and the Making of Medieval Monastic Culture Katherine Smith, Katherine Allen Smith, 2013-09-19 An extremely interesting and important book makes an important contribution to the history of medieval monastic spirituality in a formative period whilst also fitting into wider debates on the origins development and impact of ideas on crusading and holy war Dr William Purkis University of Birmingham Monastic culture has generally been seen as set apart from the medieval battlefield as those who prayed were set apart from those who fought However in this first study of the place of war within medieval monastic culture the author shows the limitations of this division Through a wide reading of Latin sermons letters and hagiography she identifies a monastic language of war that presented the monk as the archetypal soldier of Christ and his life of prayer as a continuous combat with the devil indeed monks claims to supremacy on the spiritual battlefield grew even louder as Church leaders extended the title of soldier of Christ to lay knights and crusaders So while medieval monasteries have traditionally been portrayed as peaceful sanctuaries in a violent world here the author demonstrates that monastic identity was negotiated through real and imaginary encounters with war and that the concept of spiritual warfare informed virtually every aspect of life in the cloister It thus breaks new ground in the history of European attitudes toward warfare and warriors in the age of the papal reform movement and the early crusades Katherine Allen Smith is Assistant Professor of History University of Puget Sound *The Spiritual Battle For Salvation* Dr. Daniel Wagner, 2016-05-29 Time is

seeming to go faster and faster Events worldwide are keeping us speechless A lot of things are not adding up any more The spiritual confusion amongst Christianity becomes more and more complex What is going on Are we living in the endtimes Is something about to happen The present church is spiritually asleep A strong spirit of deception is deceiving the church into a false Gospel and a false Christianity Christian leaders world wide abandon biblical faith and they embrace the New World Order and the New World Religion The devil disguised as big helper has replaced biblical truth with deceptive truth The majority of believers support and promote the foretold hellish nightmare of the one world government Unless church leaders wake up and stand up for biblical truth the majority of Christians will be damned to hell Will Jesus be able to find biblical pure faith on earth when he returns You might be instrumental in starting the last and greatest revival **Short Studies in**
