Convincing Ground Bruce Pascoe, 2007 Convincing Ground pulses with love of country In this powerful lyrical and passionate new work Bruce Pascoe asks us to fully acknowledge our past and the way those actions continue to influence our nation today both physically and intellectually The book resonates with ongoing debates about identity dispossession memory and community Pascoe draws on the past through a critical examination of major historical works and witness accounts and finds uncanny parallels between the techniques and language used there to today s national political stage He has written the book for all Australians as an antidote to the great Australian inability to deal respectfully with the nation s constructed Indigenous past For Pascoe the Australian character was not forged at Gallipoli Eureka and the back of Bourke but in the furnace of Murdering Flat Convincing Ground and Werribee He knows we can t reverse the past but believes we can bring in our soul from the fog of delusion Pascoe proposes a way forward beyond shady intellectual argument and immature nationalism with our strengths enhanced and our weaknesses acknowledged and addressed *Salt* Bruce Pascoe, 2019-08-06 A collection of stories and essays by the award winning author of Dark Emu showcasing his shimmering genius across a lifetime of work This volume of Bruce Pascoe s best and most celebrated stories and essays collected here for the first time traverses his long career and explores his enduring fascination with Australia s landscape culture and history

Featuring new fiction alongside Pascoe's most revered and thought provoking nonfiction including from his modern classic *Dark Emu* Salt distils the intellect passion and virtuosity of his work It's time all Australians know the range and depth of this most marvellous of our writers Salt demonstrates why Bruce Pascoe's voice is important to the country Kim Scott A paradigm shift a wonderful expanse of thinking and storytelling In prose that is funny in one moment and devastating the next Pascoe moves us from wry humour to the deep sadness that follows the wonder of discovering a history of richness and fullness deliberately obscured Marie Matteson Readings [Historical Companion to Postcolonial Literatures in English](#) Prem

story of an ordinary man who discovers he's not so ordinary Pascoe is one of our finest writers Ray Lawrence Jim Bloke's your typical Aussie sort of Being an orphan he's done it tough in the past but he knows how to take care of himself and he has an affinity with life's important things So when he takes a job as a sea urchin diver on a stretch of coastal paradise he's right at home with the morwong pearl perch and butterflyfish He's less at home with the people apart from the woman who works as his deckhand since the industry's crookeder than your average banker And because Bloke's already done a season in the big gym he makes a perfect fall guy when things go wrong That sends him running again by a roundabout way into the arms of his real family But Jim's not sure that's where he wants to be He wants love and that's hard he wants his identity and that's even harder Bloke is an achingly funny novel about coming to terms with who you are where you belong who you love Jim has a weakness for women that leads him into trouble and then to salvation *The Outsiders Within* Peta

Stephenson,2007 An engaging account of the ways in which over hundreds of years Indigenous and Asian people across northern and central Australia have traded intermarried and built hybrid communities It is also a disturbing expose of the persistent sometimes paranoid efforts of successive national governments to police marginalize and outlaw these encounters
