Rudolph39s Second Christmas:

Christmas Wishes Tim Hollis,2010-07-16 A nostalgic look at Christmas in the mid twentieth century **Rudolph the Red-Nosed Reindeer** Ronald D. Lankford, Jr.,2016-10-04 Ronald D Lankford has written the definitive history of this iconic and much loved Christmas character Rudolph the Red Nosed Reindeer was the creation of Robert May a staff copywriter who wrote the original poem as a Montgomery Ward Christmas giveaway in 1939 More than 2 4 million copies were printed and given away that holiday season Thus the legend began Johnny Marks adapted the poem into what would become the Gene Autry hit Rudolph the Red Nosed Reindeer which instantly became and still remains one of the most popular Christmas songs of all time The legend of Rudolph soared even higher with the Rankin Bass stop motion television special in 1964 which has gone on to inspire a cottage industry of toys and decorative items In this festive and informed look at the most famous reindeer of all Lankford discusses all of Rudolph s iterations including comic books sequels advertising tie ins movies and much more Lankford has produced the first complete history of Rudolph that both celebrates and explains the undying popularity of Rudolph and his friends The result is both a glowing tribute and a rigorously researched biography that will appeal to fans and lovers of classic American holiday culture **The Christmas Encyclopedia, 4th ed.** William D. Education Index ,1953 **Flights of Fancy, Leaps of Faith** Cindy Dell Clark,1995 Through the mysteries and myths of Christmas and Easter families balance the values of receiving and giving of growth and sacrifice Each aspect of the Santa myth from his slide down a chimney to his big red suit plays a part in a child s imagination Through their offerings of milk and cookies and their letter writing children bring their relationship to Santa into developing attitudes toward giving and receiving gifts The Easter Bunny story with its ritual egg hunt and baskets of brightly colored candy is explored in terms of life and its possibility of growth In these examples Clark shows how children play an active role in constructing family rituals and cultural reality since their willingness to make the stories their own helps to renew the traditions **Children's Record Reviews** ,1957 How Christmas Became Christmas Nathaniel Parry,2022-11-10 In some respects the contrasts of Christmas are what make it the most delightful time of the year It is a time of generosity kindness and peace on earth with broad permission to indulge in food drink and gifts On the other hand Christmas has become a battleground for raging culture wars marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday s core character By tracing Christmas s origins as a pagan celebration of the winter solstice and its development in Europe s Christianization this history explains that the true reason for the season has as much to do with the earth s movement around the sun as with the birth of Christ Chapters chronicle how Christmas s magic and misrule link to the nativity and why the carnival side of the holiday appears so separated from traditional Christian beliefs House Beautiful ,1905 **Columbus City Directory** ,1915 **Beethoven: The Pastoral Symphony** David Wyn Jones,1995-11-23 A clear piece of musical criticism analysing the formal aspects of Beethoven s 6th symphony Reviewed as very readable **Focus On: 100 Most Popular American Rock Guitarists** Wikipedia contributors, **Billboard** ,2000-12-23 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **International Handbook of Human Rights** Jack Donnelley,Rhoda E.
