Rare Ambition The Crosbies Of Newfoundland:

Rare Ambition Michael Harris,1992 **Twentieth-Century Shore-Station Whaling in Newfoundland and Labrador** Anthony Bertram Dickinson,Chesley W. Sanger,2005 Newfoundland and Labrador has a long history of commercial whaling beginning in the first half of the sixteenth century when Basque whalers established seasonal stations on the Labrador coast from which to hunt bowheads and North Atlantic right whales Anthony Dickinson and Chesley Sanger examine the region s modern shore station industry from its beginnings in 1896 to its peak catch season in 1904 through subsequent cycles of decline and revival until its enforced closure in 1972 by the federal government Modern shore station whaling on Canada s eastern shores developed with the spread of Norwegian dominated whaling from local areas where stocks that had been depleted by new hunting technologies to more productive locations in the North Atlantic and elsewhere Twentieth Century Shore Station Whaling in Newfoundland and Labrador adds to a growing number of regionally specific case studies that collectively illustrate the complex nature of the history of global whaling Dickinson and Sanger further demonstrate how participants in the industry were instrumental in developing other whaling initiatives including those in British Columbia **Twentieth-century Newfoundland** James Hiller,Peter Neary,1994 Twentieth Century Newfoundland Explorations brings together ten papers by eight well known historians of Newfoundland and Labrador The papers address a wide variety of subject matter and open many avenues for further research The book concludes with an extensive bibliography on the Newfoundland and Labrador in the Twentieth century This bibliography is organized by topic and will serve the needs of the general reader and specialists alike Twentieth Century Newfoundland Explorations highlight the scope and complexity of present day writing about the history of Newfoundland and Labrador James Hiller Professor of History at Memorial University and author of a number of articles on Newfoundland in the Nineteenth and Twentieth Centuries Peter Neary Professor of History at the University of Weste Ontario and the author of Newfoundland in the North Atlantic World 1929 1949 1998 Servants of the Fish Myron Arms,2004 As the last of the northern cod disappeared from the fishing banks of eastern North America during the waning years of the 20th century more than just fish faced the threat of extinction In communities all around the island of Newfoundland thousands of fishermen and their families suddenly found themselves confronted by a similar threat Servants of the Fish is the story of these people who are at once the perpetrators and the victims of this event As he did in his bestselling Riddle of the Ice Arms employs the drama of the voyage to bring readers face to face with the people and the geography of the tale he tells It is the tale of a particular time and place Yet it is also an allegory of sorts about predators and prey about greed and denial and about our collective ability as human beings to destroy natural systems once thought to be infinite Joseph Roberts Smallwood Melvin Baker,Peter Neary,2021-05-01 No other figure historical or political features more prominently in recent Newfoundland history than Joey Smallwood During his long career in Newfoundland politics Smallwood used the literary rhetorical and theatrical skills honed in the first five decades of

his life to create a distinct and celebrated persona He told his own story in his lively autobiography *I Chose Canada* published in 1973 only a year after he left office Talented venturesome and above all resilient he was no ordinary Joe Smallwood was born in Gambo Bonavista Bay but grew up in St John s Leaving school at fifteen he quickly established himself as a journalist and as a publicist for Sir William Coaker s Fishermen s Protective Union In the early 1920s Smallwood sojourned twice in New York where he planned a Newfoundland labour party Ambition however led him to support the Liberal Party of Sir Richard Squires Defeated as a candidate in the general election of June 1932 he next promoted producer and consumer cooperatives but with mixed results In 1937 he edited *The Book of Newfoundland* and thereafter enjoyed great success on the radio as *The Barrelman* The book culminates with Smallwood s adoption of the cause of Confederation and his swearing in on 1 April 1949 as premier of the new Province of Newfoundland There are multiple J R Smallwoods but the aspiring and ambitious figure presented in this biography stands apart Melvin Baker and Peter Neary use the largely untapped sources of Smallwood s own papers and his extensive journalistic writing to add a documentary basis to what is known or conjectured about the first five decades of Smallwood s remarkable life both public and private

Alfred Valdmanis and the Politics of Survival Gerhard P. Bassler, 2000-03-04 Alfred Valdmanis is best known in Canada for his infamous role in Premier Joey Smallwood s scheme to industrialize Newfoundland A Latvian immigrant he was appointed Director General of Economic Development in 1950 with the understanding that through his connections to Europe he could entice German and Baltic industrialists to the isolated rural island His influence was brought to an abrupt end when in 1954 he was charged with defrauding the government The media latching on to his murky past and his possible affiliation with war criminals made him the scapegoat of Newfoundland s problems painting him as part comedian part sinister villain This was not the first time his name was connected with controversial issues Valdmanis s wily political manoeuvring is more the stuff of fiction than history Between 1938 at age 29 and his ironic downfall in the safe haven of Canada he was a finance minister of pre war Latvia a government official during the Soviet invasion a shrewd collaborator under the Nazi occupation then a friend to the Allies a spokesman for Latvian POW and displaced persons and an adviser to the government of Canada In this first serious biography of Alfred Valdmanis historian Gerhard Bassler casts the story of this political manipulator and chameleon in new terms the often tragic consequences of the will to survive

Lament for an Ocean Michael Harris, 2013-07-09 The northern cod have been almost wiped out Once the most plentiful fish on the Grand Banks off the coast of Newfoundland the cod is now on the brink of extinction and tens of thousands of people in Atlantic Canada have been left without work by a 1992 moratorium on fishing the stock Today the Pacific salmon stocks are in similar trouble victims of the same blind stupid greed Angry accusatory fingers have been pointed at various possible culprits for the collapse of the cod at the Spanish and Portuguese who for hundreds of years sent ever bigger fleets to the Grand Banks at the factory freezer trawlers which vacuumed the ocean floor for the prized fish at those inshore fishermen who circumvented the rules governing the fishery at

the federal Department of Fisheries and Oceans which is responsible for managing the fishery at the harp seal the cod s competitor for food whose numbers have exploded in recent years even at Nature for lowering the temperature of the ocean In Lament for an Ocean the award winning true crime writer Michael Harris investigates the real causes of the most wanton destruction of a natural resource in North American history since the buffalo were wiped off the face of the prairies The story he carefully unfolds is the sorry tale of how despite the repeated and urgent warnings of ocean scientists the northern cod was ruthlessly exploited

Party of One Michael Harris,2014-10-21 InParty of One investigative journalist Michael Harris closely examines the majority government of a prime minister essentially unchecked by the opposition and empowered by the general election victory of May 2011 Harris looks at Harper s policies instincts and the often breathtaking gap between his stated political principles and his practices Harris argues that Harper is more than a master of controlling information he is a profoundly anti democratic figure In the F 35 debacle the government s sin wasn t only keeping the facts from Canadians it was in inventing them Harper himself provided the key confabulations and they are irrefutably and unapologetically on the public record from the last election This is no longer a matter of partisan debate but a fact Canadians must interpret for what it may signify Harris illustrates how Harper has made war on every independent source of information in Canada since coming to power Party of Oneis about a man with a well defined and growing enemies list of those not wanted on the voyage union members scientists diplomats environmentalists First Nations peoples and journalists Against the backdrop of a Conservative commitment to transparency and accountability Harris exposes the ultra secrecy non compliance and dismissiveness of this prime minister And with the Conservative majority in Parliament the law is simple what one man the PM says goes

Art and Rivalry Carol Bishop-Gwyn,2019-10-08 The unauthorized biography of Canada s most famous artist couple and the rivalry that drove them She painted as if with pure light radiant colours making quotidian kitchen scenes come alive with sublimated drama He painted like clockwork each stroke precise and measured with exquisite care leaving no angle unchecked and no subtlety of tone unattended Some would say Mary Pratt was fire and Christopher ice And yet Newfoundland s Frida Kahlo and Diego Rivera or Jackson Pollack and Lee Krasner presented their marriage as a portrait of harmony and balance But balance off the canvas rarely makes great art and the Pratts art was spectacular As a youth at Mount Allison University in New Brunswick Mary pursued her future husband a prodigious art talent and supported his determination to study painting instead of medicine They married and removed themselves to a Newfoundland outpost where his painting alone provided the means to raise a family But as Mary s own talents became evident and she sought her own hours at the easel when not raising their four children and as rumours of Christopher s affair with a young model spread

the Pratts harmonious exterior slowly cracked to scandal in Newfoundland and fascination across the country A marriage ended and gave way to a furious competition for dominance in Canadian art
