**Writing the Rapture** Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature

The Last Days of Dispensationalism Alistair W. Donaldson, 2010-10-28 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis

*Rapture* David Currie, 2003-07-31 The end times error that leaves the Bible behind Author David Currie grew up convinced that one day all true Christians will suddenly be snatched up to heaven The unfortunate souls left behind by this rapture will endure seven horrible years of tribulation at the end of which Christ will return to earth for a glorious thousand year reign Today millions of Christians accept this end times theology assuming as Currie did that the Bible clearly teaches it Many plan their whole lives around it But after studying Scripture for decades Currie has come to see that if you accept the Bible you have to reject the rapture In these remarkable pages which constitute the world s most careful and thorough scriptural study of the rapture Currie demonstrates why He considers all the relevant verses and there are hundreds and examines them in the light of ancient history the writings of the earliest Christians and the claims of rapturist theologians With painstaking thoroughness he unlocks the meanings of the key biblical prophecies that culminate in Christ s Messianic Kingdom including those verses in Daniel Matthew and Revelation that rapturists turn to most Marshalling evidence that s as startling as it is compelling Currie argues that these prophecies of war and tribulation don t point to some still unrealized apocalyptic future Rather most of them were fulfilled long ago the spiritual priestly Kingdom prefigured in the Old Testament was inaugurated on Calvary consummated in 70 A D with the destruction of the Temple and continues to exist today in the Catholic Church That may surprise you Yet shows Currie it s the only conclusion that fits all the scriptural and historical evidence Rapture The End Times Error That Leaves the Bible Behind makes Scripture prophecy and history come alive and it demonstrates that if you open your Bible you ll find that God s plan for the future of the world is not filled with darkness and disaster but with light mercy and hope We can all learn much from David Currie not only from what he says which is wise but from how he says it which is Catholic and Christian From the Foreword by Scott Hahn Special features Over 1 300 references to Scripture the early Church Fathers authors and events in ancient history and contemporary rapturist theologians Ten detailed timelines relating biblical prophecy to key historical events The biblical case for the rapture showing why so many accept it A survey of the thoughts of the early Church Fathers about the end times A history of the development of rapturist theories showing how this heresy has been refuted time and again by the Church A short course in the proper methods of reading Scripture A survey of end times hypotheses from the first century through 9 11 2001 Nine ground rules you must follow if you are to make sense of biblical prophecy and relate it to salvation history A 10 page annotated bibliography of rapturist sources ancient and new Plus much more to help you understand and evaluate the claims of rapturists Among the sources cited Julius Africanus St Athanasius St Augustine Pope Benedict XV Andreas of Cappadocia St Clement of Alexandria G K Chesterton St John Chrysostom St Clement of Rome St Cyril of Jerusalem St Epiphanius of Salamis Jos maria Escriva Catechism of the Catholic Church Dei Verbum Enchiridion Symbolorum Eusebius St Hippolytus of Rome St Ignatius of Antioch St Irenaeus St Jerome Flavius Josephus St Justin Martyr Tim LaHaye Pope Leo XIII C S Lewis Hal Lindsey Lumen Gentium Origen Blaise Pascal Pope St Pius X Pope Pius XII Bertrand Russell St Polycarp St Thomas

Propp, 2010-12-21 Its 1971 and Silas Baker is a high school senior in California whose main interests are basketball and weekend parties But his life takes a dramatic turn when he encounters a group of committed Christians who soberly inform him that Jesus is coming soon They enroll at Riverstent Bible College Its an exciting time as leading Bible teachers have predicted that Jesus will return to Rapture his Church within one generation of the 1948 formation of the State of Israel Popular movies further inflame this passion as the eager students study Apologetics and Biblical Archaeology aberrant theologies such as the Death of God movement and even conflicting interpretations of the End Times An activist spirit develops within evangelicalism culminating in the so called Christian Right as the evangelical world is rocked in the aftermath of the televangelist scandals Confronted by world views such as Calvinism and Christian Reconstruction the characters passionately debate controversies such as Biblical Inerrancy and the age of the cosmos in addition to challenging evangelicals who deny traditional doctrines such as that of endless punishment in Hell or who promote an Open yet limited concept of God himself As society evolves so does evangelicalism seeker sensitive megachurches appear while Postmodernism and the Emergent Church become realities Theologians wrestle with the question of divorce and remarriage and the role of women in the church as well as the divisive issue of homosexuality As they struggle with lifes realities they ultimately must also respond to nonchristians who are alienated indifferent or engaged in active opposition to Christianity while searching for the meaning of Christian faith in the modern world      **American Theocracy** Kevin Phillips, 2006-03-21 An explosive examination of the coalition of forces that threatens the nation from the bestselling author of *American Dynasty* In his two most recent bestselling books *American Dynasty* and *Wealth and Democracy* Kevin Phillips established himself as a powerful critic of the political and economic forces that rule and imperil the United States tracing the ever more alarming path of the emerging Republican majority s rise to power Now Phillips takes an uncompromising view of the current age of global overreach fundamentalist religion diminishing resources and ballooning debt under the GOP majority With an eye to the past and a searing vision of the future Phillips confirms what too many Americans are still unwilling to admit about the depth of our misgovernment      **Can We Still Believe in the Rapture?** Mark Hitchcock, Ed Hindson, 2018-01-02 Christian Fiction or Biblical Fact Today the hope that all believers on earth will be caught up to heaven is being challenged in new waves of criticism Is the rapture really taught in the Bible Can we really expect Jesus to gather up His followers before the Antichrist is revealed In this well reasoned and thorough defense prophecy authors Mark Hitchcock and Ed Hindson examine the concept context and consequences of the important and long expected event known as the rapture Discover the answers to such questions as What is the rapture and is there any historical precedent for it Why do some believers object to the idea of a rapture Does the timing of the rapture really make a difference As you explore what Scripture says about the end times you ll get a grander glimpse of your glorious future and the deepest hope of every follower of Jesus      **Tribulation as Wrath** L. J. Anderson, 2025-08-15 Is the wrath of

God something that happens later in the Tribulation or is it there from the start Many Christians assume God's wrath begins with the bowl judgments or the Day of the Lord But Scripture tells a different story In Tribulation as Wrath L J Anderson offers a tightly focused exegetical study arguing that the entire Tribulation beginning with the seal judgments is an expression of divine wrath By closely analyzing passages from Revelation and related texts Anderson challenges the central assumptions behind both prewrath and midtribulational rapture views Instead he presents a modified pretribulational perspective one that takes the text seriously while acknowledging the need for theological humility This short work is written in the style of a journal article but made accessible for pastors students and everyday readers It functions as a stand alone book and also as part of a larger eschatological project within Anderson's broader theological framework known as Structural Theism Contents Dedication Abstract Preface 1 Introduction 2 Scriptures Regarding Divine Wrath in Revelation 3 The Prewrath and Posttribulation Views on Divine Wrath in Revelation 4 Counterarguments to the Prewrath and Posttribulation Views 5 The Value of Acknowledging the Possibility of a Later Outpouring of Wrath 6 So What 7 Conclusion A Brief Call to Action Also by L J Anderson Bibliography About the author *If Not "Pre-Trib Rapture," Then What?* Teri Sue Riddering TH.D., 2020-01-22 This book is a careful attempt to explore and fill in the picture of the eschatological puzzle using the entire Biblical Scripture cohesively within a conceptual framework of two peoples Jew and Christian who are His people of the New Covenant Jer 31:31 Matt 2:28 united under one Messiah as one new man Eph 2:15 Using solid hermeneutical practices the author attempts to disprove some major aspects of the Pretribulational Rapture theory because it produces a distorted picture of future events regarding the relationship between Jews and Christians She has organized prophetic past present and future events into a logical and coherent sequence that more closely resembles historical reality and God's eternal plans At the end she highlights some of the similarities between Christian and Jewish eschatologies and then describes the final outcome of God's purposes with mankind while offering some suggestions as to what Christians can do as they await victoriously for the converging of both eschatologies and the fulfillment of all things *ESCHATOLOGY* Dr. Andrea D. Keys, 2025-02-06 Eschatology is the part of theology concerned with death judgment and the final destiny of the soul and of humankind Also discussed in the book is the meaning of dispensation which is a divinely appointed order a system of order government or organization of a nation community etc especially as existing at a particular time This book on eschatology will first include a minimal definition of the seven dispensations the rapture the tribulation part 1 revelations the abomination of desolations the great tribulation part 2 mark of the beast the battle of Armageddon millennium the great white throne judgment new heaven and new earth and eternity Consequently the author has attempted to place these end of time events in prophetic order and utilized a variety of sources to give insight to the reader Although there are many doctrines of eschatology this author will focus only on the set of beliefs taught through Christian eschatology Life becomes difficult for those who are not educated around technology and social media The same applies to eschatology life and beyond

will become extremely arduous for those who are not educated on the devastating events that will take place during our last days on earth Eschatology The Doctrine of the Last Things will open up your understanding of the divine end of time events where Jesus Christ will ultimately reign with his saints in the New Jerusalem for all eternity According to the 1 Thessalonians 4 16 17 KJV which reads For the Lord himself shall descend from heaven with a shout with the voice of the archangel and with the trump of God and the dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord Amen **The End Of Earth** Philip N. Moore,2024-11-01 In this eye opening exploration discover how Moses ancient prophecies on Israel the coming of Jesus and the End Times have striking connections to modern day events Delve into how these timeless predictions align with the unexpected rise of Donald Trump Nostradamus cryptic visions and the eerie legacy of the Kennedy curse With meticulous research this book unravels a complex web of prophetic clues leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved Prepare to be astonished as you uncover the undeniable threads that tie together history s greatest mysteries with prophetic foresight Is it coincidence or is there a higher plan at work **Answer Me This!** Patrick Madrid,2003-09-01 So why do Catholics Say Mary remained a virgin Refuse to rely on Scripture alone Teach papal infallibility Worship saints and bow down to their graven images Claim the wafer is really Jesus And bottom line again and again Where in the Bible does it say When some folks have questions about Catholicism they re more than merely curious They want to take a jab at your beliefs as they try to persuade you to accept theirs Door to door proselytizers are trained to ask hot button questions They proclaim to know what many Catholics can t articulate Now author EWTN television host and noted apologist that is defender and teacher of Catholic doctrine Patrick Madrid has compiled tough questions Catholics face They are questions he and others have been confronted with time and again He presents solid Bible based easy to understand and easy to explain answers Here is how to calmly charitably and effectively respond Discover the answers to some questions you may have wondered about yourself **The Oslo Accords 1993-2013** Petter Bauck,Mohammed Omer,2013-09-09 Twenty years have passed since Israel and the Palestine Liberation Organization concluded the Oslo Accords or Declaration of Principles on Interim Self Government Arrangements for Palestine It was declared a political breakthrough of immense importance Israel officially accepted the PLO as the legitimate representative of the Palestinian people and the PLO recognized the right of Israel to exist Critical views were voiced at the time about how the self government established under the leadership of Yasser Arafat created a Palestinian administered Israeli occupation rather than paving the way towards an independent Palestinian state with substantial economic funding from the international community Through a number of essays written by renowned scholars and practitioners the two decades since the Oslo Accords are scrutinized from a wide range of perspectives Did the agreement have a reasonable chance of success What went wrong causing the treaty to derail and delay a real workable solution What are the recommendations today to

show a way forward for the Israelis and the Palestinians      *The Politics and Ethics of Identity* Richard Ned Lebow,2012-08-30 Challenges the notion of consistent unitary identities arguing that we are multiple changing selves shaped by social contexts and processes      **COMING WITH THE CLOUDS** Joseph Charle Beach,2023-05-17 Want to know the truth about Bible prophecy Want to know and understand the prophecies of Jesus Tired of hearing Bible prophecy predictions that never come true This book will provide you with the real truth about Bible prophecy including the following Old Testament prophecies of Isaiah Ezekiel Daniel and more New Testament prophecies of Jesus and the book of Revelation How the Jewish people and followers of Jesus understood the prophecies Understand Jewish culture language customs and history Understand the true meaning of words or phrases in that time Understand the true meaning of the prophecies that were written This book will provide the true meaning of all the Bible Prophecies We must be able to understand history through the lens of the times in which they were written not just how they are relevant in today s news It is vastly important that we understand Jewish culture language customs and history as well as the meaning of words and phrases in that time so we can understand the true meaning of the prophecies that were written Without this understanding we are reading terms outside of their true meaning and can become confused on what the words of scripture are trying to reveal We must recognize the use of symbolism is very prevalent in prophecy and we should not interpret symbolism too literally or physically Symbolism is widely used in both the Old and the New Testaments We cannot allow ourselves to interpret symbolism as only a physical manifestation if we do we can twist the scriptures into unrealistic physical renderings that completely distort the true meaning of the writing and we lose the intended meaning of the prophecy **COMING WITH THE CLOUDS A JOURNEY THROUGH PROPHECY** explores the scriptures seeking the true meaning of Bible prophecy All prophecy centers around Jesus His kingdom and His rule The study of all prophecy must be Christ centered As you read this book you will gain true insight and understanding Studying Bible prophecy is one of the most encouraging and faith building adventures we can take Bible prophecy gives us hope and keeps us anticipating the Lord s return I invite you to join me in this journey through Bible prophecy Together we will come away with a clear understanding of what Bible prophecy is all about We will come away with a positive view of the end times and with a greater hope for our future When discussing His second coming Jesus himself said no one knows the time only the Father knows It is not up to us to discover the time It is up to us to be ready If you really want to know the truth about Bible prophecy read my book today      *Evangelical Millennialism in the Trans-Atlantic World, 1500-2000 C.* Gribben,2015-12-04 This book offers the first complete overview of the intellectual history of one of the most significant contemporary cultural trends the apocalyptic expectations of European and American evangelicals in an account that guides readers into the origins its evolution and its revolutionary potential in the modern world      **The Truth Behind Left Behind** Mark Hitchcock,Thomas Ice,2011-08-24 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding

to recent works that question Left Behind's biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event Story Behind the Book With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series

**Loving Baby Louie: Hope in the Midst of Grief** Colleen Currie, David Currie, 2015 Some take a lifetime to fulfill their purpose Others such as babies that die prematurely need much less time to accomplish God's plan for their lives Authors David and Colleen Currie share the story of their tenth grandchild Louis Gerard to offer hope to families suffering the loss of an infant and to assist children in the grieving process Loving Baby Louie is a poignant story that will help small children understand the loss of a sibling and the eternal life that awaits them in Heaven As Scripture tells us No eye has seen nor ear heard nor the heart of man conceived what God has prepared for those who love Him 1 Corinthians 2:9

**Coming Soon** Michael Patrick Barber, 2005 Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation The seven seals The dragon The beast The sea of glass The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many In the midst of so much discussion about the end times what does Revelation teach us about living in the present moment with our eyes focused on the heavenly Jerusalem Michael Barber's Coming Soon explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy history and biblical allusion Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow Coming Soon is a verse by verse commentary on the Book of Revelation using the Revised Standard Version Catholic Edition of the Bible Barber provides a Catholic interpretation which sees the liturgical background of this book of

Scripture a perspective missing in many Protestant commentaries
