Ransom My Heart:

Ransom My Heart Meg Cabot, 2009 YA When beautiful spirited Finnula Crais kidnaps the dashing knight Hugh Fitzstephen she has no idea that she's ensnared the new Earl of Stephensgate on his way home from the Crusades Nor does she realise that Hugh is quite happy to be kidnapped by an enchanting tomboy and will do anything it takes to avoid being rescued With Finnula determined to hold Hugh to ransom and Hugh equally determined to steal Finnula's heart it isn't long before the fireworks start And just when it looks as if there might be a happy ending disaster strikes When an attempt is made on the new Earl's life there is only one suspect and even if he loves her dearly Hugh can't let her get away with it

Ransom My Heart, 2010 *A Collection of Hymns for the use of those that seek and those that have redemption in the Blood of Christ. [The preface signed: I. A., C. B. &c., i.e. James Allen, Christopher Batty, etc.]* I. A., James ALLEN (Inghamite Minister.), 1757 *Scouts* Shannon Greenland, 2019-07-23 Stranger Things meets The Goonies in this suspenseful yet heartwarming adventure story about kids who set out to find a crashed meteor but find mystery and danger instead as their friendships begin to fracture Annie Beans Rocky and Fynn are the Scouts best friends who do everything together It's 1985 and the summer before seventh grade is just beginning The Scouts decide to secretly climb Old Man Basinger's silo to watch a meteor shower and when one meteor seems to crash nearby the Scouts know they have to set out on their next adventure and find it But their fun overnight jaunt through the woods soon takes a turn for the worst when they discover a series of disturbing clues about the meteor and suddenly find themselves on the run from the wild violent Mason clan Bonds are tested when new kids join their adventure and the group's true feelings are revealed Will the Scouts survive this journey together or will their unbreakable friendships prove vulnerable after all New Critical Nostalgia Christopher Rovee, 2024-01-02 New Critical Nostalgia weighs the future of literary study by reassessing its past It tracks today's impassioned debates about method back to the discipline's early professional era when an unprecedented makeover of American higher education with far reaching social consequences resulted in what we might call our first crisis of academic life Rovee probes literary study's nostalgic attachments to this past by recasting an essential episode in the historiography of English the vigorous rejection of romanticism by American New Critics in the new light of the American university's tectonic growth In the process he demonstrates literary study's profound investment in romanticism and reveals the romantic lyric's special affect nostalgia as having been part of English's professional identity all along New Critical Nostalgia meticulously shows what is lost in reducing mid century American criticism and the intense quirky and unpredictable writings of central figures such as Cleanth Brooks Josephine Miles and W K Wimsatt to a glib monolith of New Critical anti romanticism In Rovee's historically rich account grounded in analysis of critical texts and enlivened by archival study readers discover John Crowe Ransom's and William Wordsworth's shared existential nostalgia witness the demolition of the immature Percy Shelley in the revolutionary textbook *Understanding Poetry* explore the classroom give and take prompted by the close reading of John Keats consider

the strange ambivalence toward Lord Byron on the part of formalist critics and romantic scholars alike and encounter the strikingly contemporary quantitative studies by one of the mid century s preeminent poetry scholars Josephine Miles These complex and enthralling engagements with the romantic lyric introduce the reader to a dynamic intellectual milieu in which professionals with varying methodological commitments from New Critics to computationalists working in radically different academic locales from Nashville and New Haven to Baton Rouge and Berkeley wrangled over what it means to read with nothing less than the future of the discipline at stake

Almodovar,2022-03-18 It is said that Jaroslav Jan Pelikan a leading scholar in the history of Christianity and Sterling Prof Everett of history at Yale University on his deathbed confessed this If Christ has not risen from the dead nothing else matters If Christ has risen from the dead nothing else matters I came across this quote in my research for the Apologetics Together courses that I offer on social media and was immediately awed at its profound implications Indeed if Jesus has not risen we must agree with Saint Paul that the world remains in their sins and are eternally lost However since Jesus has risen those who have placed their trust in him are assured of salvation and eternal life This book looks at the prophecies and fulfillment in the Scriptures which assure us that he who died on the cross at Calvary rose again on the third day for our justification
