Rape Of Love:

Love in the Hebrew Bible Song-Mi Suzie Park, 2023-05-30 Christians insist that love stands at the heart of who God is Yet when we talk about love in the Hebrew Bible how much do we really know Possessing such a belief alone does not mean that we possess a clear understanding of what love is Are we aware of how often divine and human love are tied up with the idea of preference for one individual or group over another Do we know how often descriptions of love involve questions of power authority and gender Do we see that love is connected to suffering betrayal and sometimes death in the Hebrew Scriptures In Love in the Hebrew Bible one of the first book length studies of its kind Suzie Park provides fascinating and essential insights into these questions refreshing our understanding of the meaning of love in the Hebrew Bible Pushing against characterizations of the loving God of the New Testament narrative universe versus the wrathful God of the Old Testament Park shows that love is integral to the ways in which relationships both among people and also between humanity and God are imagined in the Hebrew text Reflecting matrices of meaning and associations love thus is a vital component of the ideology and theology of the Hebrew Scriptures and an understanding of it remains fundamental to our knowledge of the biblical text

Greek and Latin Love Thea S. Thorsen, Iris Brecke, Stephen Harrison, 2021-09-07 It is often claimed that the kind of love that is variously deemed romantic or true did not exist in antiquity Yet ancient literature abounds with stories that seem to adhere precisely to this kind of love This volume focuses on such literature and the concepts of love it espouses The volume differs from and challenges much existing classical scholarship which has traditionally privileged the theme of sex over love and prose genres over those of poetry By conversely focusing on love and poetry the present volume freshly explores central poets in ancient literature such as Homer Sappho Terence Catullus Virgil Horace and Ovid alongside less canonized such as the anonymous poet of *The Lament for Bion* Philodemus and Sulpicia The chapters which are written by world leading as well as younger scholars reveal that Greek and Latin concepts of love seem interconnected that such love is as relevant for hetero as homoerotic couples and that such ideas of love follow the mainstream of poetry throughout antiquity In addition to the general reader interested in the history of love this volume is relevant for students and scholars of the ancient world and the poetic tradition

Love, Sex, and Marriage Julie Coleman, 2022-06-13 If the language we use influences and reflects the way that we see the world then the fields of LOVE SEX and MARRIAGE will show how speakers of English view their closest social and emotional relationships *Love Sex and Marriage* provides a classification of English terms for these three fields from the earliest written records of the language until the present day This volume makes it possible to trace changing attitudes towards social and sexual ties and to understand those ties as earlier speakers of English did through the language they used The terms are arranged by meaning and are listed chronologically within semantic fields with their dates of usage Notes on individual terms provide further information about their connotations and development Language does not exist in isolation from the people who speak it so background information about changes in social

conditions religious beliefs and medical advancements is also included A brief introduction to basic semantic terminology explains the principles behind the classification and an alphabetical index facilitates the location of individual terms

Boys Love Media in Thailand Thomas Baudinette,2023-10-05 Over the past several years the Thai popular culture landscape has radically transformed due to the emergence of Boys Love BL soap operas which celebrate the love between handsome young men Boys Love Media in Thailand Celebrity Fans and Transnational Asian Queer Popular Culture is the first book length study of this increasingly significant transnational pop culture phenomenon Drawing upon six years of ethnographic research the book reveals BL s impacts on depictions of same sex desire in Thai media culture and the resultant mainstreaming of queer romance through new forms of celebrity and participatory fandom The author explores how the rise of BL has transformed contemporary Thai consumer culture leading to heterosexual female fans of male celebrities who perform homoeroticism becoming the main audience to whom Thai pop culture is geared Through the case study of BL this book thus also investigates how Thai media is responding to broader regional trends across Asia where the economic potentials of female and queer fans are becoming increasingly important Baudinette ultimately argues that the center of queer cultural production in Asia has shifted from Japan to Thailand investigating both the growing international fandom of Thailand s BL series as well as the influence of international investment into the development of these media The book particularly focuses on specific case studies of the fandom for Thai BL celebrity couples in Thailand China the Philippines and Japan to explore how BL series have transformed each of these national contexts queer consumer cultures

Transformation of Love Elif Güvendi Yalçın,2022-11-03 Romances date back to the creation of stories Although the definition of the genre has changed in time from the Ancient Greeks to the Bildungsromans to the 19th century and today s courtship novels both scholarship and widely held attitudes towards romance has remained fixedly and prioritized only the universality unoriginality and continuity of romance fiction instead of its sociocultural effect of promoting positive ideals like female empowerment The portrayal of women in social roles has been in a state of constant change including their relationship with and relation to men This book explores only medieval historical romance fictions and their changes through the course of the time I examine three medieval romances content Walter Scott s Ivanhoe 1920 Kathleen Woodowiss The Wolf and the Dove 1974 and Amanda Quick s Mystique 1995 written in different time periods based on content analysis using Anthony Giddens s 1992 theories of intimacy In addition it will address romance novels views about sex gender and love roles
