Riding Some Kind Of Unusual Skull Sleigh On The Arts Of Don:

Riding Some Kind of Unusual Skull Sleigh W. C. Bamberger, 1999 Biography Art Criticism For more than seventeen years Don Van Vliet made music under the name Captain Beefheart When he walked away from music he turned to his other art and is now an internationally known and collected abstract painter RIDING SOME KIND OF UNUSUAL SKULL SLEIGH looks at the phases of Van Vliet s musical career through the lens of the new ecological theories of mind which were emerging at the time Captain Beefheart and the Magic Band were beginning to record The result is a unique interpretation of Van Vliet s music and motives Van Vliet as Gaia microcosm which looks at both his genius and the darker side of his Captain Beefheart persona The author also offers a detailed analysis of Van Vliet s drawings and paintings and suggests that art world acceptance has drastically changed his art and perhaps the artist himself No illustrations **Punk Aesthetics and New Folk** John Encarnacao, 2016-04-15 Joanna Newsom Will Oldham a k a Bonnie Prince Billy and Devendra Banhart are perhaps the best known of a generation of independent artists who use elements of folk music in contexts that are far from traditional These and other so called new folk artists challenge our notions of finished product through their recordings intrinsically guided by practices and rhetoric inherited from punk This book traces a fractured trajectory that includes Harry Smith s Anthology of American Folk Music Bob Dylan psych folk of the sixties from Vashti Bunyan to John Fahey lo fi and outsider recordings from Captain Beefheart and The Residents to Jandek Daniel Johnston and Smog and recent experimental folk Animal Collective Six Organs of Admittance Charalambides to contextualise the first substantial consideration of new folk In the process Encarnacao reviews the literature on folk and punk to argue that tropes of authenticity though constructions carry considerable power in the creation and reception of recorded works New approaches to music require new analytical tools and through the analysis of some 50 albums Encarnacao introduces the categories of labyrinth immersive and montage forms This book makes a compelling argument for a reconsideration of popular music history that highlights the eternal compulsion for spontaneous imperfect and performative recorded artefacts **Captain Beefheart** , **43 Views of Steve Katz** W. C. Bamberger, 2007-03-01 American writer Steve Katz published his first book The Lestriad in 1962 Subsequent novels and collections have continue to appear from such imprints as Holt Rinehart and Winston Random House Alfred A Knopf Ithaca House and Sun Moon According to critic Jerome Klinkowitz Katz has pushed innovation farther than any of his contemporaries W C Bamberger regards him as the most important living American novelist This first extended guide to the author s fiction includes a bibliography detailed index notes and 200 pages of illuminating commentary W C Bamberger is the author of ten books and dozens of published critical essays on the major writers of our time including the volumes William Eastlake High Desert Interlocutor and The Work of William Eastlake An Annotated Bibliography and Guide both available from Borgo Press He lives and works in Michigan **The Master Tanner Heads West** W. C. Bamberger, 2005 **Shame and Ageing in a Transforming World** Elisabeth Vanderheiden, Claude-Hélène Mayer, 2024-05-23 The book provides a

comprehensive overview of research and concepts related to shame and ageing in the context of social change upheavals and paradigm shifts from transdisciplinary cultural and transcultural perspectives Drawing upon the editors previous works on the topic of shame this volume discusses the contexts of shame and ageing from theoretical conceptual and empirical perspectives The toxic and stressful aspects of shame have been the focus of scientific analysis and discourse on shame and ageing This volume explicitly makes the dimensions of shame a resource for individuals and collective transformation processes the object of research in the context of ageing It looks at emerging lifestyle political socio economic and health contexts It looks at how and why the frequency intensity and handling of feelings of shame change over the course of life the impact of shame on emotional well being and mental health of older people the impact of shame on social relationships and social engagement of older people in different cultures the role of cultural values and norms in the development and processing of feelings of shame especially in older people and how these can be used for self development and the differences in the way older people in different cultures deal with feelings of shame and the way these can be used to develop effective strategies and techniques for older people to cope with shame The editors and contributors thereby take cultural and gender aspects as well as positive psychology and resource orientated concepts such as salutogenesis resilience happiness fortitude locus of control faith or strengths based approaches into account and contextualize them against processes of social upheaval and transformation

Music in American Life Jacqueline Edmondson, 2013-10-03 A fascinating exploration of the relationship between American culture and music as defined by musicians scholars and critics from around the world Music has been the cornerstone of popular culture in the United States since the beginning of our nation s history From early immigrants sharing the sounds of their native lands to contemporary artists performing benefit concerts for social causes our country s musical expressions reflect where we as a people have been as well as our hope for the future This four volume encyclopedia examines music s influence on contemporary American life tracing historical connections over time **Music in American Life** An Encyclopedia of the Songs Styles Stars and Stories That Shaped Our Culture demonstrates the symbiotic relationship between this art form and our society Entries include singers composers lyricists songs musical genres places instruments technologies music in films music in political realms and music shows on television

On the Backstretch W. C. Bamberger, 2009 On the Backstretch fills in a blank in modern literary history Set in 1930s England this short novel tells the tale of the prison stay of Gulley Jimson the William Blake spouting artist anti hero who directly addresses the reader through Joyce Cary s *The Horse s Mouth* In Cary s novel Jimson tells his friends and readers almost nothing of his months behind bars and seems the same man he was before being sent away On the Backstretch uses threads and hints from Cary s novel to propose that while Jimson remained an artist a schemer and a reluctant advocate for his fellow man even behind bars that he was indeed changed by his experience and in telling this part of his history he gulls his readers into forming a unique and disturbing bond On the Backstretch stands as a work in its own

right but those familiar with Cary's novel will read both in a different light

The Encyclopedia of Japanese Horror Films Salvador Jiménez Murguía, 2016-07-29 Although the horror genre has been embraced by filmmakers around the world Japan has been one of the most prolific and successful purveyors of such films From science fiction terrors of the 1950s like Godzilla to violent films like Suicide Circle and Ichi the Killer Japanese horror film has a diverse history While the quality of some of these films has varied others have been major hits in Japan and beyond frightening moviegoers around the globe Many of these films such as the Ringu movies have influenced other horror productions in both Asia and the United States The Encyclopedia of Japanese Horror Films covers virtually every horror film made in Japan from the past century to date In addition to major and modest productions this encyclopedia also features entries on notable directors producers and actors Each film entry includes comprehensive details situates the film in the context and history of Japanese horror cinema and provides brief suggestions for further reading Although emphasizing horror as a general theme this encyclopedia also encompasses other genres that are associated with this theme including Comedy Horror Science Fiction Horror Cyber punk Horror Ero Guru Erotic Grotesque and Anime Horror The Encyclopedia of Japanese Horror Films is a comprehensive reference volume that will appeal to both cinema scholars as well as to the many fans of this popular genre

The Absolute Sound, 2005 Stand up to be discontinued Don Van Vliet, 1993 The Fader, 2004-04 The Wire, 1999
