

## The Rule of Law: Its Virtues and Limits

Robert Deinhammer\*

### Abstract

*In this paper, I shall address the important role of the rule of law as an ideal of political morality. I will be outlining the virtues and limits of the rule of law. My central thesis is that the rule of law is crucial for the moral legitimacy of a political system and for an open society, understood in the Popperian sense. Its limits, however, are similar to the limits of positive law in general. Ultimately, the virtues of the rule of law depend on the moral virtues of people and on the moral quality of positive law. In this respect, the benefits of the rule of law ultimately depend on natural moral law and its realization in human affairs.*

*Key words:* rule of law, principle of legality, political morality, democracy, natural law, philosophy of law

### Introduction

The *rule of law* is an important ideal of political morality. However, it is only one among many ideals, such as respect for autonomy and human rights, social justice and welfare, economic freedom or democracy. For the sake of conceptual clarity, it may be helpful not to confuse the rule of law with these other more substantial ideals. In brief, the rule of law requires that political power and government operate within the constraints of positive law, i.e. within the framework of a legal and constitutional system. Positive law is binding both for state authority and for the citizens who are to comply with it. It is my assumption that the current crisis of democracy in Europe has several causes. One aspect of this crisis may be identified with the rule of law crisis or its proper application, both in regard to the EU as well as its member states.

In this short paper, I shall outline the virtues and limits of the rule of law.<sup>1</sup> The central thesis is that the rule of law is crucial for the moral legitimacy of a political system and for an open society, understood in the Popperian sense. Its

\* Robert Deinhammer, Ph.D., LL.D., Lecturer, Department of Christian Philosophy, Faculty of Catholic Theology, University of Innsbruck. Address: Karl-Rahner-Platz 1, 6020 Innsbruck, Austria. E-mail: robert.deinhammer@sewitten.org

1 To be sure, only persons can have “virtues” in the strict sense. My phrasing alludes to 2011b.

**Yoav Dotan**

## **Rule Of Law And Its Limits:**

**The Limits of the Rule of Law in China** Karen G. Turner, James V. Feinerman, R. Kent Guy, 2000-02-01 In *The Limits of the Rule of Law in China* fourteen authors from different academic disciplines reflect on questions that have troubled Chinese and Western scholars of jurisprudence since classical times Using data from the early 19th century through the contemporary period they analyze how tension between formal laws and discretionary judgment is discussed and manifested in the Chinese context The contributions cover a wide range of topics from interpreting the rationale for and legacy of Qing practices of collective punishment confession at trial and bureaucratic supervision to assessing the political and cultural forces that continue to limit the authority of formal legal institutions in the People's Republic of China **Complicity and**

**its Limits in the Law of International Responsibility** Vladyslav Lanovoy, 2016-09-22 This book examines the responsibility of States and international organizations for complicity aid or assistance in an internationally wrongful act Despite the recognition of responsibility for complicity as a rule of customary international law by the International Court of Justice this book argues that the effectiveness and utility of this form of responsibility is fraught with systemic and operational limits These limits include a lack of clarity in its constituent elements its co-existence with primary rules prohibiting complicity and the obligations of due diligence its implementation and the underlying causal tests its uncertain relationship to other forms of shared and indirect responsibility and its potential as a form of attribution of conduct This book submits that the content and elements of this form of responsibility need adjustments to respond more effectively to the phenomenon of complicity in international affairs Awarded The Paul Guggenheim Prize in International Law 2017 [Facing](#)

[the Limits of the Law](#) Erik Claes, Wouter Devroe, Bert Keirsbilck, 2009-04-21 Many legal experts no longer share an unbounded trust in the potential of law to govern society efficiently and responsibly They often experience the limits of the law as they are confronted with striking inadequacies in their legal toolbox with inner inconsistencies of the law with problems of enforcement and obedience and with undesired side effects and so on The contributors to this book engage in the challenging task of making sense of this experience Against the background of broader cultural transformations such as globalisation new technologies individualism and cultural diversity they revisit a wide range of areas of the law and map different types of limits in relation to some basic functions and characteristics of the law Additionally they offer a set of strategies to manage justifiably law's limits such as dedramatising law's limits conceptual refinement constructivism striking the right balance between different functions of the law seeking for complementarity between law and other social practices

**John Gower and the Limits of the Law** Conrad van Dijk, 2013 An examination of the ways in which Gower's poetry engages with contemporary law and legal questions It has long been thought that John Gower was probably a lawyer before turning to poetry and this study reveals his active engagement with contemporary legal debates they include constitutional questions jurisdictional issues private vengeance jurisprudential concepts such as equity and the *rigor iuris* and aspects of

criminal law The author argues that the *Confessio Amantis* in particular demonstrates Gower's uncertainty about how to reconcile the ideal of a just law with alternative modes of justice such as self help royal discretion and divine will The book also examines the parallel development of the *exemplum* and *casus* in medieval literature *Exempla* frequently create a sense of narrative closure by means of some form of punishment or as Gower would put it vengeance How then do we set Gower's reputation as a sympathetic writer alongside his frequent desire for closure and punishment What are the limits of exemplarity and law These questions are answered by reading Gower in relation to the volatile politics of the Ricardian period and in comparison with the poetic concerns of contemporary writers such as Chaucer and Langland In so doing the book provides a searching introduction to the intersection between literature and law in the late fourteenth century Dr Conrad van Dijk is Assistant Professor of English at Concordia University College of Alberta Edmonton Canada

**Rule of Law, Human Rights and Judicial Control of Power** Rainer Arnold, José Ignacio Martínez-Estay, 2017-05-16 Judicial control of public power ensures a guarantee of the rule of law This book addresses the scope and limits of judicial control at the national level i.e. the control of public authorities and at the supranational level i.e. the control of States It explores the risk of judicial review leading to judicial activism that can threaten the principle of the separation of powers or the legitimate exercise of state powers It analyzes how national and supranational legal systems have embodied certain mechanisms such as the principles of reasonableness proportionality deference and margin of appreciation as well as the horizontal effects of human rights that help to determine how far a judge can go Taking a theoretical and comparative view the book first examines the conceptual bases of the various control systems and then studies the models structural elements and functions of the control instruments in selected countries and regions It uses country and regional reports as the basis for the comparison of the convergences and divergences of the implementation of control in certain countries of Europe Latin America and Africa The book's theoretical reflections and comparative investigations provide answers to important questions such as whether or not there are nascent universal principles concerning the control of public power how strong the impact of particular legal traditions is and to what extent international law concepts have had harmonizing and strengthening effects on internal public power control

**EU Executive Discretion and the Limits of Law** Joana Mendes, 2019-05-02 The increase in the European Union's executive powers in the areas of economic and financial governance has thrown into sharp relief the challenges of EU law in constituting framing and constraining the decision making processes and political choices that have hitherto supported European integration The constitutional implications of crisis induced transformations have been much debated but have largely overlooked the tension between law and discretion that the post 2010 reforms have brought to the fore This book focuses on this tension and explores the ways in which legal norms may or may not constrain and structure the discretion of the EU executive The developments in the EU's post crisis financial and economic governance act as a reference point from which to analyze the normative problems pertaining to the law's relationship to the exercise of

discretion Structured in three parts the book starts by analyzing the challenges to the maxim that the law both grounds and constrains EU executive and administrative discretion setting out the concepts problems and approaches to the relation between law and discretion both in general public law and in EU law It progresses to analyze how these problems and approaches have unfolded in EU s financial economic and monetary governance Finally it moves on from these specific developments to assess how existing legal principles and means of judicial review contribute to ensuring the rationality and legality of EU s discretionary powers **The Routledge Companion to Philosophy of Law** Andrei Marmor,2012-04-27

The Routledge Companion to the Philosophy of Law provides a comprehensive non technical philosophical treatment of the fundamental questions about the nature of law Its coverage includes law s relation to morality and the moral obligations to obey the law the main philosophical debates about particular legal areas such as criminal responsibility property contracts family law law and justice in the international domain legal paternalism and the rule of law The entirely new content has been written specifically for newcomers to the field making the volume particularly useful for undergraduate and graduate courses in philosophy of law and related areas All 39 chapters written by the world s leading researchers and edited by an internationally distinguished scholar bring a focused philosophical perspective to their subjects The Routledge Companion to the Philosophy of Law promises to be a valuable and much consulted student resource for many years **Reforming**

**Justice in Russia, 1864-1994: Power, Culture and the Limits of Legal Order** PeterH. Solomon,2017-07-05 Measuring Russian legal reform in relation to the rule of law ideal this study also examines the legal institutions culture and reform goals that have actually prevailed in Russia Judgements about future prospects are measured adding new dimensions to our understanding of the Soviet legacy The Limits of Law Austin Sarat, Lawrence Douglas, Martha Merrill Umphrey,2005 This collection brings together well established scholars to examine the limits of law a topic that has been of broad interest since the events of 9 11 and the responses of U S law and policy to those events The limiting conditions explored in this volume include marking law s relationship to acts of terror states of emergency gestures of surrender payments of reparations offers of amnesty and invocations of retroactivity These essays explore how law is challenged frayed and constituted out of contact with conditions that lie at the farthest reaches of its empirical and normative force The Limits of Bodily Integrity

Professor Ruth A Miller,2013-01-28 This volume argues that legislation on abortion adultery and rape has been central to the formation of the modern citizen The author draws on rights literature bio political scholarship and a gender studies perspective as a foundation for rethinking the sovereign relationship In approaching the politicization of reproductive space from this direction the study resituates the role of rights and rights granting within the sovereign relationship A second theme running throughout the book explores the international implications of these arguments and addresses the role of abortion adultery and rape legislation in constructing civilizational relationships In focusing on the Ottoman Empire Turkey France and Italy as case studies Miller presents a discussion of what Europe is and the role of sexuality and reproduction in

defining it      **Abraham Lincoln's Statesmanship and the Limits of Liberal Democracy** Jon D. Schaff, 2019-07-03 This bold groundbreaking study of American political development assesses the presidency of Abraham Lincoln through the lenses of governmental power economic policy expansion of executive power and natural rights to show how Lincoln not only believed in the limitations of presidential power but also dedicated his presidency to restraining the scope and range of it Though Lincoln's presidency is inextricably linked to the Civil War and he is best known for his defense of the Union and executive wartime leadership Lincoln believed that Congress should be at the helm of public policy making Likewise Lincoln may have embraced limited government in vague terms but he strongly supported effective rule of law and distribution of income and wealth Placing the Lincoln presidency within a deeper and more meaningful historical context Abraham Lincoln's Statesmanship and the Limits of Liberal Democracy highlights Lincoln's significance in the development of American power institutions and social movement politics Using Lincoln's prepresidential and presidential words and actions this book argues that decent government demands a balance of competing goods and the strong statesmanship that Lincoln exemplified Instead of relying too heavily on the will of the people and institutional solutions to help prevent tyranny Jon D Schaff proposes that American democracy would be better served by a moderate and prudential statesmanship such as Lincoln's which would help limit democratic excesses Schaff explains how Lincoln's views on prudence moderation natural rights and economics contain the notion of limits then views Lincoln's political and presidential leadership through the same lens He compares Lincoln's views on governmental powers with the defense of unlimited government by twentieth century progressives and shows how Lincoln's theory of labor anticipated twentieth century distributist economic thought Schaff's unique exploration falls squarely between historians who consider Lincoln a protoprogressive and those who say his presidency was a harbinger of industrialized corporatized America In analyzing Lincoln's approach Abraham Lincoln's Statesmanship and the Limits of Liberal Democracy rejects the idea he was a revolutionary statesman and instead lifts up Lincoln's own affinity for limited presidential power making the case for a modest approach to presidential power today based on this understanding of Lincoln's statesmanship As a counterpoint to the contemporary landscape of bitter uncivil politics Schaff points to Lincoln's statesmanship as a model for better ways of engaging in politics in a democracy      **The Limits of Legal Reasoning and the European Court of Justice** Gerard Conway, 2012-01-12 The European Court of Justice is widely acknowledged to have played a fundamental role in developing the constitutional law of the EU having been the first to establish such key doctrines as direct effect supremacy and parallelism in external relations Traditionally EU scholarship has praised the role of the ECJ with more critical perspectives being given little voice in mainstream EU studies From the standpoint of legal reasoning Gerard Conway offers the first sustained critical assessment of how the ECJ engages in its function and offers a new argument as to how it should engage in legal reasoning He also explains how different approaches to legal reasoning can fundamentally change the outcome of case law and how the constitutional values of the EU

justify a different approach to the dominant method of the ECJ      The Limits of International Law Jack L. Goldsmith, Eric A. Posner, 2005-02-03 International law is much debated and discussed but poorly understood Does international law matter or do states regularly violate it with impunity If international law is of no importance then why do states devote so much energy to negotiating treaties and providing legal defenses for their actions In turn if international law does matter why does it reflect the interests of powerful states why does it change so often and why are violations of international law usually not punished In this book Jack Goldsmith and Eric Posner argue that international law matters but that it is less powerful and less significant than public officials legal experts and the media believe International law they contend is simply a product of states pursuing their interests on the international stage It does not pull states towards compliance contrary to their interests and the possibilities for what it can achieve are limited It follows that many global problems are simply unsolvable The book has important implications for debates about the role of international law in the foreign policy of the United States and other nations The authors see international law as an instrument for advancing national policy but one that is precarious and delicate constantly changing in unpredictable ways based on non legal changes in international politics They believe that efforts to replace international politics with international law rest on unjustified optimism about international law s past accomplishments and present capacities      Essential Cases on the Limits of Liability Bénédicte Winiger, Bjarte

Askeland, Elena Bargelli, Martin Hogg, Ernst Karner, 2024-11-04 European legal systems have developed a broad range of instruments aimed at limiting liability These instruments are systematically examined within the present volume which builds on the experience gathered in the various jurisdictions over the past decades and thereby fills a major gap in tort law literature The publication contains a selection of the most important cases from 27 states across Europe as well as decisions by European Union courts it also highlights cases from earlier periods of legal history For each case the facts and the relevant court decision are presented and accompanied by an analytical commentary In addition comparative analyses of the reported cases are provided and a special report is dedicated to how key cases would be resolved under model European rules on tort law The editors believe that the material gathered here may provide guidance for an organic convergence of the national legal systems in Europe It constitutes the basis of an *acquis commun* that is infinitely richer though also much more complex than the rather bland and abstract concepts contained in national codifications European legislation and modern model rules      **The Limits of Criminal Law** Carl Constantin Lauterwein, 2016-03-03 This book compares the civil and

common law approach to analyze the question What sorts of conduct may the state legitimately make criminal Through a comparative focus on an Australian and German context this book utilizes interviews with Australian criminal law experts and contrasts them with the German model based on *Rechtsgutstheorie* By comparing the largely descriptive criminology based Australian approach with the more sophisticated German legal theory model the author finds the Australian approach to be suffering from a normative flaw illustrated by the distinction of different approaches to the offences of incest bestiality and

possession of illicit drugs Carl Constantin Lauterwein discovers that while there is strength in the common law approach of describing the possible reasons for criminalizing certain conduct the approach could be significantly improved by scrutinizing the legitimacy of those reasons

**Lord Sumption and the Limits of the Law** Richard Ekins, Paul Yowell, NW Barber, 2016-02-25 In *Lord Sumption and the Limits of the Law* leading public law scholars reflect on the nature and limits of the judicial role and its implications for human rights protection and democracy The starting point for this reflection is Lord Sumption's lecture *The Limits of the Law* which grounds a wide ranging discussion of questions including the scope and legitimacy of judicial law making the interpretation of the European Convention on Human Rights and the continuing significance and legitimacy or otherwise of the European Court of Human Rights Lord Sumption ends the volume with a substantial commentary on the responses to his lecture

*The Weekly Reporter*, 1864

**Constitutional Limits and the Public Sphere** Oren Ben-Dor, 2000-10-21 Ben Dor law U of Southampton developed this book concerning critical constitutionalism from his doctoral thesis at University College London In it he interprets unpublished and recently published texts by Jeremy Bentham 1748 1832 first reconstructing the most general argument about Bentham's legal and political thought as a founder of utilitarianism and then analyzing Bentham's work within the context of contemporary debates in legal and political philosophy He concludes that the technical and reductionist methodology associated with utilitarianism don't do justice to the theory which identifies the maximization of pleasure as the most fundamental self interest guiding people Distributed by ISBS c Book News Inc

*Exploiting the Limits of Law* Åsa Gunnarsson, Eva-Maria Svensson, 2016-04-22 Moving beyond the question of whether an area of scholarly investigation can truly be characterized as legal *Exploiting the Limits of Law* combats the often unhelpful constraints of law's subject matter and formal processes Through a process of reflection on the limits of law and repeated efforts to redraw them this book challenges the general sense of pessimism among feminists and others about the usefulness of law as an instrument of change The work combines theoretical analysis of the law's boundaries with investigation of the practical settings for changing legal and policy environments Both the empirical focus of this volume and its underlying theoretical concern with the limits of the law and its gender implications render it of interest to legal scholars throughout the world whether of EU law feminism social policy or philosophy

*Lawyering for the Rule of Law* Yoav Dotan, 2014 A study of the relationship between judicial activism and government lawyers

## **Rule Of Law And Its Limits** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has are more evident than ever. They have the ability to inspire, provoke, and ignite change. Such is the essence of the book **Rule Of Law And Its Limits**, a literary masterpiece that delves deep in to the significance of words and their impact on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book is key themes, examine its writing style, and analyze its overall effect on readers.

### **Rule Of Law And Its Limits Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rule Of Law And Its Limits PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rule Of Law And Its Limits PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rule Of Law And Its Limits free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Rule Of Law And Its Limits Books**

**What is a Rule Of Law And Its Limits PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rule Of Law And Its Limits PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rule Of Law And Its Limits PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rule Of Law And Its Limits PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rule Of Law And Its Limits PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and

editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
