Raising Raul:

Raising Raul Maria Hinojosa, 1999 But with the birth of her first son Raul she began to discover the meaning of what really matters **BOOK JACKET** **Stronghold** Nicki Bennett, Ariel Tachna, 2016-11-28 All for Love Book Three Are you surprised that strength is drawn to strength For the last six years the gypsy healer Ra l has lived a life he never dreamed possible Gerrard Hawkins has stood at his side his love a source of silent strength like nothing Ra l has ever known When a letter from Gerrard s estranged father forces them in separate directions Gerrard back to England to make peace with his family and Ra l to Saintes Maries de la Mer for his annual pilgrimage Ra l expects to suffer for their parting but he holds on to their plans to meet again in France when Gerrard has satisfied his father s demands Gerrard left England never expecting to return especially after he pledged his life and love to Ra l Yet he cannot dismiss his father s offer of peace without some acknowledgment When he arrives in England to find tragedy his sense of duty toward his family s tenants wars with his promises to Ra l As tensions mount and illness spreads in France Ra l stands as a bastion of hope but his strength is not limitless Gerrard is the rock he leans on and without that strength Gerrard s arrival in France may come too late *God Above* Duane Andry, 2011-12-02 It is said that space is the final frontier but there is another In many ways the two are related Mankind on earth has yet to fully explore the actual final frontier Indeed mankind does not fully realize that it truly exists Mankind is content with postponing the evaluation of this frontier but the frontier is about to come to man and introduce itself Its initial introduction came to the human Andre As a result of the introduction of a new kind of reality Andre has embraced this reality and he is about to embark on a journey into the true final frontier This frontier is beyond space and even beyond time Andre has opened his mind to a quest that will only be completed when he is introduced to the God Above Accompanying Andre is a select group of individuals from two different worlds Their assignment is to merge the best from these two worlds with a mysterious mix of another somewhat mystical component that is not of either one This is the quest that will take him to a point that is Beyond Reality **The Last Best Place?** Leah Schmalzbauer, 2014-08-27 Southwest Montana is beautiful country evoking mythologies of freedom and escape long associated with the West Partly because of its burgeoning presence in popular culture film and literature including William Kittredge s anthology *The Last Best Place* the scarcely populated region has witnessed an influx of wealthy white migrants over the last few decades But another largely invisible and unstudied type of migration is also present Though Mexican migrants have worked on Montana s ranches and farms since the 1920s increasing numbers of migrant families both documented and undocumented are moving to the area to support its growing construction and service sectors *The Last Best Place* asks us to consider the multiple racial and class related barriers that Mexican migrants must negotiate in the unique context of Montana s rural gentrification These daily life struggles and inter group power dynamics are deftly examined through extensive interviews and ethnography as are the ways gender structures inequalities within migrant families and communities But Leah Schmalzbauer s research extends

even farther to highlight the power of place and demonstrate how Montana's geography and rurality intersect with race class gender family illegality and transnationalism to affect migrants well being and aspirations Though the New West is just one among many new destinations it forces us to recognize that the geographic subjectivities and intricacies of these destinations must be taken into account to understand the full complexity of migrant life Forged for Destiny Andrew Knighton, 2025-04-15 Raul has a destiny claim his birthright as the last surviving heir of King Balbainus and lead his conquered people to freedom The signs are all there his birthmark in the shape of Balbainus halfmoon and dagger sigil the gemstone hilted sword he found in his parents inn and the sudden influx of illegal books featuring the late king's lineage Nevermind that his ma is a hidden scribe writing a play about Balbainus return or that his da a hardened warrior has been training him to fight since he could stand Or the fact that his sword doesn't seem very old at all he feels much more comfortable reading than fighting and his birthmark is looking more and more like a burn scar As Raul leaves his simple village life to start a rebellion against the tyrannical Dunholmi government he begins to wonder if his destiny is more someone else's plan for a future he doesn't want to be a part of He'll go along with things for now if only to prove that change can come from kindness instead of outright destruction After all destiny is what you make of it *Latino Writers and Journalists* Jamie Martinez Wood, 2014-05-14 Provides short biographies of Latino American writers and journalists and information on their works Pirate Barbarian Tasha Temple, 2013-10-13 Jolene Winston's brief and formal courtship with Raul Vasco a wealthy Portuguese ship captain leaves her destined for marriage with a man she scarcely knows Raul reluctantly agrees to let Jolene travel on his sailing vessel to their new home in Africa but quickly reveals his dark and abusive nature when she displeases him When Raul's ship is attacked by ruthless pirates the barbarian leader Kai seizes the ship's precious cargo the rum and Jolene Jolene learns to survive and even thrive on the pirate ship discovering raw and fiery passion with Kai as she battles her way through unspeakable terrors The fierce and handsome pirate captain is captivated by Jolene's beauty and spirit although her mere presence threatens to distract him from his quest to remedy a wrong committed long ago This epic saga of dramatic adventure and romance will hold you spellbound as Captain Kai leads his ship and crew through supernatural perils to fulfill his lifelong mission Raul plots and exacts his revenge and Jolene discovers untold love and ecstasy when she least expects it *Critical Incidents in Counselor Education* Jacqueline M. Black Dahlia Tiffany Patterson , Love wasn't for me until I needed his protection I swore that I would never fall in love Not after I watched my publicly devout father privately cheat on my mother for decades My aim in life was to enjoy it working as an assistant principal by day and performing as a burlesque dancer at night Not even when the sexy and charming Raul Santiago walks into my life am I tempted to unlock my heart But I am willing to spend the night with him Unfortunately that plan goes awry when Raul proves to be a liar However when trouble arises and someone makes me the center of their obsession Raul ends up being the one person I can rely on for protection And with days spent in Raul's home him teaching me about his Brazilian heritage and nights with him watching over me at each of my performances the wall around my heart starts to crumble Yet will Raul's protection be enough Because the person after me is determined to go right through him to get to me
