Into the Illusive World Paul A. Moore,2019-07-12 Have you ever thought about what a dog smells as it stops to sniff at a tree Or what a cat is watching as it stares intensely off into space What about animals in the wild What do they see hear smell and feel How do they perceive their surroundings This is the illusive world A world filled with fascinating stimuli that we are not equipped to detect This is particularly true because we tend to rely so heavily on our eyes or ears We are figuratively and literally blind to this part of the natural world This part which is full of stimuli we cannot perceive encompasses the daily lives of so many animals Beneath our feet are ants moles and spiders using vibrations to coordinate colonies and communicate danger In the oceans turtles fish and octopi are sensitive to magnetic and electric fields as well as tasty morsels at the tips of their tentacles In the skies owls and raptors can see deep into a lake or pierce the night with highly sensitive eyes This book brings together all these animals and their amazing sensory abilities in an exploration of how animals perceive their world Within these pages are wonderful and exciting stories of organisms using their senses to perform sophisticated communication with nestmates find hidden prey in the dark of night or murky of depths and call to lovers both near and far This book will open the door to this illusive world and will take you on a journey into the illusive world and see how different the world is when perceived through another animal s senses

Hunting the Midnight Shark Conrad Brasso,2013-11-11 The bullet tore through 900 meters before the ejected shell casing even hit the ground Splitting thick blond hairs with enormous energy it introduced itself to Sven Olagssen and valiantly rushed out the other side of his head exploding into thousands of unidentifiable little pieces just as designed Agent Stone calmly pulled his head back from his sniper scope His senses were on full alert now Red billed Blue Magpies were chirping to each other and showing off their bright colors nearby an occasional Bulbul would interrupt them with an anxious tweedle and Osmanthus flowers filled the air with their intoxicatingly sweet scent For some death was a disturbing and haunting reality For others it was something never witnessed or spoken of For Trey Stone the death of his targets meant many others would live He had no problem falling asleep that night to the humming engines of the CIA yacht until a phone call spun his life around and drew him into a dark and very personal war Hunting the Midnight Shark is a fast paced International CIA Thriller genre novel introducing you to the effluvial and Machiavellian world of child trafficking If you like Tom Clancy James Patterson David Baldacci Brad Taylor Daniel Silva or Ward Larsen then you ll love Conrad Brasso
