Rujub The Juggler:

Rujub, the Juggler George Alfred Henty, 1893 Excerpt am glad you have all decided so he said quietly In the state the country is the chances of getting to Allahabad are next to nothing Here we may hold out till Lawrence restores order at Lucknow and then he may be able to send a party to bring us in Or the mutineers may draw off and march to Delhi I certainly think the chances are best here besides every rifle we have is of importance and though if any of you had made up your minds to try and escape I should have made no objection I am glad that we shall all stand together here The arrangements were then briefly made for the removal to the courthouse All were to go back and apparently to retire to bed as usual At twelve o'clock the men armed were to call up their servants load them up with such things as were most required and proceed with them the women and children at once to the courthouse Half the men were to remain there on guard while the others would continue with the servants to make journeys backwards and forwards to the bungalows bringing in as much as could be carried the guard to be changed every hour In the morning the servants were all to have the choice given them of remaining with their masters or leaving Captain Forster was the only dissentient He was in favor of the whole party mounting placing the women and children in carriages and making off in a body fighting their way if necessary down to Allahabad He admitted that in addition to the hundred troopers of his own squadron they might be cut off by the mutinous cavalry from Cawnpore fall in with bodies of rebels or be attacked by villagers but he maintained that there was at least some chance of cutting their way through while once shut up in the courthouse escape would be well nigh impossible But you all along agreed to our holding the courthouse Forster the Major said Yes but then I reckoned upon Cawnpore holding out with the assistance of Nana Sahib and upon the country

Rujub, the Juggler : Complete with Original and Classics Illustrated G. A. Henty, 2020-02-07 Rujub the Juggler is mainly an historical tale for young and old dealing with the Sepoy Mutiny in India during the years 1857 to 1859 This famous mutiny occurred while the reins of British rule in India were in the hands of Lord Canning Chupattees cakes of flour and water were circulated among the natives placards protesting against British rule were posted at Delhi and when the Enfield rifle with its greased cartridges was introduced among the Sepoy soldiers serving the Queen it was rumored that the cartridges were smeared with the forbidden pig's fat so that the power of the Sepoys might forever be destroyed Fanatical to the last degree the Sepoys were not long in bringing the mutiny to a head The first outbreak occurred at Meerut where were stationed about two thousand English soldiers and three thousand native troops The native troops refused to use the cartridges supplied to them and eighty two were placed under arrest On the day following the native troops rebelled in a body broke open the guardhouse and released the prisoners and a severe battle followed and Meerut was given over to the flames The mutineers then marched upon Delhi thirty two miles away and took possession At Bithoor the Rajah had always professed a strong friendship for the English but he secretly plotted against them and later on General Wheeler was compelled to surrender to the Rajah at Cawnpore and did so with the understanding that the lives of all in the place should be spared Shortly after the surrender the English officers and soldiers were shot down and all of the women and children butchered The mutiny was now at its height and for a while it was feared that British rule in India must cease The Europeans at Lucknow were besieged for about three months and were on the point of giving up when

they were relieved through the heroic march of General Havelock Sir Colin Campbell followed and soon the city was once more in the complete possession of the British Oude was speedily reduced to submission many of the rebel leaders were either shot or hanged and gradually the mutiny which had cost the lives of thousands was brought to an end The tale however is not all of war In its pages are given many true to life pictures of life in India in the barracks of the soldiers and elsewhere A most important part is played by Rujub the juggler who is a warm friend to the hero of the narrative Rujub is no common conjuror but one of the higher men of mystery who perform partly as a religious duty and who accept no pay for such performances The acts of these persons are but little understood even at this late day and it is possible that many of their arts will sooner or later be utterly lost to the world at large That they can do some wonderful things in juggling mind reading and in second sight is testified to by thousands of people who have witnessed their performances in India how they do these things has never yet been explained Strange as it may seem the hero of the tale is a natural born coward who cannot stand the noise of gunfire He realizes his shortcomings and they are frequently brought home to him through the taunts of his fellow soldiers A doctor proves that the dread of noise is hereditary but this only adds to the young soldier's misery To make himself brave he rushes to the front in a most desperate fight and engages in scout work which means almost certain death In the end he masters his fear and gives a practical lesson of what stern and unbending will power can accomplish In many respects Rujub the Juggler will be found one of the strongest of Mr Henty's works and this is saying much when one considers all of the many stories this well known author has already penned for the entertainment of young and old As a picture of life in the English Army in India it is unexcelled
