**Sex, Power, Conflict : Evolutionary and Feminist Perspectives** Ann Arbor David M. Buss Professor of Psychology University of Michigan, Los Angeles Neil Malamuth Professor of Communication and Psychology and Chair of the Department of Communication and Speech University of California, 1996-03-21 Sexual harassment in the workplace date rape and domestic violence dominate the headlines and have recently sparked scholarly debates about the nature of the sexes Concurrently the scientific community is conducting research in topics of sex and gender issues Indeed more research is being done on the topics of sexual conflict and coercion than at any other time in the history of the social sciences Despite this attention it is clear that these issues are being addressed from two essentially different perspectives one is labeled feminist while the other viewed as antithetical to the feminist movement is called evolutionary psychology which emphasizes the history of reproductive strategies in understanding conflict between the sexes This book brings together leading experts from both sides of the debate in order to discover how each could offer insights lacking in the other The editors overall goal is to show how the feminist and evolutionary approaches are complementary despite their evident differences then provide an integration and synthesis In fact several of the contributors to this unique volume consider themselves advocates of both approaches As a stimulating presentation of the dynamics of sex power and conflict and a pioneering rapprochement of the diverse tendencies within the scientific community this book will attract a wide audience in both psychology and women s studies fields

The Abuse of Power James Newton Poling, 1991-12-01 Pastoral care instruction and observation from a therapist of survivors of sexual abuse The Abuse of Power is must reading for clergy and denominational officials Weaving case stories with theory Poling demonstrates that sexual abuse of children is not a private matter but very much a matter for society and church a question of structure and ideology not just of individual character He is not afraid to tackle the tough question Does the image of God sacrificing Jesus on the cross contribute to abusive parent child relationships If pastors and church officials read this book the church will change Karen Lebacqz Pacific School of Religion For the exploitation of women and children to stop men must be willing to break ranks with all forms of privilege that sanction male dominance James Poling does so by deconstructing his own sense of male entitlement by refusing to distance himself from perpetrators by allowing survivors of sexual and domestic violence to speak with their own voices by giving us profound words of hope and by articulating a powerfully healing theology wrought through the depths of his own struggle with one of the worst evils in our society His courageous and compassionate work reveals the love and hope that is born of solidarity across the boundaries of gender sexual orientation race and economics The psychological political spiritual and theological power of this book is such that all educators ministers therapists and Christians must read it Rita Nakashima Brock Hamline University Chapter titles are 1

Hearing the Silenced Voices 2 Power and Abuse of Power 3 Karen Survivor of Sexual Violence 4 Stories of Recovering Perpetrators 5 The Schreber Case Methods of Analysis 6 The Search for Self 7 The Search for Community 8 The Search for God 9 Ministry Practice and Practical Theology      **Rethinking Power** Thomas E. Wartenberg,1992-07-01 The authors represent the cutting edge of current research into the concept of power Among the topics discussed are power in social theory feminist conceptions of power power and sexuality modes of oppression and domination the significance of Foucault's theory of power and power in market transactions Included are contributions by Amelie Oksenberg Rorty Terence Ball Jeffrey Isaac Thomas McCarthy Gayatri Spivak Iris Marion Young Jean Baker Miller Nancy C M Hartsock Samuel Bowles Herbert Gintis and Roger S Gottlieb      **The Dictionary Of Critical Social Sciences** T. R. Young,Bruce Arrigo,2019-07-11 This book is a teaching dictionary with the goal of de mystifying current social science theory in a comprehensive accessible format It focuses on important terminology in progressive radical critical Marxist feminist left liberal postmodern and semiotic contexts      *Practical Aspects of Rape Investigation* Robert R. Hazelwood,Ann Wolbert Burgess,2008-06-25 U S Justice Department statistics indicate that only 26 percent of all rapes or attempted rapes are reported to law enforcement officials and only slightly more than half of these result in the arrest of a suspect Part of the problem lies in the public's lack of faith in the criminal justice system's ability to effectively deal with rape victims and the offenders Practical Aspects of Rape Investigation A Multidisciplinary Approach Fourth Edition presents several new research findings and forensic techniques which enable agencies to overcome past impediments to successful intervention and prosecution This revision of the perennial bestseller adds several new chapters and expertly advances the state of knowledge for police health professionals rape crisis staffs and other criminal justice professionals The book begins with a focus on the victim and reviews contemporary issues in the field of sexual violence discusses the impact of sexual assault on the victim and outlines victim care services Then from an investigative perspective the book examines the relevance of fantasy impulsive and ritualistic behavior the personality of the offender victim and offender interviews geographic profiling false allegations and false confessions A discussion of forensics and the court includes topics on collection of evidence medical examinations and treatment and trial preparation issues Lastly the book examines special populations with sections on pedophiles female and juvenile offenders drug facilitated rape sexual sadism abuse of the elderly and the timely topic of educator misconduct This work was compiled by former FBI Agent Robert R Roy Hazelwood and Ann Wolbert Burgess Professor of Psychiatric Nursing at Boston College The comprehensive text they have assembled is the definitive resource for those who must contend with the crimes of rape and other sexual assaults      **Narrating Justice and Hope** Lois Presser,Jennifer Fleetwood,Sveinung Sandberg,2025-02-04 The power of storytelling in troubling times Violence pain and punishment dominate portrayals of social problems but the reality is more complex In the world of actual people and experience other more hopeful stories are told in relation to crime and harm narratives of justice cooperation kindness and redemption Narrating Justice and Hope

examines the rich potential for narratives to do good in the context of interpersonal harm and the devastating social conditions of the present moment including climate crisis political polarization and interconnected systems of inequality Featuring a stellar list of contributors from across the globe this volume asks How do people produce good stories in the context of these harms What types of narratives will create lasting social change What does it take to tell good stories Each chapter examines subjects ranging from the success stories of formerly incarcerated people women speaking out about sexual violence and young climate activists Throughout Narrating Justice and Hope stories and storytelling thwart trouble foster healing and connection and envision better futures The collection also grapples with critical issues including the nature of good the performative nature of storytelling and the hazards of exploiting subjugated people s stories With chapters from a number of well known scholars this volume will be an important contribution for sociology criminology and legal scholars

*Anorexic Bodies* Morag MacSween, Morag Macsween, 2013-11-26 This book explores the ways in which anorexic women use their eating to control their bodies It argues that the female body in modern Western culture is understood as open and accessible and female appetite as dangerous and voracious Anorexia attempts to resist both these constructions in the creation of a closed desireless body Since anorexic women resist the power of collective ideologies their resistance cannot work the closed body becomes its own prison

*Deconstructing Sexuality in the Middle East* Pinar İlkcaracan, 2008 Exploring the contemporary dynamics of sexuality in the Middle East this volume offers an in depth and unique insight into this much contested and debated issue It focuses on the role of sexuality in political and social struggles and the politicization of sexuality and gender in the region

**The Issue is Power** Melanie Kaye/Kantrowitz, 1992 The issue is power in this collection of essays speeches reviews spanning 15 years of writing organizing With intelligence clarity these diverse writings address lesbian culture war sexual power identity politics Israel Palestine the Middle East international domestic violence against women

Women, Power, and Politics Lori Cox Han, Caroline Heldman, 2023-05-29 As women continue to gain more prominence as active participants in the American political and electoral process as voters candidates and officeholders it becomes even more important to understand how gender shapes political power and the distribution of resources within our society There are many areas of research in a variety of disciplines focusing on women gender and feminism and many of them intersect with a discussion of women in American politics Our goal in writing this book is to present these topics in an interesting lively and timely way through an analysis of contemporary political gender related issues We hope to have provided just enough of an historical context to get students interested in the evolution of women in American political life and enough theory and analysis to inspire them to seek more information and knowledge about gender justice today The study of women and U S politics as well as the role gender plays in the broader political context has emerged as a powerful voice within the discipline of Political Science in the last few decades As such we hope that readers find this text a useful addition to the ongoing dialogue while instructors find it to be a useful pedagogical tool for their

courses on women gender and politics      *Rumors from the Cauldron* Valerie Miner, 2014-08-19 An indispensable collection of essays reflecting on the historical and cultural relevance of feminist movements across the globe In these remarkably far reaching writings author and journalist Valerie Miner delivers a complex and engaging volume of essential reading This book touches on topics ranging from suburban housewives to lesbian identity to feminist thought Miner provides an important perspective on the interrelated concepts of authorship gender identity and social criticism Included are examinations of the works of Grace Paley Margaret Atwood and May Sarton meditations on writing and reflections on the cultural legacy of feminism Miner s insights are both perspicacious and thought provoking Written with profound passion and knowledge these tracts are of tremendous value to all readers engaged with the politics of equality      **Introduction to Feminist**

**Jurisprudence** Hilare Barnett, 1998-09-07 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company      States of Conflict Susie M. Jacobs, Ruth Jacobsen, Jen Marchbank, 2000 The volume will make links in a non simplistic way between conflicts at the international national community and household levels It recognizes the enduring relevance of factors such as the exclusion of women from the public sphere and militarized constructions of masculinity to present day examples of gendered violence At the same time it raises awkward questions about women s agency in these contexts      **Introduction to Gender** Jennifer Marchbank, Gayle Letherby, 2014-06-30 Thoroughly updated in this second edition Introduction to Gender offers an interdisciplinary approach to the main themes and debates in gender studies This comprehensive and contemporary text explores the idea of gender from the perspectives of history sociology social policy anthropology psychology politics pedagogy and geography and considers issues such as health and illness work family crime and violence and culture and media Throughout the text studies on masculinity are highlighted alongside essential feminist work producing an integrated investigation of the field Key features A thematic structure provides a clear exploration of each debate without losing sight of the interconnections between disciplines World in focus boxes and international case studies offer a broad global perspective on gender studies In text features and student exercises including Controversy A critical look and Stop and think boxes allow the reader to engage in the debates and revise the material covered Hotlinks throughout the text make connections between chapters allowing the reader to follow the path of particular issues and debates between topics and disciplines New to the second edition A new chapter explores gender through the discipline of philosophy A new section on international relations brings this relevant topic into focus Current discussion on the language of gender across Europe is brought in to Chapter 1 A focus on Europe and Scandinavia as well as the UK gives the text a broader scope Examples are updated throughout to ensure the text is cutting edge and relevant Introduction to Gender second edition is highly relevant to today s students across the social sciences and is an essential introduction for students of sociology women s studies and men s studies      Rape and Sexual Power in Early America Sharon Block, 2012-12-01 In a comprehensive examination of rape and its prosecution in British America between 1700 and 1820 Sharon Block exposes the dynamics of

sexual power on which colonial and early republican Anglo American society was based Block analyzes the legal social and cultural implications of more than nine hundred documented incidents of sexual coercion and hundreds more extralegal commentaries found in almanacs newspapers broadsides and other print and manuscript sources Highlighting the gap between reports of coerced sex and incidents that were publicly classified as rape Block demonstrates that public definitions of rape were based less on what actually happened than on who was involved She challenges conventional narratives that claim sexual relations between white women and black men became racially charged only in the late nineteenth century Her analysis extends racial ties to rape back into the colonial period and beyond the boundaries of the southern slave labor system Early Americans treatment of rape Block argues both enacted and helped to sustain the social racial gender and political hierarchies of a New World and a new nation

**Rape and Sexual Power In Early America (Volume 1 of 2) (EasyRead Super Large 18pt Edition) , The Palgrave Handbook of Power, Gender, and Psychology** Eileen L. Zurbriggen, Rose Capdevila, 2023-12-28

The Palgrave Handbook of Power Gender and Psychology takes an intersectional feminist approach to the exploration of psychology and gender through a lens of power The invisibility of power in psychological research and theorizing has been critiqued by scholars from many perspectives both within and outside the discipline This volume addresses that gap The handbook centers power in the analysis of gender but does so specifically in relation to psychological theory research and praxis Gathering the work of sixty authors from different geographies career stages psychological sub disciplines methodologies and experiences the handbook showcases creativity in approach and diversity of perspective The result is a work featuring a chorus of different voices including diverse understandings of feminisms and power Ultimately the handbook presents a case for the importance of intersectionality and power for any feminist psychological endeavor

*Radical Feminism* Barbara A. Crow, 2000-02 Crow women s studies U of Calgary attempts to retrieve the lost history of North American radical feminists a group to be distinguished from mainstream feminism by their critique of the entire structure of society in spite of anti feminist attempts to label all feminists radical She presents a collection of essays manifestos position papers and newsletters drawn mainly from the Lesbian Herstory Archives the Redstockings Archives and the Barnard College Special Collections thus limiting the material to the East Coast covering the years 1967 to 1975 Most of the documents are organized topically under the headings lesbianism heterosexuality children race and class Annotation copyrighted by Book News Inc Portland OR
