**Raise Winning Kids without a Fight** William H. Hughes, 2009-10-15 This guide offers parents fresh perspectives and simple skills to encourage good behavior in children and reduce stress for the entire family Emphasizing personal choice free will and dispassionate parent child interactions Dr William H Hughes s step by step approach has been developed tested and proven to work time and again by child

psychiatrists Dr Hughes demonstrates how parents must allow their children to decide for themselves whether they will cooperate and how they will act Effective parenting builds character and increases self confidence Here kids learn that they can choose to behave and be rewarded for it Dr Hughes recommends that parents Set expectations Make clear what the expected behavior is whether it s doing homework or taking out the trash Monitor behavior Keep an eye on what children are supposed to be doing but let them decide for themselves whether they will complete the task Reward Verbally praise good behavior and offer kids a reward Let them play video games for an hour or invite a friend to a sleepover Many parents are convinced that reward systems simply do not work Dr Hughes explains why his approach gets the desired results while other approaches do not By not engaging in power struggles and giving rewards only when expectations have been met parents teach their kids that in choosing good behavior they are choosing rewards and rewards will motivate kids to act better Dr Hughes also outlines a clear strategy for dealing with kids who just won t take no for an answer The book encourages parents to modify their own behavior teaching them to shift their focus away from battling with their kids and to use their energy to help their children develop winning habits and attitudes for life      **SuperBaby** Jenn Mann,2010-09-07 The first three years of life are the most important for nurturing a childs full potential thats when they start forming attachments developing a sense of self and learning to trust During this time there are critical windows of opportunity that parents can take advantage of if they know how In a dozen succinct yet information packed chapters award winning columnist and professional therapist Dr Jenn Berman gives parents the knowledge they need Her enlightening sidebars bulleted lists and concrete easy to use strategies will help parents raise happy healthy babies who grow to be flourishing toddlers and successful adults      Twins 101 Khanh-Van Le-Bucklin,2008-11-03 A must read for expectant or multitasking mothers of multiples by an academic pediatrician and mother of twins Twins 101 provides practical tips and wise words in a readable style that fits into the fast pace of these mothers lives Theodore Sectish MD associate professor of pediatrics Harvard Medical School program director Children s Hospital Boston Dr Le Bucklin s new parenting book is the first by a pediatrician who is also a mother of twins No other pregnancy and parenting book for multiples offers this unique and much needed perspective Twins 101 features practical advice and well researched information in an easy to read format From maintaining a healthy twin pregnancy to meeting the daily challenge of caring for twins Twin 101 guides families through each stage with insightful tips practical advice useful resources and inspirational stories
