different ways for various ends. She explores the idea of being on the periphery of nationhood, examining the identity-forming and negotiating processes of these Mizrahim who do not neatly dovetail with the predominantly Ashkenazi concept of what it means to be Israeli. Through in-depth ethnographic observation and analysis, Thorleifsson highlights the daily negotiation of Moroccan and Persian Jewish families who define themselves in opposition to Ashkenazi Jews from Russia and Central and Eastern Europe and the Druze, Christian and Muslim Arab populations which surround them. But this is not just an examination of differences and stereotypes which are continually perpetuated. Instead, Thorleifsson highlights the instances of inter-marriage between Mizrahi and Ashkenazi Jews and what this means for the high politics of nationalist narratives as well as the everyday aspect of family dynamics. But having done so, she does also acknowledge that many of Israel's laws which deal with ethnic identity do result in discrimination and daily exclusion against a large number of its citizens, something which reflects the ethnocratic character of the state. By including all of these different aspects of the daily negotiation of identity in a northern town in Israel, Thorleifsson offers a frank and balanced account of the nature of state nationalism and the people who are affected by it. Covering an interesting aspect of Israeli society which is often overlooked, this account of relations between both Ashkenazi and Mizrahi Jews and those between Mizrahi Jews and Palestinians is an important contribution to the study of Israeli and Middle Eastern societies. **Israel: Israeli society and politics since 1948 :**

problems of collective identity Efraim Karsh, 2002 *Israel's Holocaust and the Politics of Nationhood* Idith Zertal, 2005-09 A compelling analysis considers the ways Israel has used the memory of the Holocaust to define its existence and politics. *The Oxford Handbook of Israeli Politics and Society* Reuven Y. Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2021 Few countries receive as much attention as Israel and are at the same time as misunderstood. *The Oxford Handbook of Israeli Politics and Society* brings together leading Israeli and international figures to offer the most wide-ranging treatment available of an intriguing country. It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics, recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict. The handbook presents an overview of the historical development of Israeli democracy through chapters examining

the country's history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments

Jewish Emancipation David Sorkin, 2021-09-14 The first comprehensive history of how Jews became citizens in the modern world For all their unquestionable importance the Holocaust and the founding of the State of Israel now loom so large in modern Jewish history that we have mostly lost sight of the fact that they are only part of and indeed reactions to the central event of that history emancipation In this book David Sorkin seeks to reorient Jewish history by offering the first comprehensive account in any language of the process by which Jews became citizens with civil and political rights in the modern world Ranging from the mid sixteenth century to the beginning of the twenty first Jewish Emancipation tells the ongoing story of how Jews have gained kept lost and recovered rights in Europe North Africa the Middle East the United States and Israel Emancipation Sorkin shows was not a one time or linear event that began with the Enlightenment or French Revolution and culminated with Jews acquisition of rights in Central Europe in 1867-71 or Russia in 1917 Rather emancipation was and is a complex multidirectional and ambiguous process characterized by deflections and reversals defeats and successes triumphs and tragedies For example American Jews mobilized twice for emancipation in the nineteenth century for political rights and in the twentieth for lost civil rights Similarly Israel itself has struggled from the start to institute equality among its heterogeneous citizens By telling the story of this foundational but neglected event Jewish Emancipation reveals the lost contours of Jewish history over the past half millennium

This Enthralling Realm of Kindle Books: A Comprehensive Guide Revealing the Advantages of E-book Books: A World of Ease and Flexibility E-book books, with their inherent mobility and ease of availability, have freed readers from the constraints of physical books. Gone are the days of lugging bulky novels or carefully searching for particular titles in shops. Kindle devices, stylish and lightweight, seamlessly store an wide library of books, allowing readers to immerse in their favorite reads anytime, everywhere. Whether traveling on a busy train, lounging on a sun-kissed beach, or just cozying up in bed, E-book books provide an unparalleled level of ease. A Reading Universe Unfolded: Discovering the Vast Array of Kindle Politics Of Israel The First Decade Of Politics Of Israel The First Decade Of The E-book Shop, a digital treasure trove of literary gems, boasts an wide collection of books spanning varied genres, catering to every readers preference and preference. From captivating fiction and mind-stimulating non-fiction to classic classics and contemporary bestsellers, the Kindle Store offers an unparalleled variety of titles to discover. Whether seeking escape through engrossing tales of imagination and exploration, diving into the depths of historical narratives, or expanding ones knowledge with insightful works of scientific and philosophical, the Kindle Shop provides a doorway to a bookish universe brimming with limitless possibilities. Politics Of Israel The First Decade Of Introduction

In today's digital age, the availability of Politics Of Israel The First Decade Of books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Politics Of Israel The First Decade Of books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Politics Of Israel The First Decade Of books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially

if you need to purchase several of them for educational or professional purposes. By accessing Politics Of Israel The First Decade Of versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Politics Of Israel The First Decade Of books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Politics Of Israel The First Decade Of books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Politics Of Israel The First Decade Of books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Politics Of Israel The First Decade Of books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Politics Of Israel The First Decade Of books and manuals for download and embark on your journey of knowledge?
