

RUFUS CHOATE  
THE LAW AND CIVIC VIRTUE

JEAN V. MATTHEWS

# Rufus Choate The Law And Civic Virtue

**Robert Eli Rosen**

## **Rufus Choate The Law And Civic Virtue:**

**Rufus Choate, the Law and Civic Virtue** Jean V. Matthews, 1980      **The Religion of Civic Virtue** Jean Valerie Johnson Matthews, 1977      **The Political Writings of Rufus Choate** Rufus Choate, 2002 An orator of great renown a congressman senator and colleague of Daniel Webster Rufus Choate was a strong proponent of protective tariffs to assist domestic industry      *Law and Letters in American Culture* Robert A. Ferguson, 1984 The role of religion in early American literature has been endlessly studied the role of the law has been virtually ignored Robert A Ferguson's book seeks to correct this imbalance With the Revolution Ferguson demonstrates the lawyer replaced the clergyman as the dominant intellectual force in the new nation Lawyers wrote the first important plays novels and poems as gentlemen of letters they controlled many of the journals and literary societies and their education in the law led to a controlling aesthetic that shaped both the civic and the imaginative literature of the early republic An awareness of this aesthetic enables us to see works as diverse as Jefferson's Notes on the State of Virginia and Irving's burlesque History of New York as unified texts products of the legal mind of the time The Declaration of Independence the Constitution and the great political orations were written by lawyers and so too were the literary works of Trumbull Tyler Brackenridge Charles Brockden Brown William Cullen Bryant Richard Henry Dana Jr and a dozen other important writers To recover the original meaning and context of these writings is to gain new understanding of a whole era of American culture The nexus of law and letters persisted for more than a half century Ferguson explores a range of factors that contributed to its gradual dissolution the yielding of neoclassicism to romanticism the changing role of the writer the shift in the lawyer's stance from generalist to specialist and from ideological spokesman to tactician of compromise the onslaught of Jacksonian democracy and the problems of a country torn by sectional strife At the same time he demonstrates continuities with the American Renaissance And in Abraham Lincoln he sees a memorable late flowering of the earlier tradition      *The Persistence of Racism in America* Thomas Powell, 1993 one of the most thorough attempts to explain why racism is still with us in these closing years of the twentieth century THE NEW ENGLAND REVIEW OF BOOKS      **A. Lincoln** Ronald C. White, 2009-01-13 If you read one book about Lincoln make it A Lincoln USA Today NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post The Philadelphia Inquirer The Christian Science Monitor St Louis Post Dispatch NEW YORK TIMES BESTSELLER WINNER OF THE CHRISTOPHER AWARD Everyone wants to define the man who signed his name A Lincoln In his lifetime and ever since friend and foe have taken it upon themselves to characterize Lincoln according to their own label or libel In this magnificent book Ronald C White Jr offers a fresh and compelling definition of Lincoln as a man of integrity what today's commentators would call authenticity whose moral compass holds the key to understanding his life Through meticulous research of the newly completed Lincoln Legal Papers as well as of recently discovered letters and photographs White provides a portrait of Lincoln's personal political and moral evolution White shows us Lincoln as a man who would leave a trail of thoughts in his wake jotting ideas on

scraps of paper and filing them in his top hat or the bottom drawer of his desk a country lawyer who asked questions in order to figure out his own thinking on an issue as much as to argue the case a hands on commander in chief who as soldiers and sailors watched in amazement commandeered a boat and ordered an attack on Confederate shore batteries at the tip of the Virginia peninsula a man who struggled with the immorality of slavery and as president acted publicly and privately to outlaw it forever and finally a president involved in a religious odyssey who wrote for his own eyes only a profound meditation on the will of God in the Civil War that would become the basis of his finest address Most enlightening the Abraham Lincoln who comes into focus in this stellar narrative is a person of intellectual curiosity comfortable with ambiguity unafraid to think anew and act anew A transcendent sweeping passionately written biography that greatly expands our knowledge and understanding of its subject A Lincoln will engage a whole new generation of Americans It is poised to shed a profound light on our greatest president just as America commemorates the bicentennial of his birth **The "Colored Hero" of Harpers Ferry**

Steven Lubet, 2015-08-27 This is the first and only biography of one of John Brown's African American comrades John Anthony Copeland *Securing the Fruits of Labor* James L. Huston, 2015-05-11 In his comprehensive study of the economic ideology of the early republic James L. Huston argues that Americans developed economic attitudes during the Revolutionary period that remained virtually unchanged until the close of the nineteenth century Viewing Europe's aristocratic system early Americans believed that the survival of their new republic depended on a fair distribution of wealth brought about through political and economic equality The concepts of wealth distribution formulated in the Revolutionary period informed works on nineteenth century political economy and shaped the ideology of political parties Huston reveals how these ideas influenced debates over reform working class agitation political participation territorial expansion banking tariffs slavery public land disposition and corporate industrialism *Securing the Fruits of Labor* is a masterful study of American beliefs about wealth distribution over one and a half centuries **Lawyers in Corporate Decision-Making**

Robert Eli Rosen, 2010-11-18 The recognized social policy study of the disparate roles corporate lawyers play in representing and advising their institutional clients Long passed around and cited by scholars and lawyers as an unpublished manuscript the book explores the choices lawyers and executives make about how they are involved in corporate decisions It is accessible to a wide audience and includes inside interviews **Feminism and American Literary History** Nina Baym, 1992 For more than a decade Nina Baym has pioneered in the reexamination of American literature She has led the way in questioning assumptions about American literary history in critiquing the standard canon of works we read and teach and in rediscovering lost texts by American women writers *Feminism and American Literary History* collects fourteen of her most important essays published since 1980 which combining feminist perspectives with original archival research significantly revise standard American literary history In Part I *Rewriting Old American Literary History* the focus is on male writers Essays range from close readings of individual works to ambitious critiques of the main paradigms by which scholars have conventionally linked

disparate texts and authors in a narrative of nationalist literary history the self in the wilderness myth the romance novel distinction the myth of New England origins Part II Writing New American Literary History studies examples of women s writing from the Revolution through the Civil War Stressing much overtly public and political writing that has been overlooked even by feminist scholars noting public and political themes in supposedly domestic works the essays substantially modify and historicize the paradigm by which premodern American women s writing is currently understood The contentious and influential essays in Part III Two Feminist Polemics address feminist literary theory and pedagogy advocating a pluralist practice as the basis for scholarship criticism and humane feminism No one interested in American literature or in women s writing can afford to ignore Baym s revisionist work Humorous and gracefully written this book is enjoyable and indispensable

**A History of American Law: Third Edition** Lawrence M. Friedman, 2005-06-01 In this brilliant and immensely readable book Lawrence M Friedman tells the whole fascinating story of American law from its beginnings in the colonies to the present day By showing how close the life of the law is to the economic and political life of the country he makes a complex subject understandable and engrossing A History of American Law presents the achievements and failures of the American legal system in the context of America s commercial and working world family practices and attitudes toward property government crime and justice Now completely revised and updated this groundbreaking work incorporates new material regarding slavery criminal justice and twentieth century law For laymen and students alike this remains the only comprehensive authoritative history of American law Humanities, 1980

*Conservatism* Jerry Z. Muller, 2020-05-05 At a time when the label conservative is indiscriminately applied to fundamentalists populists libertarians fascists and the advocates of one or another orthodoxy this volume offers a nuanced and historically informed presentation of what is distinctive about conservative social and political thought It is an anthology with an argument locating the origins of modern conservatism within the Enlightenment and distinguishing between conservatism and orthodoxy Bringing together important specimens of European and American conservative social and political analysis from the mid eighteenth century through our own day Conservatism demonstrates that while the particular institutions that conservatives have sought to conserve have varied there are characteristic features of conservative argument that recur over time and across national borders The book proceeds chronologically through the following sections Enlightenment Conservatism David Hume Edmund Burke and Justus M ser The Critique of Revolution Burke Louis de Bonald Joseph de Maistre James Madison and Rufus Choate Authority Matthew Arnold James Fitzjames Stephen Inequality W H Mallock Joseph A Schumpeter The Critique of Good Intentions William Graham Sumner War T E Hulme Democracy Carl Schmitt Schumpeter The Limits of Rationalism Winston Churchill Michael Oakeshott Friedrich Hayek Edward Banfield The Critique of Social and Cultural Emancipation Irving Kristol Peter Berger and Richard John Neuhaus Hermann L bbe and Between Social Science and Cultural Criticism Arnold Gehlen Philip Rieff The book contains an afterword on recurrent

tensions and dilemmas of conservative thought      **Brill's Companion to the Reception of Ancient Rhetoric** ,2021-12-06  
This volume examining the reception of ancient rhetoric aims to demonstrate that the past is always part of the present in the ways in which decisions about crucial political social and economic matters have been made historically or in organic interaction with literature philosophy and culture at the core of the foundation principles of Western thought and values Analysis is meant to cover the broadest possible spectrum of considerations that focus on the totality of rhetorical species i e forensic deliberative and epideictic as they are applied to diversified topics including but not limited to language science religion literature theatre and other cultural processes e g athletics politics and leadership pedagogy and gender studies and cross cultural geographical and temporal contexts      *The Yale Biographical Dictionary of American Law* Roger K. Newman,2009-01-01 This book is the first to gather in a single volume concise biographies of the most eminent men and women in the history of American law Encompassing a wide range of individuals who have devised replenished expounded and explained law The Yale Biographical Dictionary of American Law presents succinct and lively entries devoted to more than 700 subjects selected for their significant and lasting influence on American law Casting a wide net editor Roger K Newman includes individuals from around the country from colonial times to the present encompassing the spectrum of ideologies from left wing to right and including a diversity of racial ethnic and religious groups Entries are devoted to the living and dead the famous and infamous many who upheld the law and some who broke it Supreme Court justices private practice lawyers presidents professors journalists philosophers novelists prosecutors and others the individuals in the volume are as diverse as the nation itself Entries written by close to 600 expert contributors outline basic biographical facts on their subjects offer well chosen anecdotes and incidents to reveal accomplishments and include brief bibliographies Readers will turn to this dictionary as an authoritative and useful resource but they will also discover a volume that delights and entertains Listed in The Yale Biographical Dictionary of American Law John Ashcroft Robert H Bork Bill Clinton Ruth Bader Ginsburg Patrick Henry J Edgar Hoover James Madison Thurgood Marshall Sandra Day O Connor Janet Reno Franklin D Roosevelt Julius and Ethel Rosenberg John T Scopes O J Simpson Alexis de Tocqueville Scott Turow And more than 700 others      **Cords of Affection** Emily Pears,2022-01-05 In Cords of Affection Constructing Constitutional Union in Early American History Emily Pears investigates efforts by the founding generation s leadership to construct and strengthen political attachments in and among the citizens of the new republic These emotional connections between citizens and their institutions were critical to the success of the new nation The founders recognized that attachments do not form automatically and require constant tending Emily Pears defines and develops a theory of political attachments based on an analysis of the approaches used in the founding era In particular she identifies three methods of political attachment a utilitarian method a cultural method and a participatory method Cords of Affection offers a comparative analysis of the theories and projects undertaken by a wide array of political leaders in the early republic and antebellum periods that

exemplify each of the three methods The work includes new historical analysis of the implementation of projects of nationalism and attachment ranging from data on federal funding for internal improvements to analysis of Whig orations In *Cords of Affection* Emily Pears offers lessons from history about the strengths weaknesses and pitfalls of various approaches to constructing national political attachments Twenty first century Americans attachments to their national government have waned While there are multiple narratives of this decline they all have the same core element a citizenry unwilling to uphold the norms and institutions of American democracy in the face of challenge When a demagogue or a populist movement or a foreign power threatens action that undermines American democracy citizens will not come to its defense Citizens cheer their own side regardless of the means it uses or they are simply apathetic to the role that institutions and institutional constraints play in keeping us all free and equal At worst Americans have come to regard their inherited constitutional foundations as unjust biased or ill equipped for the modern world and the notion of a shared political community as prejudicial and old fashioned They feel little sense of attachment to the American regime By contrast the lessons in *Cords of Affection* allow us to consider a broader array of possible tools for the maintenance of today s political attachments

**The Oxford Companion to American Law** Kermit L. Hall, David S. Clark, James W. Ely, Joel B. Grossman, N. E. H.

Hull, 2002-05-02 A landmark in legal publishing *The Oxford Companion to the Supreme Court* is a now classic text many of whose entries are regularly cited by scholars as the definitive statement on any particular subject In the tradition of that work editor in chief Kermit L Hall offers up *The Oxford Companion to American Law* a one volume A Z encyclopedia that covers topics ranging from aging and the law wiretapping and electronic eavesdropping the Salem Witch Trials and *Plessy vs Ferguson* The Companion takes as its starting point the insight that law is embedded in society and that to understand American law one must necessarily ask questions about the relationship between it and the social order now and in the past The volume assumes that American law in all its richness and complexity cannot be understood in isolation as simply the business of the Supreme Court or as a list of common law doctrines Hence the volume takes seriously issues involving laws role in structuring decisions about governance the significance of state and local law and legal institutions and the place of American law in a comparative international perspective Nearly 500 entries are included written by over 300 expert contributors Intended for the working lawyer or judge the high school student working on a term paper or the general adult reader interested in the topic the Companion is the authoritative reference work on the subject of American law

*Heart versus Head* Peter Karsten, 2000-11-09 Challenging traditional accounts of the development of American private law Peter Karsten offers an important new perspective on the making of the rules of common law and equity in nineteenth century courts The central story of that era he finds was a struggle between a jurisprudence of the head which adhered strongly to English precedent and a jurisprudence of the heart a humane concern for the rights of parties rendered weak by inequitable rules and a willingness to create exceptions or altogether new rules on their behalf Karsten first documents the tendency of

jurists particularly those in the Northeast to resist arguments to alter rules of property contract and tort law He then contrasts this tendency with a number of judicial innovations among them the sanctioning of deep pocket jury awards and the creation of the attractive nuisance rule designed to protect society's weaker members In tracing the emergence of a pro plaintiff humanitarian jurisprudence of the heart Karsten necessarily addresses the shortcomings of the reigning economic oriented paradigm regarding judicial rulemaking in nineteenth century America Originally published in 1997 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

**Nature and History in American Political Development** James W CEASER, Jack N Rakove, Nancy L Rosenblum, Rogers M Smith, James W Ceaser, 2009-06-30 In this inaugural volume of the Alexis de Tocqueville Lectures James Ceaser traces the way certain foundational ideas including nature history and religion have been understood and used over the course of American history Ceaser treats these ideas as elements of political discourse that provide the ground for other political ideas such as liberty or equality Three critical commentators challenge Ceaser's arguments and a spirited debate about large and enduring questions in American politics ensues

Legal Publishing in Antebellum America M. H. Hoeflich, 2010-04-26 Legal Publishing in Antebellum America presents a history of the law book publishing and distribution industry in the United States Part business history part legal history part history of information diffusion M H Hoeflich shows how various developments in printing and bookbinding the introduction of railroads and the expansion of mail service contributed to the growth of the industry from an essentially local industry to a national industry Furthermore the book ties the spread of a particular approach to law that is the scientific approach championed by Northeastern American jurists to the growth of law publishing and law book selling and shows that the two were critically intertwined

Immerse yourself in the artistry of words with is expressive creation, **Rufus Choate The Law And Civic Virtue** . ## **Rufus Choate The Law And Civic Virtue Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Rufus Choate The Law And Civic Virtue has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rufus Choate The Law And Civic Virtue has opened up a world of possibilities. Downloading Rufus Choate The Law And Civic Virtue provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rufus Choate The Law And Civic Virtue has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rufus Choate The Law And Civic Virtue. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rufus Choate The Law And Civic Virtue. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rufus Choate The Law And Civic Virtue, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rufus Choate The Law And Civic Virtue has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Rufus Choate The Law And Civic Virtue Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
