**Tennyson's Rapture** Cornelia D. J. Pearsall, 2008-01-29 In the wake of the death of his friend Arthur Henry Hallam the subject of In Memoriam Alfred Tennyson wrote a range of intricately connected poems many of which feature pivotal scenes of rapture or being carried away This book explores Tennyson's representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics The poet's fascination with transformation is figured formally in the genre he is credited with inventing the dramatic monologue Tennyson's Rapture investigates the poet's previously unrecognized intimacy with the theological movements in early Victorian Britain that are the acknowledged roots of contemporary Pentacostalism with its

belief in the oncoming Rapture and its formative relation to his poetic innovation Tennyson's work recurs persistently as well to classical instances of rapture of mortals being borne away by immortals Pearsall develops original readings of Tennyson's major classical poems through concentrated attention to his profound intellectual investments in advances in philological scholarship and archeological exploration including pressing Victorian debates over whether Homer's raptured Troy was a verifiable site or the province of the poet's imagination Tennyson's attraction to processes of personal and social change is bound to his significant but generally overlooked Whig ideological commitments which are illuminated by Hallam's political and philosophical writings and a half century of interaction with William Gladstone Pearsall shows the comprehensive engagement of seemingly apolitical monologues with the rise of democracy over the course of Tennyson's long career Offering a new approach to reading all Victorian dramatic monologues this book argues against a critical tradition that sees speakers as unintentionally self revealing and ignorant of the implications of their speech Tennyson's Rapture probes the complex aims of these discursive performances and shows how the ambitions of speakers for vital transformations in themselves and their circumstances are not only articulated in but attained through the medium of their monologues

**Israel, Rapture, Tribulation** Michael Earl Riemer, 2021-05-23 Jesus is coming soon for all signs point to His arrival again The Last Days are upon us again The Great Tribulation is about to start again We will see the Lord coming in clouds of glory for we are the last generation again Even before William Miller pronounced these kinds of tidings for 1843 and when it didn t occur he assured his followers it would happen on October 22 1844 this refrain was common from Christians down throughout the ages However since the time of Miller and especially since 1948 when the nation of Israel was given birth the chorus of Christian voices proclaiming End Times and Last Days is a constant message The problem all

those who have preached this since 70AD have been wrong always 100% of the time In the Revelation of Jesus given to Saint John he assures the seven Churches the time was near it was in fact at hand The letter closes with the assurance of that fact the Lord was coming soon for Jesus states Surely I come quickly Revelation 22 20 So that leaves us with two perplexing and bewildering conclusions Jesus was wrong about His soon coming and those who preach this have also been preaching a tall tale a cock and bull story However the early Christians did not believe what is being taught across today s pulpits concerning this teaching They knew those events would happen in their lifetime not 2 000 years in the future they took Jesus at His word and it saved their lives In this book you will find the doctrine believed by early Christians and the reason the modern Last Days doctrine has always been wrong and how it was fulfilled You will also find the message taught by Jesus and presented throughout the Holy Scriptures hope and victory for Christ s Church     Rapture of the Deep Alan Gill,2011-07-21 In two hundred B C a migrating Celtic tribe led by one of the most prominent women in history settled on a lonely island in what is now Scotland She was the prophetess Veleda a Druid She was raped by a mythical creature called a Selkie and the Druid magic combined with the strength of the Selkie the Mermaid was born One of the Druid offspring is Catherine a young divemaster who operates a scuba diving business on Bainbridge Island in Washington State In the cold black waters of Puget Sound Steve and Gil an oceanographer and photographer charter Catherine s boat By day the divers plumb the depths of undersea reefs and by night Gil is courted by the beautiful women of the sisterhood who anxiously await his semen and are prepared to take it by force in order to impregnate the fertile young mermaids Gil must ultimately decide on his own fate Will he fly to the Caribbean and escape or serve the mistress of the sisterhood Part 1 of the trilogy     **Visions of the Rapture and Unseen Realm** Glenda Dumas,2016-11-30 The Lord shall descend from heaven with the voice of the archangel The angel that I saw may be Michael Michael and Gabriel are the only archangels that are mentioned in the Bible Michael appears to have a key role in the end time plan of God Therefore it may be a strong guess that Michael is the angel that I saw and communicated with about the Rapture I also have a special message for gang members drug abusers adults teenagers and the youth I wrote my visions down for you to know what is out there waiting for you on the other side of the veil I peeped over and saw some things that were good and witnessed a horror that was beyond my wildest dreams Most of you have not read the Bible and a number of you who have act as though you have forgotten what is in it I often encounter people old and young who say that they cant understand the Bible Therefore I use a number of verses that are taken directly from the Bible to support the visions that I have seen I am doing this purposely to acquaint you with a book that you all know but very seldom pick up to read Hopefully it will be a reminder that the Bible is inclusive of everything from the beginning of time to the end Most of these Bible verses are self explanatory     *The Particulars of Rapture* Avivah Gottlieb Zornberg,2011-02-01 Avivah Zornberg grew up in a world of rabbinic tradition and scholarship and received a Ph D in English literature from Cambridge University The Particulars of Rapture the sequel to her award winning study of the Book of Genesis takes its title

from a line by the American poet Wallace Stevens about the interdependence of opposite things such as male and female and conscious and unconscious To her reading of the familiar story of the Israelites and their flight from slavery in Egypt Avivah Zornberg has brought a vast range of classical Jewish interpretations and Midrashic sources literary allusions and ideas from philosophy and psychology Her quest in this book as she writes in the introduction is to find those who will hear with me a particular idiom of redemption who will hear within the particulars of rapture what cannot be expressed Zornberg's previous book *The Beginning of Desire: Reflections on Genesis* won the National Jewish Book Award for nonfiction in 1995 and has become a classic among readers of all religions *The Particulars of Rapture* will enhance Zornberg's reputation as one of today's most original and compelling interpreters of the biblical and rabbinic traditions

**Dance of Eternal Rapture** Garnet Schulhauser, 2018-01-09 This is the fourth book and it continues the author's astral adventures with Albert his Spirit Guide As with the first three books Albert had a carefully planned agenda all mapped out designed to teach me and all of humankind a lesson or to provide us with a nugget of wisdom to help us understand who we are and why we are having a human journey on this planet

**Waiting for the Rapture** Michael Drotos, 2018-10-31 It's near the end of the age the Antichrist and the mark of the beast have burst onto the scene like a lightning bolt on a humid summer night With the New World Order and One World religion in its infancy the world is reeling with wars and famines In a remote town in the Appalachian Mountains of Virginia things seem relatively calm Jimmy Farmer one of the first babies born into the new millennium is a recent college graduate Jimmy lives with his parents while awaiting acceptance into the park service With the New World Order bearing down Jimmy will be faced with eternal decisions to pursue God's call on his life or be lured by the New World Order His decisions will determine his destiny as he navigates relationships and his lukewarm attitude toward God while the world heads full speed toward Armageddon

**Changing Rapture** Alik Barnstone, 2006 A new appreciation of the development of Emily Dickinson's poetics

**Shadow Rain 3: Rapture of Ruin** Philip Mudin, 2015-05-30 what if the characters of *Shadow Rain* were real people working in your local supermarket What if Princess Nothing and Black Bird never existed What if the hero's lost and the Endless Forest had won With Princess Nothing as head of the S D S what could go wrong What if Black Bird became a hell dimension and continued to expand

**Revelation(s) for the Rapture-Ready** Charles E. Saunders, 2021-04-27 For the inquiring reader who senses that the catching up of the Church is imminent I guarantee that this book will challenge many of the conventional constructs on the subject Written in an easy layman like and personable format you will not be encumbered with deep theological terminology and extra biblical references used by many You will be asked to go with me as I dismantle what people have made complicated by restoring a basic TRUTH that the books of Genesis and Revelation are indeed bookends and one must grasp the one without letting go of the other in order to come forth with both of them My hope is that my presentation will advance and affirm the love and commitment that God has for His chosen people the Jews His adopted people the Gentiles and the whole world that He sent His Son to redeem
