Brothers in Clay John A. Burrison, 2008 An illustrated study that tells the story of Georgia's folk pottery tradition the forces that shaped it and the families and artisans who continue to keep it alive provides a new preface that summarizes the past decade of southern folk pottery Reprint

Rufus and Rose (Annotated and Illustrated) Horatio Alger Jr., 2017-09-05 This Book is annotated it contains a detailed biography of the author An active Table of Contents has been added by the publisher for a better customer experience This book has been checked and corrected for spelling errors In presenting to the public the last volume of the Ragged Dick Series the author desires to return his thanks for the generous reception accorded both by the press and the public to these stories of street life Several of the characters are drawn from life and nearly all of the incidents are of actual occurrence Indeed the materials have been

found so abundant that invention has played but a subordinate part The principal object proposed in the preparation of these volumes has been to show that the large class of street boys numbering thousands in New York alone furnishes material out of which good citizens may be made if the right influences are brought to bear upon them In every case therefore the author has led his hero step by step from vagabondage to a position of respectability and in so doing has incurred the charge in some quarters of exaggeration
