#### Raising Children Who Refuse To Be Raised:

Raising Children who Refuse to be Raised Dave Ziegler, 2000 **How to Raise Children for Christ** Andrew Murray, 2016-11-01 I will put my trust in Him Behold I and the children which God has given me Hebrews 2 13 This book is different from most books on raising children It is a plea for the parents to truly know and walk with God for them to love God and His Word In the correct order focusing first on the parents Andrew Murray then urges parents to sincerely and consistently love their children and in all tenderness and gentleness teach them as God also teaches us Children are a most precious gift that we receive from God and they deserve our very best Our faithful training will not be lost on our children this is a promise found over again in the Scriptures If our hearts are right towards God and our children the world s influence will not impact our children We can and must exercise faith so our children and our children s children will be able to impact the world for Christ and inherit eternal blessings A few of the parenting topics covered in this book What sin did to the family and how to redeem that which was lost The distinct and also shared roles of fathers and mothers How and why to teach children manners How to show children the Scriptures in a way that takes root in the heart How to teach with a quiet gentle spirit as God teaches us How to intercede effectively in prayer for our children 15 KEYS TO RAISE CHILDREN IN THE DIGITAL WORLD: A practical guide for parents Akila Yahiaoui, 2023-04-01 15 Keys to Raise Children in the Digital World is an essential guidebook that equips parents with practical strategies and expert advice to navigate the challenges of raising children in the digital age Written by a renowned parenting expert this comprehensive book provides a wealth of knowledge personal experiences and scientific evidence to empower parents in fostering a healthy and balanced relationship between their children and technology Part 1 of the book sets the stage by addressing why this book is crucial and identifies the target audience It emphasizes the need for parents to understand the digital world and its impact on children's development making it a must read for parents seeking guidance and insights in this evolving landscape In Part 2 the author shares experiences from real parents highlighting case studies that resonate with the challenges faced in the digital era Through personal stories ranging from addiction to autism electricity in the hands to bad posture readers gain a deeper understanding of the consequences of excessive screen time and the importance of effective parenting strategies Part 3 explores the scientific evidence and observations behind children's interactions with technology Topics covered include human interactions and emotional well being the uses of screens multitasking neurological changes smartphone associated illnesses impacts of video games and autism By combining research findings and expert insights the author provides a comprehensive understanding of the effects of digital devices on children's development The core of the book lies in Part 4 which outlines the 15 essential keys for raising children in the digital world Each key is thoroughly explored offering practical advice and actionable strategies From cultivating parental patience and promoting healthy eating habits to encouraging good hygiene and restful sleep parents will discover a comprehensive toolkit to foster their children's overall well being The keys also cover topics

such as sitting well boosting self esteem developing focus emotional management family time online safety appropriate language usage academic achievement encouraging other activities and setting screen time limits for different age groups The book even provides an example of game alternatives without screens showcasing creative ways to engage children away from digital devices The book concludes with a compelling summary in the conclusion section ensuring readers grasp the key takeaways and a bibliography that serves as a valuable resource for further exploration 15 Keys to Raise Children in the Digital World is a must have resource for parents seeking to strike a balance between the benefits and potential pitfalls of technology With its insightful content and practical strategies this book empowers parents to create a nurturing environment and guide their children toward a healthy and well rounded upbringing in the digital era Keywords raising children digital world parenting screen time limits emotional management online safety academic achievement family time technology balanced upbringing Raise Winning Kids without a Fight William H. Hughes, 2009-10-15 This guide offers parents fresh perspectives and simple skills to encourage good behavior in children and reduce stress for the entire family Emphasizing personal choice free will and dispassionate parent child interactions Dr William H Hughes s step by step approach has been developed tested and proven to work time and again by child psychiatrists Dr Hughes demonstrates how parents must allow their children to decide for themselves whether they will cooperate and how they will act Effective parenting builds character and increases self confidence Here kids learn that they can choose to behave and be rewarded for it Dr Hughes recommends that parents Set expectations Make clear what the expected behavior is whether it s doing homework or taking out the trash Monitor behavior Keep an eye on what children are supposed to be doing but let them decide for themselves whether they will complete the task Reward Verbally praise good behavior and offer kids a reward Let them play video games for an hour or invite a friend to a sleepover Many parents are convinced that reward systems simply do not work Dr Hughes explains why his approach gets the desired results while other approaches do not By not engaging in power struggles and giving rewards only when expectations have been met parents teach their kids that in choosing good behavior they are choosing rewards and rewards will motivate kids to act better Dr Hughes also outlines a clear strategy for dealing with kids who just won t take no for an answer The book encourages parents to modify their own behavior teaching them to shift their focus away from battling with their kids and to use their energy to help their children develop winning How to Raise an Abel When the World Is Raising Cain Keith D.
