Brown, 2018-10 It has been said that children do not come to us with an instruction manual While this may be true I do believe that they come with instructions hardwired into their DNA As parents it is our responsibility to use the gift of parenting to monitor and perceive these instructions and put our children in the right environments to mature them And if we pay close attention there will be subtle advice shared along the way I've long since retired and my son's moved away I called him up just the other day I said I'd like to see you if you don't mind He said I'd love to dad if I could find the time You see my new job's a hassle and the kids have the flu But it's sure nice talking to you dad It's been sure nice talking to you And as I hung up the phone it occurred to me He'd grown up just like me My boy was just like me Sandy Chapin Harry F Chapin I had heard this song so many times but it was not until I had a son that it held meaning for me In raising my son not only did I have to make sure that he became his own man but I also realized that I needed to model the type of man and ultimately the type of father I wanted him to become This song served as a warning *The Get Out Date* therefore was not as much about putting my son out as it was preparing him to be successful once he left *The Single Parent's Guide to Raising Godly Children* Shae Cooke, 2011-07-28 Yes you can raise godly kids Break out of single parent dysfunction junction and have the family of your dreams Your children are destined to be more than kids gone wrong society statistics They have infinite potential to rise far above loneliness rejection dejection depression stigmatized traits and disadvantage Single parented children can make sound choices respect others resist negative pressure and create an uptrend of doing the right thing It starts with your determination to say no to the status quo and your resolve to give new and significant meaning to the term family You will learn how to Pull your family out of the dysfunctional swamp and into whole living Avoid morale decay and raise your child's value quotient Free your child to be a child resurrect his or her hopes and dreams Reduce the impact of negative influence Lead your children to Christ and keep them walking with Him Identify vulnerabilities and deal with the tough stuff kids are into As a single mom currently raising her son author Shae Cooke experiences the parent and child struggle as well as the possibilities every day With wit humor and honest transparency *The Single Parent's Guide to Raising Godly Children* offers practical realistic and proactive suggestions and resources to help relieve the analysis paralysis worry and guilt so often associated with the task of solo child rearing ultimately freeing the family into whole living *The Single Parent's Guide to Raising Godly Children* is the first book in *The Single Parent's Guide Series* **Raising Unselfish Children in a Self-Absorbed World** Jill Rigby, 2008-04 Jill Rigby reveals the dangers of the self esteem parenting philosophy and offers an alternative approach that teaches children to respect both themselves and others from publisher
