This revealing, moving book will help you understand the difficulties and joys of a father-son relationship. *Out of the Twilight* draws from literary sources such as poems, fairy tales, plays, novels and movies as well as psychoanalytic theories to highlight the obstacles that a father must overcome to understand and identify with his son. In *Out of the Twilight*, you will discover the personal and intimate struggles of these fathers, including Mitchell whose son Jay came out at the age of twenty-one and who describes the coming-out process as a means of forging a closer father-son relationship; Juan Miguel who knew and accepted that his son was gay before his son told him and who discusses how his love and complete acceptance made the coming-out process easier for his son; Peter whose response to his son Richard was ordering him to live at home so the family could look for a cure for Richard's homosexuality; Daniel who admitted that he himself was gay after being married and who was very accepting when his son Charles came out since it provided them with a special bond; Marty whose response to his son Gary's coming out was to join PFLAG, an organization for parents of gay and lesbian children so he could find support and acceptance among other parents who were going through the same thing. *Out of the Twilight* allows you to see how fathers

the heterosexually identified men who came out to him about their own same sex feelings Male to Male will help you explore same sex feelings in heterosexual men and women same sex feelings in the military prison culture and the heterosexual role the fear of domination the aesthetics of fear and power the dynamics of rape compassionate relationships between heterosexual identified men and much more Male to Male provides evidence showing that the identity that really counts constituting the deepest source from which men s sexual feelings for each other spring is not specifically a gay or heterosexual identity That source is rather a male identity and beyond that a human identity
