Psalms For Christian Prayer:

When Christians Pray the Psalms Lucien Deiss, 2005

The Psalms are Christian Prayer Thomas Worden, 1961

Praying the Psalms in Christ Laurence Kriegshauser O.S.B., 2009-03-15 Written centuries before Christ the Psalms of the Hebrew Bible have been prayed by Christians since the founding of the Church The early church fathers expounded the psalms in the light of the mystery of Christ his death and resurrection and his saving redemption In this book a Benedictine monk examines the Christian praying of the Psalms taking into account modern and contemporary research on the Psalms Working from the Hebrew text Fr Laurence Kriegshauser offers a verse by verse commentary on each of the one hundred and fifty psalms highlighting poetic features such as imagery rhythm structure and vocabulary as well as theological and spiritual dimensions and the relation of psalms to each other in the smaller collections that make up the whole The book attempts to integrate modern scholarship on the Psalms with the act of prayer and help Christians pray the psalms with greater understanding of their Christological meaning The book contains an introduction a glossary of terms an index of topics a table of English renderings of selected Hebrew words and an index of biblical citations Praying the Psalms in Christ will be welcomed by students of theology and liturgy by priests religious and laypeople who pray the Liturgy of the Hours and by all Christians who seek to pray the Psalms with greater profit and fervor

Praying the Psalms Thomas Merton, 1956

Merton shows us how to draw out the richness of worship from the psalter and to use it to achieve the peace that comes from submission to God's will and from perfect confidence in him Catholic Review Service

Howard Neil Wallace, 2017-07-05 The psalms challenge and sustain us in a number of ways and in times of new challenges to the very fabric of the church to its faith and its values we need to re-examine these ancient prayers and songs This book explores the place and function of the psalms in Christian prayer preaching and worship Examining the dual nature of the psalms as both words to God and word from God the author brings together the historical experience of the church biblical studies and theological reflection to focus on the application of the psalms in contemporary Christian life A number of individual psalms are explored in terms of what they have to say about prayer or what theological issues they raise for contemporary life This book encourages a reclamation of the psalms in the private and public prayers of the church and in the preaching of the word
