Risky Living:

Risky Living Jamie Buckingham, 1976-10-01 Why is happiness in life so elusive even for Christians who are walking in the Spirit Is happiness even possible Will I always scream at the children Do I have to live with this lustful spirit forever Why am I fat and miserable Will I ever reach the place where I won't lose my temper with my spouse Why does my stomach get all knotted up when I think about that hurtful event in the past If you have ever asked yourself one of these questions or countless others like them then you need to know this The Holy Spirit came not only to comfort the afflicted but to afflict the comfortable Unfortunately too many of us who call ourselves Spirit filled have grown comfortable finding it easier to wear a mask than to permit ourselves to live transparently and run the risk of being seen for who we really are That's what this book is all about Transparency Openness Risky living the kind that if practiced will allow the Holy Spirit to take off your mask peel back the layers and heal you from the inside out All who are self-sufficient should stop here This book won't apply to you But if you are not really happy if your inner person is lonely empty and confused if you know your mask is keeping you from experiencing authentic relationships with people and with God then read on Real happiness is possible Are you willing to take the risk Risky Living Ministries Inc www.rlmin.com **Risky Living** Jamie Buckingham, 1976 [The Leap of Your Life](#)

Tommy Baker, 2019-04-02 There's a bold decision in your life you've been waiting to make and every day passing by is a reminder of what hasn't happened Conveniently tucked in a box labeled someday the fear of the unknown has taken a grip on your life and put your dreams on hold Until now Whether your leap is quitting the soul-sucking job and starting your own business taking a bold chance on love or finally going all in on your dreams The Leap of Your Life is the ticket to get you there All while having the time of your life and ensuring you don't wake up years down the line with a sinking feeling of regret Author and high performance coach Tommy Baker has helped thousands of everyday people identify and take their leap step into courage and create a life they can't wait to wake up for After interviewing 250 of the world's most powerful entrepreneurs thought leaders experts spiritual teachers and athletes he discovered a common theme They all took a leap even if they were full of fear and it radically transformed their experience of life If you're ready to Re-define risk and stop playing small Step into the boldest version of yourself Give yourself permission to take a chance Live the Hero's Journey of your life story Eradicate regret and what could have been then look no further and order The Leap Of Your Life now
