Rumors A Farce:

Rumors Neil Simon, 1990 At a large tastefully appointed Sneden s Landing townhouse the Deputy Mayor of New York has just shot himself Though only a flesh wound four couples are about to experience a severe attack of Farce Gathering for their tenth wedding anniversary the host lies bleeding in the other room and his wife is nowhere in sight His lawyer Ken and wife Chris must get the story straight before the other guests arrive As the confusions and mis communications mount the evening spins off into classic farcical hilarity *Rumours* Neil Simon, 1997 Ken and Chris have found their host Charley a prominent Government official in his bedroom too dazed to speak with a bullet wound in his ear lobe Len and Claire arrive themselves injured in a car crash and are soon joined by Ernest and Cookie Glenn and Cassie each with their own problems A second accidental gunshot leaves Ken temporarily deaf the police arrive and Len has to pretend he is Charley concocting a touching and fantastic explanation 5 women 4 men New York Magazine ,1988-11-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Assorted Poems (With Nuts)* Jerrel Dean Parent, 2008-12-24 The poems selected for this volume are politically incorrect spiritual whimsical clever and charming What else would one expect from the youngest of ten siblings who lived in holey roofed houses picked spinach and cotton and rode stick horses or from a man who jumped out of airplanes wanting to be a hero survived a car wreck which rearranged his face and body quit drinking at age fifty divorced and remarried learned to play the piano took up drawing and oil painting and delved into the works of Carl Jung resulting in an acute psychotic episode and an early retirement He is currently dealing with memory loss and autumn leaves Jerrel has written thousands of poems that reflect the disparity of his nature and interests In arranging this book for him an assortment of topics and moods fell naturally into place As it says in his poem The Writer Words tumbled from his pen like rocks in an avalanche The only obvious meaning is something came loose higher up

Political Rumors Adam J. Berinsky, 2025-11-18 Why debunked political rumors persist and how to combat them Political rumors and misinformation pollute the political landscape This is not a recent phenomenon before the currently rampant and unfounded rumors about a stolen election and vote rigging there were other rumors that continued to spread even after they were thoroughly debunked including doubts about 9 11 an inside job and the furor over President Obama s birthplace and birth certificate If misinformation crowds out the truth how can Americans communicate with one another about important issues In this book Adam Berinsky examines why political rumors exist and persist despite their unsubstantiated and refuted claims who is most likely to believe them and how to combat them Drawing on original survey and experimental data Berinsky shows that a tendency toward conspiratorial thinking and vehement partisan attachment fuel belief in rumors Yet

the reach of rumors is wide and Berinsky argues that in fighting misinformation it is as important to target the undecided and the uncertain as it is the true believers We re all vulnerable to misinformation and public skepticism about the veracity of political facts is damaging to democracy Moreover in a world where most people simply don t pay attention to politics political leaders are often guilty of disseminating false information and failing to correct it when it is proven wrong Berinsky suggests that we should focus on the messenger as much as the message of rumors Just as important as how misinformation is debunked is who does the debunking **The Affairs of Dame Rumor** David J. Jacobson,1948 *New York Magazine* ,1988-11-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Rumor Mills Veronique Campion-Vincent,2017-07-05 The goal of this volume is to explore the social and political dynamics of rumor and the related concept of urban or contemporary legend These forms of communication often appear in tandem with social problems including riots racial or political violence and social and economic upheavals The volume emphasizes the connection of rumor to a set of social concerns from government corruption and corporate scandal to racial religious and other prejudices Central to the dialogue are issues of truth belief history public policy and evidence Rumor has been recognized as one of the most important contributing factors to violence and discrimination Yet despite its significance in exacerbating social discord and mistrust little systematic scholarly attention has been paid to the political origins and consequences of rumor Rumor is defined as a proposition for belief that is not backed by secure standards of evidence Rumor can be traditional or not and can be expressed as a simple claim of fact In both instances groups of claim makers operating out of their own interests and with a set of resources attempt to depict reality and if possible impact the future The need for this book is underscored by changing patterns of technology What in the past was grounded in face to face interaction is now often found on the Internet which is a major source of rumor An appreciation of how new electronic forms of communication affect communal belief is essential for explicating rumor dynamics The volume is comprehensive Essays cover race and ethnicity migration and globalization corporate malfeasance and state and government corruption While editors and contributors well appreciate the dynamic nature of rumors and legends the high quality of the effort make it evident that the issues that are raised and reoccur will serve to channel and inspire research in this major field of communications research for years to come Playbill ,2007-12 **New York Theatre Critics' Reviews** ,1988 Theatre critics reviews brings you the complete reviews from these New York publications and stations whenever covered by the critic New York daily news Wall Street journal Time New York post Women s wear daily WABC TV CBS TV New York times Christian Science monitor Newsweek Sleeping with Custer and the 7th Cavalry Rodgers, Walter C,2005 *Lessons in Essence* Dana

Standridge,2022-08-16 Imbued with the tension of Taipei and the beauty of mountain seclusion Lessons in Essence uncovers timeless human truths in the crises faced by an honest and vulnerable man Teacher Li is a grumbling Taiwanese master of ancient Chinese arts who suffers constant nightmares about a military takeover of Taiwan by China His family is in New York seeking U S citizenship when Teacher Li has an almost accidental sexual encounter with a student Knowing everything his wife returns to Taipei Miserable but finding no solace in the city Teacher Li retreats to the mountains like the Zen hermits of old to write a book about aesthetics But the purity he seeks is elusive even in mountain exile he finds a rotting house for shelter and for company the contrary Dr Gao and his dropout student lover Their cynicism juxtaposes Teacher Li s innocence as New York is attacked on September 11 Taiwan s president is shot in an assassination attempt and the poles of the world seem to shift With keen insight into human nature subjects as diverse as erotic paintings Virginia Woolf s punctuation and the casual savagery of children Dana Standridge delivers a powerful story from a complex time in history **The Iowa**

Murray,Roger W. Brucker,2025-04-15 When small town farmer and cave dweller

Floyd Collins became trapped in a southern Kentucky cave in early 1925 the sensationalism and hysteria of the rescue

attempt generated America's first true media spectacle making Collins's story one of the most prominent of the century. The crowds that gathered outside Sand Cave turned the rescue site into a carnival. Collins's plight was front-page news throughout the country; hourly bulletins interrupted radio programs, and Congress recessed to hear the latest word. With a new foreword by Tina Landau, bookwriter and director of the musical *Floyd Collins*, as well as a new afterword by Roger W. Brucker, *Trapped* is a tense adventure and a brilliant historical re-creation of the past, a tale as enthralling today as it was when the event took place over one hundred years ago. *Letter from the Secretary of the Interior*, United States.
