Odalys Waugh, Ph.D,2019-12-03 A road that is adorned with stories quotes the way we need to guide others the way we learn from others and apply and create our own philosophy of life that this way of narrating will help others find their position and interpretation of life Life Sentence Christie Blatchford,2016-09-20 A beloved crime reporter revisits some of her biggest assignments and passes judgement on our judicial system and especially its judges in this national bestseller When Christie Blatchford wandered into a Toronto courtroom in 1978 for the start of the first criminal trial she would cover as a newspaper reporter little did she know she was also at the start of a self imposed life sentence She has been reporting from Canadian courtrooms for the Toronto Star The Globe and Mail and the National Post ever since Back in 78 she loved the courts lawyers and judges and that persisted for many years But slowly surely she suffered a loss of faith What happened It was at the recent Mike Duffy trial she had the epiphany That judges are the new senators unelected unaccountable and overly entitled Yet unlike senators they continue to get away with it because any questioning by government or its agents is deemed an intrusion onto judicial independence In her explosive new book Christie Blatchford revisits trials from throughout her career and asks the hard questions about judges playing with the truth through editing of criminal records whitewashing of criminal records pre trial rulings that kick out evidence the jury can t hear She discusses bad or troubled judges how and why they get picked and what can be done about them And shows how judges are handmaidens to the state as in the Bernardo trial when a small town lawyer and an intellectual writer were pursued with more vigor than Karla Homolka For anyone interested in the political and judicial fabric of this country Life Sentence is a remarkable argumentative insightful and hugely important book *My confession.
