

Rms Queen Mary Transatlantic Masterpiece

Laurence Urdang

Rms Queen Mary Transatlantic Masterpiece:

RMS Queen Mary Janette McCutcheon, 2008-11-15 The story of the Cunard liner from her design in the late 1920s to the construction and the problems caused by the Depression The artwork on board is detailed as is her history during the war years where it was said she and her sister RMS Queen Elizabeth helped shorten the war by a year while working as troop RMS Queen Mary David Ellery, 2025-04-22 Probably the most famous and certainly one of the best loved ships in the world the Cunard transatlantic liner RMS Queen Mary has now been preserved at Long Beach California as a floating hotel and tourist attraction for more than fifty years comfortably longer than her 31 year career as an ocean liner Laid down in 1930 Queen Mary's construction was severely delayed by the Great Depression Eventually completed in 1936 the ship was an instant success capturing the famous Blue Riband for the fastest crossing of the Atlantic later that year and regaining it in 1938 During the Second World War she served as a troop ship carrying a total of 810 730 troops and also setting the record for the most individuals carried in a single voyage 16 683 which stands to this day By the time she ceased passenger service in 1967 superseded by the airliner as the preferred mode for international travel Queen Mary had carried nearly three million people from royalty politicians and film stars to emigrants and cruise passengers After her sale to the city of Long Beach she underwent a major conversion for her new life as a visitor attraction a role she has continued ever since During this time however her story has been far from straightforward with controversies over management funding and even the structural integrity of the very ship itself She now remains the only 1930s superliner left in the world The original edition of RMS Queen Mary the World's Favourite Liner was published in 1994 This new and expanded edition has been completely revised and brought up to date to describe the ship's last twenty five years and it incorporates a wealth of new photography Lavishly produced and stunningly illustrated throughout with views of the ship under construction at sea in her heyday and at rest in Long Beach it will appeal to all ocean liner enthusiasts and those more general readers fascinated by the heyday of transatlantic travel RMS Queen Mary: A Majestic Journey Through History Pasquale De Marco, 2025-04-26 Journey back to the golden age of ocean travel aboard the RMS Queen Mary a legendary ocean liner that captured the hearts and imaginations of travelers worldwide From her glamorous maiden voyage in 1936 to her remarkable service during World War II and her transformation into a beloved tourist attraction the RMS Queen Mary's story is one of grandeur innovation and resilience In this comprehensive and captivating book you ll embark on a voyage through time exploring the RMS Queen Mary s rich history and enduring legacy Discover the stories behind her conception and construction marvel at her Art Deco interiors and luxurious amenities and learn about the fascinating personalities who graced her decks Delve into the ship s pivotal role in World War II as she crossed the treacherous waters of the Atlantic carrying troops and supplies to the front lines Experience the challenges and triumphs of her crew who risked their lives to ensure the safe passage of thousands of passengers and soldiers After the war the RMS Queen Mary resumed her transatlantic passenger service catering to a new

generation of travelers eager to experience the elegance and excitement of ocean voyages However with the advent of jet airliners the era of ocean liners began to fade In 1967 the RMS Queen Mary made her final voyage across the Atlantic marking the end of an era Despite her retirement from active service the RMS Queen Mary's story was far from over In 1968 she found a new home in Long Beach California where she was transformed into a floating hotel and tourist attraction Today she welcomes visitors from around the world who come to explore her meticulously preserved interiors learn about her remarkable history and experience the grandeur of a bygone era RMS Queen Mary A Majestic Journey Through History is a celebration of this iconic vessel a tribute to the ingenuity and craftsmanship of a bygone era Through captivating storytelling and stunning imagery this book brings to life the RMS Queen Mary's golden age her wartime service and her enduring legacy as a cherished maritime landmark If you like this book write a review on google books Eager Eagles 1941-Summer 1943 Martin W. Bowman, 2012-10-17 The story of America's first encounters with the Luftwaffe heavy Nazi air defences and the wartime strictures that Britain had already endured Military History Monthly Using narrative accounts and new insights this book catalogues the dramatic and first hand oral testimonies of the US Army Air Corps bomber crews of the newly created Eighth Air Force that became stationed in East Anglia in 1942 It begins with shock of the unannounced Japanese attack on Pearl Harbor and how it affected the young men who were destined to fly and fight in Europe American troops or GIs as they were known because of their own derisive term of General Issue began arriving in war weary Britain in the months immediately after Pearl Harbor Bomber and fighter groups made an especial impact The young Americans with their well cut uniforms new accents and money created a colourful heroic chapter in the lives of the British people that is still remembered today The Americans and the villagers and townsfolk of East Anglia shared a close attachment that only wartime can create England between 1942 45 was a battle front The civilians were all involved in the war effort as shipyard and factory workers Red Cross and Land Army farmers and firemen Above all they were stubborn determined fighters who had already endured more than three years of war Into these lives came the sights and sounds particularly the jargon of the Americans unprepared for the difficulties of flying in Britain's and Northern Europe's unpredictable and difficult weather These are their memories A personal look at the lives and operations of the young American aircrew posted in the UK Aviation News
