Agriculture Adalbert Graf von Keyserlingk, 1999 Genetic manipulation industrial agriculture and disregard for natural laws have all led to growing public concern over the safety of the food on our tables As a result there is a growing interest in organic methods of farming Biodynamic agriculture the method developed by Rudolf Steiner is an extension of the organic approach that uses special preparations that enrich the soil and enliven our food by working in harmony with cosmic and earthly forces Biodynamic agriculture was launched by Steiner at a conference on the Koberwitz estate in Germany Adalbert Count Keyserlingk the son of the hosts was present and this book reflects his lifelong absorption in biodynamic methods It presents a wide range of material including the count's personal experiences of Steiner at work his reflections on practical research and experimentation including photographic documentation and descriptions of biodynamic preparations More than anything else his words successfully convey the enthusiasm the exalted feelings and the power of initiative that arose from Rudolf Steiner's work in this field to develop a method of farming that provides nutritious safe food for the future The Meaning of Life and Other Lectures on Fundamental Issues Rudolf Steiner, 2013-05-16 What is the meaning of life This most fundamental of all questions has challenged human beings for millennia Rudolf Steiner addresses the eternal enigma with a refreshing directness giving profound and enlightening answers In the other lectures which make up this inspiring collection Steiner addresses themes related to illness and health reincarnation destiny luck and the trials of modern life The varied

subject matter is united by the fact that all the lectures address practical and fundamental issues connected to modern life. The richness and wisdom of their content provides ample stimulation for any individual earnestly seeking a deeper understanding of life. Originally published separately in various booklets, these seven lectures have now been brought together under one cover.
