Ransomed Wait:

The Land of the Promise A. B. Simpson, 1996-01-01 A B Simpson uses two Old Testament examples in The Land of Promise to show the Christian that the path to sanctification is invariably full of pitfalls and that the final journey is our worth the struggle to claim the inheritance The Land of Promise both guides and gives hope for that which is yet to come for the Christian as A B Simpson helps us to understand the blueprint for our life of faith A B Simpson uses The Land of Promise as an attempt to open the eyes of the follower to see that God has a whole plan for them for them already laid out The church needs to understand that its eyes need opened And that the Lord is to be asked for our full rights to redemption in Christ Each chapter in the book The Land of Promise describes a phrase in the process of claiming our Christian heritage using Moses and Joshua as examples from their looking over to their entering into and taking possession of the land of Canaan A B Simpson once again uses metaphor and example of biblical imagery to take us into a heavenly discussion of sanctification

Encyclopedia of the Harlem Renaissance Aberjhani, Sandra L. West, 2003 Presents articles on the period known as the Harlem Renaissance during which African American artists poets writers thinkers and musicians flourished in Harlem New York Public Hostage Public Ransom William Bronston M.D., 2021-10-22 Public Hostage Public Ransom starts with the autobiographical story of William Bronston the activist physician whose early professional California training steels him with a deep moral professional and cultural bond to the huge 6000 person disabled population he encounters incarcerated in Willowbrook State School in Staten Island NY on whose behalf he daily battles to humanize and ultimately catalyze a Federal Class Action Lawsuit against the state to close the deathmaking institution Prior to the expose of Willowbrook no small individualized community living arrangements existed across New York state in lieu of 30 massive state institutions Medicaid funded these institutions warehoused the different population imposed on their stricken families Having been closed to admission by public scandal and impossible overcrowding families were blackmailed to have their dependent member submit to secret viral research whose impact was completely unknown where rampant disease gruesome sanitation lack of adequate food clothing carloads of tranquilizing medicine and the most minimal care and supervision was the brutal norm Ultimately concerned parents caring workers top child development leaders in the field local and national media were organized to expose and address the bureaucratic evil and ubiquitous violence that dominated the wretched lives inside This passionate book documents the immense drama and story arc of the public mobilization media expose and Federal judicial process

Bronston helped arouse that forged the path to what ultimately becomes the legal conviction for this systemic human abuse and Justice Ruth Ginsburg's subsequent monumental Supreme Court Olmstead Decision that framed the rightful foundation for nationwide deinstitutional reform. Dr. Bronston draws the clear line to indict the self-serving State bureaucracy and the strategic rationale to end Title 19 of the Social Security Act, the Medicaid system in order to heal the deep societal wound that the nursing home and assisted living industry, the segregated norm that compels our universal commoditized and paradigmatic terminus. The human rights movement in America has transformed the lives of all people with special needs as new politics, technology, and a profound awareness of the dehumanization of this vast community reached a zenith in the late 1960s and 1970s. It leads to the passage of the Americans with Disabilities Act that emancipated the devalued and stigmatized populations of labeled people including Mental Retardation, Cerebral palsy, Autism, Epilepsy, Polio, sensory loss, neuromuscular degenerative conditions, on and on public hostages who now age to become society's elders, consigned again to profit-driven, segregated and congregate institutional lives funded by Medicaid's billions. America's public ransom – us, an artificially created domestic refugee population torn from every community and devastating America's families – has become an accepted paradigm that Dr. Bronston's story intimately charts and passionately indicts. Universal, expanded and improved Medicare for all, single-payer health care is the clear solution and ultimate antidote to this crime against humanity we numbly tolerate. The shocking horrors of Willowbrook State School have been exposed and will never be forgotten. In Doctor William Bronston's defining book *Public Hostage: Public Ransom: Ending Institutional America*, he takes on all of America's institutions, the segregated nursing home industry that have not learned the lesson of the tragedy of Willowbrook. His muckraking efforts remind one of a latter-day Lincoln Steffens, Ida Tarbell, or Jacob Riis. His book is a scathing reminder of all we still have to do to build a sympathetic and just world for the many who are unable to find it for themselves. Jonathan Sanger, American Film Producer, *The Elephant Man*. *Ransom* Michele Poague, 2013-05-09. As *The Healing Crystal Trilogy* comes to a close, spring has finally come to the high mountains. As winter releases its grip, the small band of Survin refugees is violently divided. When three unique worlds collide, cultures change forever as traditions and rituals are swept aside. While faith crumbles for one, another's is renewed. The gulf between these worlds may prove insurmountable. Young Kinter, lost in the shadow of her sister, fights for her own power. As she maneuvers to seize the crystal and displace Kairma, as the heir Kinter's future hangs by a thread, Collin Kairma's lifelong friend discovers he may be forever barred from Kairma by the evil carried in her blood, unless the power of the Crystal can be realized. Bearing the weight of the most powerful object known to mankind, Kairma has an impossible choice to make: return to Survin in ignorance or dare to trust these powerful strangers. When freedom fighter Rand Solis allies himself with young Kairma, they discover that in order to heal the world, both must make sacrifices: friends, religious beliefs, and political philosophies. Great knowledge comes at great cost to the pair as they learn that a political philosophy may be perfect in a given moment but such moments are fleeting. *The Healing Crystal Trilogy* presents a science

fiction epic about lost technology the morality of power and the creation of religious and political philosophy Ransom

Jenna Myles,2024-12-28 My sole focus for the last twenty five years has been taking care of my brothers and building a strong unbreakable family Now they ve all found the women they want to spend their life with I should be thrilled It s exactly what I wanted Except it s exposed the big gaping hole in my life The same hole I put there twenty five years ago when I destroyed the love of my life I blew things up It doesn t matter why I did it the end result is the same She hates me and always will I can t even blame her But I ve never forgotten her and in the time we ve been apart I ve only grown more certain She s it for me I m always the man with the plan I m the big picture guy But when I jump in my car and end up in her small town the only plan I can come back with is Get Blair Back No Matter What Now I just have to hope that she doesn t beat me to death with a wrench before I can apologize

Ransom Hope Shepherd,Jack Shepherd,2024-03-08 Ransom is the true story of one family s six year journey to find an accurate diagnosis and treatment for their son Just before his third birthday Jack Shepherd was taken It s every parent s worst nightmare a child snatched from the periphery of your vigilance When Jack was taken he never left home An overnight extreme behavior and personality change left the family confused and scared A previously well adjusted compliant child Jack began experiencing intense separation anxiety vocal tics fears and shocking aggression As he grew Jack functioned typically for weeks or months at a time before his confusing behaviors and personality change resurfaced with no warning Hope Shepherd knew something was wrong with her son Some professionals told her it was a phase while others not so subtly blamed her Her husband Luke held on to the belief that Jack would grow out of his behaviors but ultimately he too realized something wasn t right Hope researched tirelessly prayed and relied heavily on her faith This story takes readers on a roller coaster journey with one family trying desperately to save their son from an unseen captor Ultimately Ransom is a story of heartbreak hope faith trusting one s instincts and ultimately healing *Ransom*

DRAKE THE COWBOY AND MAISY LOVE Book Six She's full of life and made for adventure He's built from family responsibilities and devotion to commitments The last thing Drake Presley needs is to be attracted to the lavender-eyed beauty with a teasing tongue and no sense of what responsibility means She's a roamer built for leaving Only problem he can't stop thinking about her and despite the fact that they rub each other the wrong way she seems to have decided that it's her all-fired duty to loosen him up Free-spirited Maisy Love is determined to see all fifty states traveling in her refurbished travel trailer as she cooks her way across the country Focused on her internet show On The Road with Maisy Love she's found the perfect place for her next show the Goodnight Caf The fact the place is full of handsome cowboys is an added bonus for her viewers Trouble is she's tangled with a skunk and a handsome cowboy with serious green eyes and her world just turned upside down A relationship is not part of her plans Too bad for her Drake Presley is gorgeous tempting and despite smelling like a skunk he draws her like a bee to honey water Fireworks like never before are shooting off this summer and it's not from the town celebration Can these two opposites come to an agreement on the subject of love

BRICE NOT QUITE LOOKING FOR A FAMILY Book Seven Romance cowboys ranching and wild mustangs the Presley men aka the Cowboys of Ransom Creek will win your heart and have you longing for Texas Don't miss the final book in this satisfying series His family is changing and growing with happily ever afters surrounding Brice Presley He's happy for his brothers and his sister and feeling restless to make a mark on his own future but he's not ready to settle down He's planning to branch out with his own ranch until his plans get derailed when the ranch he's looking to buy is rented out to a spunky beauty and her two children Determined to get the deal done he's not sure how he'll manage buying the property and not coming out the bad

guy Tara Quinn has plans to get her horse business up and running and then to buy the ranch she's leasing. She's hoping her landlord will make her a deal and not counting on the hunky handsome cowboy from across the road wanting to boot her from the property and take it for his own. And she's certainly not counting on the attraction that has them both about as nervous as cats on hot tin roofs. Romance is the last thing she wants, especially with the man she sees as the obstacle between her providing her kids with the future they deserve or starting over again. Love is looking about as likely as a rainstorm in the middle of a Texas drought, but miracles do happen. **The Lafayette Monthly**, 1875 King's Ransom Amelia

Red Carpet Ransom W.F. WALSH, 2014-12-26 Could a major Hollywood star be kidnapped on Oscar night in a drug war of revenge against the United States? Enrique Vega is one of the most notorious drug kingpins in the world and controls a family whose powerbase spreads across Mexico Central and South America. As the godfather is to the mafia, Vega is to the drug world. Cartel Este controls drug trafficking, money laundering, prostitution, and politicians. Vega is powerful and untouchable, so he thought a joint drug task force of United States and Mexican authorities track his movements and strike at the throat of Cartel Este. Vega is arrested and flown to an American military jail to await trial. A new drug war of revenge is unleashed. Special Agent Jake Stein of Homeland Security Investigations ICE is back, and this time he's up against a life and death struggle. Cartel Este keeps turning up the heat and kidnaps a major Hollywood star on Oscar night to hold for ransom until Vega is returned, or the actor will die. The clock is ticking in a life and death race against time in a drug war of revenge.
