**Rare Air Japanese Ed** Michael Jordan,1994-07-18 **Michael Jordan** David L. Porter,2007-07-30 With the possible exceptions of boxer Muhammad Ali and baseball player Babe Ruth no athlete has made a greater impact on American society or in the world than Michael Jordan Follow the life of one of the most recognizable athletes and living brands inside this engaging and balanced biography He is among the best known and wealthiest athletes in the history of organized sports With the possible exceptions of boxer Muhammad Ali and baseball player Babe Ruth no athlete has made a greater impact on American society or in the world than Michael Jordan Follow the life of one of the most recognizable athletes and living brands inside this engaging and balanced biography When basketball stars Larry Bird and Magic Johnson retired in the early 1990s Michael almost single handedly propelled the NBA to stratospheric levels of success and international visibility As a player for the Chicago Bulls he generated instant crowd thrills with his record setting drives and dunks selling countless books newspapers videotapes NBA game tickets and hours of television time The NBA promoted Michael basing its popularity on his image as the greatest showman in sports history Yet his sports hero status extends beyond NBA records Michael changed the game by becoming the most effectively marketed athlete of his generation Nike and many other companies rode and continue to ride on the coattails of Air Jordan s legend Author David Porter highlights Jordan s on and off the court accomplishments and examines his relationship with Chicago Bulls coaches his commercial endorsements and his current role as part owner of the Charlotte Bobcats A chronology photos career stats and a bibliography of print and electronic resources round out this biography of one of the most influential athletes of the twentieth century Michael Jordan, Inc. David L. Andrews,2001-08-16 Uses Michael Jordan as a vehicle for viewing the broader social economic political and technological concerns that frame contemporary culture **Commodified and Criminalized** David J. Leonard,C. Richard King,2010-12-28 **Commodified and Criminalized** examines the centrality of sport to discussions of racial ideologies and racist practices in the 21st century It disputes familiar refrains of racial progress arguing that athletes sit in a contradictory position masked by the logics of new racism and dominant white racial frames Contributors discuss athletes ranging from Tiger Woods and Serena Williams to Freddy Adu and Shani Davis Through dynamic case studies **Commodified and Criminalized** unpacks the conversation between black athletes and colorblind discourse while challenging the assumptions of contemporary sports culture The contributors in this provocative collection push the conversation beyond the playing field and beyond the racial landscape of sports culture to explore the connections between sports representations and a broader history of racialized violence **Basketball Jones** Todd Boyd,Kenneth L. Shropshire,2000-09 It began with Magic Bird and Dr J Then came Michael The Dream Team The WNBA And most recently Spree Latrell Sprewell American

Dream or American Nightmare the embodiment of everything many believe is wrong and others believe is exciting about the game Today despite the NBA strike despite home run derbies despite football's headlock on network television ratings despite the much heralded return of baseball basketball has assumed a role in American culture and consciousness impossible to imagine 20 years ago when arenas were empty and the NBA finals were broadcast via tape delay in the wee hours So what happened How did a black sport plagued by drug scandal and decimated by white flight come to achieve such prominence What are the subtle and not so subtle racial codes that define how the game is played and perceived and the reception of its high profile stars What does the shift in popularity from the predominantly white working class ethos of baseball to the black urban ethos of basketball suggest about contemporary life in America What linkages exist between basketball and hip hop culture and how did these develop How has the arrival of women on the scene changed the equation Bringing together journalists cultural critics and academics this wide ranging anthology has something for everyone from hard core fan to casual observer Contributors Todd Boyd Kenneth L Shropshire Gerald Early James Peterson Susan J Rayl Davis W Houck Mark Conrad Charles J Ogletree Jr Earl Smith Sohail Daulatzi Larry Platt Tina Sloan Green Alpha Alexander Tara McPherson Aaron Baker *Biographical Dictionary of African Americans, Revised Edition* Rachel Kranz, 2021-01-01 For centuries African Americans have made important contributions to American culture From Crispus Attucks whose death marked the start of the Revolutionary War to Oprah Winfrey perhaps the most recognizable and influential TV personality today black men and women have played an integral part in American history This greatly expanded and updated edition of our best selling volume *The Biographical Dictionary of Black Americans Revised Edition* profiles more than 250 of America's important influential and fascinating black figures past and present in all fields including the arts entertainment politics science sports the military literature education the media religion and many more *Rare Air* M. Jordan, 2000-01-01 **The Sport Star** Barry Smart, 2005-08-24 Why are sport stars central to celebrity culture What are the implications of their fame Proceeding from a broadly based discussion of heroism fame and celebrity Smart addresses a number of prominent modern sports and sport stars including Michael Jordan basketball David Beckham football Tiger Woods golf Anna Kournikova and the Williams sisters tennis He analyses the development of modern sport in the UK and USA demonstrating the key economic and cultural factors that have contributed to the popularity of sport stars while examining issues such as race and gender the impact of professionalization growing media coverage the role of agents and the increasing presence of commercial corporations providing sponsorship and endorsement contracts This book situates the sport star as the embodiment of the various tensions of age class race gender and culture It argues that sporting figures possess an increasingly rare quality of authenticity that gives them the capacity to lift and inspire people The book is a major contribution to the sociology and culture of sport and celebrity *Interdisciplinary Analyses of Professional Basketball* Till Neuhaus, Niklas Thomas, 2024-01-03 This edited collection conceptualizes professional basketball not just as a sport but as an historically

culturally and economically embedded entity The chapters analyse the fact that the sport of basketball contains alternative logics that can easily clash and by treating professional basketball as the negotiation place of these multiple demands ideas and logics the editors have identified three areas in which these clashes manifest the realization of the game the cultural impact of professional basketball and the global outreach of professional basketball The book is explanatory and qualitative offering new perspectives and touching on topics including gender diversity racism and minority experiences within professional basketball As such it will be of interest to sport sociologists as well as those researching the history of sport sports marketing and cultural studies

**Ebony** ,1993-12 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine Events and Well-being Allan Stewart Jepson,Trudie Walters,2021-06-09 This book is the first to take an in depth examination of events and well being adopting a much needed critical approach to the study of events It uses empirical case studies to help us better understand how events foster positive well being or counter negative well being for event organisers participants spectators volunteers and even non attending local residents While researchers have long understood socialisation as the major motivation to attend contemporary festivals and events it is only just being acknowledged that well being is also a key motivator Those researching in the field of event studies are yet to clearly articulate the how why where and impacts of socialisation This multidisciplinary book draws together empirical research across a range of event types and sizes from music festivals to mega sports events to provide a nuanced understanding of their contribution to the well being of individuals and communities Case studies are drawn from around the world and apply a diverse range of theoretical lenses to the conceptualisation of well being as it applies to events and methodologies used to achieve research aims and objectives This significant volume will be valuable reading for students and academics in the fields of sport studies critical event studies queer studies cultural studies tourism music sociology and end of life studies
