Abdul Kalam, 2017-08-16 It was like any other day on the Anna University campus in Chennai As I was returning to my room in the evening the vice chancellor Prof A Kalanidhi fell in step with me Someone had been frantically trying to get in touch with me through the day he said Indeed the phone was ringing when I entered the room When I answered a voice at the other end

said The prime minister wants to talk with you Some months earlier I had left my post as Principal Scientific Adviser to the Government of India to return to teaching Now as I spoke to the PM Atal Bihari Vajpayee my life was set for an unexpected change Turning Points takes up the incredible Kalam story from where Wings of Fire left off It brings together details from his career and presidency that are not generally known as he speaks out for the first time on certain points of controversy It is a continuing saga above all of a journey individual and collective that will take India to 2020 and beyond as a developed nation
