Raising Multilingual Children Tracey Tokuhama-Espinosa, 2001

Bilingual Siblings Suzanne Barron-Hauwaert, 2011-01-13 How do bilingual brothers and sisters talk to each other Sibling language use is an uncharted area in studies of bilingualism From a perspective of independent researcher and parent of three bilingual children Suzanne Barron Hauwaert discusses the issues of a growing bilingual or multilingual family What happens when there are two or more children at different stages of language development Do all the siblings speak the same languages Which language s do the siblings prefer to speak together Could one child refuse to speak one language while another child is fluently bilingual How do the factors of birth order personality or family size interact in language production With data from over 100 international families this book investigates the reality of family life with two or more children and languages

[The Bilingual Family](#) Edith Esch, Philip Riley, 2003-03-27 An up to date accessible guide for parents of bilingual children

Early Trilingualism Julia D. Barnes, 2006 The book describes how a trilingual child in the Basque Country where Spanish and Basque are the languages of the community is able to successfully acquire English at home through interaction with her mother It focuses on her acquisition of the form and function of English questions

7 Steps to Raising a Bilingual Child Naomi Steiner, Susan Hayes, Steven Parker, 2008-11-13 Find out why early childhood is the best time to teach your child a second language and learn how to do it with this step by step guide The best time to learn a second language is as a child During childhood the brain is more receptive to language learning than at any other time in life Aware that a second language can enrich their child s understanding of other cultures and bring future job opportunities in a world drawn ever closer by globalization many parents today are motivated to raise their children bilingual 7 Steps to Raising a Bilingual Child helps parents in both monolingual and multilingual families determine and achieve their bilingual goals for their child whether those goals are understanding others the ability to speak a second language reading and or writing in two languages or some combination of all of these The authors will explain how the brain learns more than one language explode common myths address frequently asked questions and reveal an array of resources available to families Packed with insightful anecdotes and powerful strategies 7 Steps to Raising a Bilingual Child is a one of a kind guidebook for those seeking to provide their children with a uniquely valuable experience

[Language Strategies for Trilingual Families](#) Andreas Braun, Tony Cline, 2014-02-03 This book aims to enable parents in trilingual families to consider possible language strategies on the basis of analysing their individual circumstances It includes a tool for diagnostic self analysis that will help each reader to identify their situation and learn how parents in similar situations have approached the task of supporting their children s use of languages Based on a unique survey of parents in trilingual families in two European countries the book highlights the challenges that trilingual families face when living in mainly monolingual societies It takes into account the recent emergence of a New Trilingualism among educated parents who find themselves in

trilingual families because of global trends in migration and the recent expansion of the EU *Language Strategies for Bilingual Families* Suzanne Barron-Hauwaert, 2004-05-27 Lots of new parents these days have the opportunity to bring up their child with two or more languages because of increasing job mobility and the global community The benefits of bilingualism and biculturalism such as higher cognitive skills an awareness of language and sensitivity to other cultures are being increasingly recognised However many parents don't know how to start what methods to use or where to seek help when facing problems Now Suzanne Barron Hauwaert a mother of three trilingual children teacher and linguist who has lived and worked all over the world has written a book which provides an inspiring approach to passing on two or more languages to your children In *Language Strategies for Bilingual Families* she considers several methods of bilingualism and focuses on the one person one language approach in which each parent speaks his or her native language and is responsible for passing on his or her culture Suzanne questioned over a hundred bilingual families about their experiences and she interviewed thirty families in depth The results of her study are linked to current academic research but the book is both readable and relevant to non academics and provides fascinating insights into being a multilingual family It will prove an exciting and stimulating read for potential and current mixed language families [Multilingualism in Its Multiple Dimensions](#) Mimi Yang, 2024-12-19 Most people across the globe are bilingual trilingual or simply polyglots This book engages in an interdisciplinary and intercultural approach to 21st century multilingualism not only as a linguistic phenomenon but also as a perpetual ever changing human condition in an interconnected and digital age It maps out how languages interact with one another in power dynamics identity formations cultural preservations teaching pedagogies and empirical applications Across the globe the chapter authors examine multilingualism from African East South Asian European Latin American Middle Eastern and North American contexts The book invites readers to engage in multilingualism in a macro universe as well as in a particular micro realm **Multilingualism and Applied Comparative Linguistics (Volume II)** Frank Boers, Jeroen Darquennes, Koen Kerremans, 2009-10-02 In February 2006 the first international conference on Multilingualism and Applied Comparative Linguistics MACL was held in Brussels Belgium The aim of the MACL conference was to bring together scholars from various branches of applied linguistics with a shared interest in cross linguistic and cross cultural communication The conference thus fostered an exchange of knowledge and expertise among researchers from various disciplines including educational linguistics cultural linguistics terminography translation studies and studies of specialised languages The present book is the second of two volumes containing a selection from the approximately 120 papers that were presented at that three day event The book comprises five chapters reflecting different research perspectives on cross linguistic and cross cultural communication The first chapter covers research articles on metaphors and planned languages The second chapter comprises articles dealing with language attitudes language proficiency and language practices in cross linguistic and cross cultural communicative contexts Chapter three features
