

Rapture In Flight

**I'm a two-winged poet
not just single-wing**

**And would never clip one
to fly into this wind**

**As one wing goes up
the other comes down**

**Until both work together
when flying most proud**

**A zero-sum landing
with talons not right**

**Only shortens the glide path
—and ruins the flight**

Rapture Poems:

Rapture Carol Ann Duffy, 2016-05-03 Winner of the T S Eliot Prize essential reading for the broken hearted of all ages The Guardian The effortless virtuosity drama and humanity of Carol Ann Duffy s verse have made her much admired among contemporary poets *Rapture* is a book length love poem and a moving act of personal testimony But what sets these poems apart from other treatments of the subject is Duffy s refusal to simplify the contradictions of love and read its transformations infatuation longing passion commitment rancor separation and grief as either redemptive or destructive This is a map of real love in all its churning complexity simultaneously direct and subtle showing us that a song can be made of even the most painful episodes in our lives With poems that will find deep resonance in the experience of most readers it is a collection that can and does speak for us all

Rapture Sjohnna McCray, 2016-04-05 Because I can never say anything plainly Because I always stutter politely Because there s always the chatter before the kiss from In Need of Subtitles In this award winning debut Sjohnna McCray movingly recounts a life born out of wartime to a Korean mother and an American father serving during the Vietnam War Their troubled histories and McCray s own are told with lyric passion and the mythic undercurrents of discovering one s own identity one s own desires What emerges is a self and family portrait of grief and celebration one that insists on our lives as anything please but singular *Rapture* is an extraordinary first collection with poems of rare grace and feeling

Rapture #1 Matt Kindt, 2017-05-24 On a scarred landscape two otherworldly armies prepare to battle one last time vying for control of a massive tower named from an ancient language no longer permitted to be spoken One army is led by a primeval force named Babel whose goal is singular to breach Heaven no matter the cost The only thing standing in his way is a gray haired barbaric warrior filled with rage and regret a man who sees this battle as his last chance for redemption But he knows his depleted forces have little chance of victory unless aid comes Enter Tama A 12 year old girl on the crest of a hill overlooking the battle who has just become humanity s only hope The last in an ancient line of mystics who protect the Earth she has foreseen this battle and knows millions will perish if she s unable to stop it Now Tama and her ragtag team of malcontents Ninjak Shadowman and Punk Mambo must somehow defeat an elder god hell bent on piercing the heavens This summer New York Times best selling writer Matt Kindt X O Manowar and artistic sensation CAFU Rai lead a Tolkien esque journey into the space between life and death through the Deadside and into the many worlds that lie beyond right here with a spellbinding and horrific standalone event

The Body

Emblazoned Jonathan Sawday,2013-10-16 An outstanding piece of scholarship and a fascinating read The Body Emblazoned is a compelling study of the culture of dissection the English Renaissance which informed intellectual enquiry in Europe for nearly two hundred years In this outstanding work Jonathan Sawday explores the dark morbid eroticism of the Renaissance anatomy theatre and relates it to not only the great monuments of Renaissance art but to the very foundation of the modern idea of knowledge Though the dazzling displays of the exterior of the body in Renaissance literature and art have long been a subject of enquiry The Body Emblazoned considers the interior of the body and what it meant to men and women in early modern culture A richly interdisciplinary work The Body Emblazoned re assesses modern understanding of the literature and culture of the Renaissance and its conceptualization of the body within the domains of the medical and moral the cultural and political
