Rap to Mars Dr. Oliver Akamnonu, 2012-01-23 *Rap to Mars* a book of poetry satire and prose attempts by words and art to dissect and sift through diverse aspects of the life of man in his quest to assert himself as the king or queen of the universe This is even in spite of mans obvious lapses frailties and entrapment During the course of various attempts sometimes success smiles on man But when failures present themselves arrogant and deceitful man refuses to accept his obvious limitations Often in his ever willing efforts to deceive the more gullible man in his cowardice plays the monkey that uses the cats paws to extract nuts from the fire From a safe distance the minion man details his more gullible fellow men to sacrifice themselves and others in silly and assumed defense of the Almighty Maker The martyr and suicide bomber along with their victims become the willing and unwilling by products But even in spite of his sometimes comical shenanigans man who unsuccessfully plays the angel on Earth remains man and suffers or causes others to suffer the pains arising from a perpetual struggle between the good and the bad as represented in *Rap to Mars* by Earths angels suicide bombers and whores At the end of the day man mere mortal man still finds himself trapped in his self imposed cocoon of a shanty or a mansion In the latter man again plays the elitist parent of a lone child while the downtrodden find their pleasure by doggedly obeying the injunction of increase and multiply *Rap to Mars* is a mixed grill of fun challenges and what the evolving society was what it is and what it should fight hard not to be
