Raising Biracial Children:

Raising Biracial Children Kerry Rockquemore, Tracey A. Laszloffy, 2005 As the multiracial population in the United States continues to rise new models for our understanding of mixed race children and how their conception of racial identity must be developed A wide divide between academics who research biracial identity and the everyday world of parents and practitioners who raise and deal with mixed race children exists This book aims to fill this gap by providing an extensive synthesis of the existing research in the field as well as a model for better understanding the unique process of racial identity development for mixed race children Raising Biracial Children provides parents educators social workers and anyone interested in multiracial issues with an accessible framework for understanding healthy mixed race identity development and to translate those findings into practical care giving strategies **Raising Biracial Children** David W. Felder, 2010-01-01

Is that Your Child? Marion Kilson, Florence Ladd, 2009-01-01 In their book Is That Your Child Mothers Talk about Rearing Biracial Children Kilson and Ladd explore the challenges that mothers of biracial children encounter Although the literature on biracial Americans has expanded in the last twenty years Kilson and Ladd s book is unique in focusing on the experiences of a heterogeneous set of black and white mothers of different generations and socioeconomic circumstances

Interracial Families George Alan Yancey, Richard Lewis, Jr., 2009-01-07 Are your undergraduate students interested in such topics as interracial dating marriage multiracial identity transracial adoption and related issues If so this is the perfect short text to assign in your course **Beyond Black** Kerry Ann Rockquemore, David L. Brunsma, 2008 The urgent debate over a multiracial category in the 2000 census forced the nation to reflect upon the important questions of what it means to construct and maintain a racial identity Using in depth interviews and survey data Beyond Black documents how biracial

people develop many different racial identities and how these self understandings are derived from historical and contemporary social cultural interactional and psychological processes **Raising Multiracial Children** Farzana Nayani, 2020-04-28 The essential guide to parenting multiracial and multiethnic children of all ages and learning to support and celebrate their multiracial identities In a world where people are more likely to proclaim color blindness than talk openly about race how can we truly value support and celebrate our kids identities How can we assess our own sense of Racial Dialogue Readiness and develop a deeper understanding of the issues facing multiracial children today Raising Multiracial Children gives caregivers the tools for exploring race with their children offering practical guidance on how to initiate conversations consciously foster racial identity development discuss issues like microaggressions intersectionality and privilege and intentionally cultivate a sense of belonging It provides an overview of key issues and current topics relevant to raising multiracial children and offers strategies and developmentally appropriate milestones from infancy through adulthood The book ends with resources and references for further learning and exploration *The Biracial and Multiracial Student Experience* Bonnie M. Davis, 2009-08-11 Provides strategies for teaching biracial and multiracial students and deepens

readers understanding of race ethnicity and the development of racial identities *I'm Chocolate, You're Vanilla* Marguerite A. Wright,2000 **The Colors of Love** Kimberly Hohman,2002-10-01 People of different races have been falling in love for centuries but it has only been in the last 30 years that interracial relationships have become acceptable in American society not to mention by local police This book addresses the problems facing interracial couples from a black perspective From interracial dating to marriage and child rearing it talks frankly about racism and discrimination deals with the disapproval of relatives discusses the challenges of blending cultures and traditions at home and celebrates the richness that an interracial relationship offers Based on interviews with hundreds of biracial couples this invaluable savvy handbook will help black Americans navigate the challenges of having a white partner **Biracial Families** Roudi Nazarinia Roy,Alethea Rollins,2018-12-12 This interdisciplinary volume surveys the diverse experiences of biracial families both across and outside the black white binary The book examines the deep rooted social contexts that inform the lifespan of interracial families from dating and marriage through the stages of parenthood as well as families unique responses and realities Through a variety of structures and settings including blended and adoptive families contributors describe families strengths and resilience in meeting multiple personal and larger social challenges The intricacies of parenting and family development are also revealed as an ongoing learning process as parents and children construct identity culture and meaning Among the topics covered Social constitutionality of race in America some meanings for biracial multiracial families Interracial marriages historical and contemporary trends Racial socialization a developmental perspective Biracial families formed through adoption Diverse family structures within biracial families Racial identity choices context and consequences Addressing lingering gaps in the existing literature and highlighting areas for future study **Biracial Families** gives readers a fuller understanding of a growing and diversifying population Its depth and breadth of coverage makes the book an invaluable reference not only for practitioners and researchers but also for educators and interracial families across the spectrum **Handbook of Race, Racism, and the Developing Child** Stephen M. Quintana,Clark McKown,2008-07-10 Filling a critical void in the literature *Race Racism and the Developing Child* provides an important source of information for researchers psychologists and students on the recent advances in the unique developmental and social features of race and racism in children s lives Thorough and accessible this timely reference draws on an international collection of experts and scholars representing the breadth of perspectives theoretical traditions and empirical approaches in this field Multiracial Identity in Children's Literature Amina Chaudhri,2017-02-10 Racially mixed children make up the fastest growing youth demographic in the U S and teachers of diverse populations need to be mindful in selecting literature that their students can identify with This volume explores how books for elementary school students depict and reflect multiracial experiences through text and images Chaudhri examines contemporary children s literature to demonstrate the role these books play in perpetuating and resisting stereotypes and the ways in which they might influence their readers Through critical analysis of contemporary

children's fiction Chaudhri highlights the connections between context literature and personal experience to deepen our understanding of how children's books treat multiracial identity *Does Anybody Else Look Like Me?* Donna Jackson Nakazawa, 2003-06-18 This psychologically wise guide provides advice for helping ethnically mixed kids develop confidence and an understanding of their uniqueness Red and Yellow, Black and Brown Joanne L. Rondilla, Rudy P. Guevarra, Paul Spickard, 2017-07-03 Red and Yellow Black and Brown gathers together life stories and analysis by twelve contributors who express and seek to understand the often very different dynamics that exist for mixed race people who are not part white The chapters focus on the social psychological and political situations of mixed race people who have links to two or more peoples of color Chinese and Mexican Asian and Black Native American and African American South Asian and Filipino Black and Latino a and so on Red and Yellow Black and Brown addresses questions surrounding the meanings and communication of racial identities in dual or multiple minority situations and the editors highlight the theoretical implications of this fresh approach to racial studies The Mechanisms of Racialization Beyond the Black/White Binary Bianca Gonzalez-Sobrino, Devon R. Goss, 2020-05-21 This book focuses on the mechanisms that undergird the operation of racialization and works to empirically define the specific mechanisms by which racialization outside of black white paradigm operates The contributors highlight the advantages and benefits of using case studies from outside of the black white racial boundary in the social scientific study of racism racial identity racial meaning and racial representation Their contributions can be grouped into three specific areas of focus the investigation of the relationship between racialization and the state the interplay between racialization and identities and the role of racialization in the media Taken together the book lays out a roadmap for future study of racialization and the study of race beyond the racial categories of black and white Serving as a guiding point to future research this book will be of interest to all scholars of race and those seeking to understand the ideologies actions interactions structures and social practices associated with racialization This book was originally published as a special issue of Ethnic and Racial Studies *Doing Therapy with Intercultural Couples* Sunita Noronha, 2022-04-28 Marital concord between couples from different racial and ethnic backgrounds is an issue that needs serious attention to bridge the vast chasms America welcomes people from all over the world People of all religions and ethnic backgrounds come here to study and migrants arrive here to work Interracial marriages are common but the radically different background of each couple can create discords and prove to be bumps on the highway of conjugal life This can have serious repercussions on the offspring and on the couple and their lives as well This book seeks to investigate how cultural realities can be addressed within intercultural premarital couples counseling Using a cultural focus approach couples stories around their particular culture and relationship were analyzed Themes related to relationship family and social ties and parenting bi cultural and bi racial children were examined Issues of religious and social influence money race ethnicity extended family immigration and biases in family of origin are explored as are roles and responsibilities communication respect trust and

gender stereotyping The book adopts a pastoral theological approach in working towards a deeper understanding of premarital relationships of partners who represent cultural difference and diversity In conclusion recommendations to therapists and care givers for counseling intercultural couples are made Handbook of Research on Educational Leadership for Equity and Diversity Linda C. Tillman,James Joseph Scheurich,2013-08-21 The rapid growth of diversity within U S schooling and the heightened attention to the lack of equity in student achievement school completion and postsecondary attendance has made equity and diversity two of the principle issues in education educational leadership and educational leadership research The Handbook of Research on Educational Leadership for Equity and Diversity is the first research based handbook that comprehensively addresses the broad diversity in U S schools by race ethnicity culture language gender disability sexual identity and class The Handbook both highly values the critically important strengths and assets that diversity brings to the United States and its schools yet at the same time candidly critiques the destructive deficit thinking biases and prejudices that undermine school success for many groups of students Well known chapter authors explore diversity and related inequities in schools and the achievement problems these issues present to school leaders Each chapter reviews theoretical and empirical evidence of these inequities and provides research based recommendations for practice and for future research Celebrating the broad diversity in U S schools the Handbook of Research on Educational Leadership for Equity and Diversity critiques the inequities connected to that diversity and provides evidence based practices to promote student success for all children **Mixed-Race Youth and Schooling** Sandra Winn Tutwiler,2016-01-29 This timely in depth examination of the educational experiences and needs of mixed race children the fifth minority focuses on the four contexts that primarily influence learning and development the family school community and society at large The book provides foundational historical social political and psychological information about mixed race children and looks closely at their experiences in schools their identity formation and how schools can be made more supportive of their development and learning needs Moving away from an essentialist discussion of mixed race children a wide variety of research is included Life and schooling experiences of mixed raced individuals are profiled throughout the text Rather than pigeonholing children into a neat box of descriptions or providing readymade prescriptions for educators Mixed Race Youth and Schooling offers information and encourages teachers to critically reflect on how it is relevant to and helpful in their teaching learning contexts *According to Our Hearts* Angela Onwuachi-Willig,2013-06-25 div This landmark book looks at what it means to be a multiracial couple in the United States today The book begins with a 1925 court case and shows how almost a century later our society has yet come to terms with interracial marriage DIV *What about the Children?* Nicole Dooley,2025-02-18 Multiracial identity brings both gifts and challenges for kids and their parents Beyond questions about skin tone and other physical characteristics children may wonder where they fit in the world and why people treat them differently Parents may find themselves ill equipped for situations they never faced in their own childhoods What about the Children deftly provides

families formed by interracial marriage or transracial adoption with the guidance and tools they need to help their children embrace celebrate and confidently navigate all parts of their heritage Author Nicole Doyley shares the challenges of growing up biracial without much guidance for navigating her Black and white worlds as well as the intentionality with which she and her Jamaican husband raise their children Drawing on a wealth of personal anecdotes expert insights and practical advice she illuminates five core values to help multiracial families thrive From raising one s own awareness of cultural differences to humbly seeking a diverse community of support to honestly preparing children for specific aspects of racism What about the Children covers both the basics and nuances of raising children with a sense of pride in their heritage and a strong resilient sense of self Each chapter includes examples featuring families of various multiracial makeups questions for readers to reflect on and suggestions of age appropriate action steps
