C. S. Lewis on the Final Frontier Sanford Schwartz, 2009-07-02 Sanford Schwartz offers a penetrating new reading of Lewis s celebrated Space Trilogy Taken together Schwartz s readings call into question Lewis s self styled image as a dinosaur out of step with the main currents of modern thought Far from a simple struggle between an old fashioned Christian humanism and a newfangled heresy Lewis s Space Trilogy should be seen as the searching effort of a modern religious apologist to sustain and enrich the former through critical engagement with the latter

A Philosophical

Walking Tour with C. S. Lewis Stewart Goetz, 2015-01-01 Although it has been almost seventy years since Time declared C S Lewis one of the world s most influential spokespersons for Christianity and fifty years since Lewis s death his influence remains just as great if not greater today While much has been written on Lewis and his work virtually nothing has been written from a philosophical perspective on his views of happiness pleasure pain and the soul and body As a result no one so far has recognized that his views on these matters are deeply interesting and controversial and perhaps more jarring no one has yet adequately explained why Lewis never became a Roman Catholic Stewart Goetz s careful investigation of Lewis s philosophical thought reveals oft overlooked implications and demonstrates that it was at its root at odds with that of Thomas Aquinas and thereby the Roman Catholic Church

Kort, 2004 Clive Staples Lewis 1898 1963 was a distinguished scholar of medieval and Renaissance literature who taught at both Oxford University and Cambridge University After his conversion to Christianity Lewis began writing Christian apologetic works aimed at a popular audience It is for these works that Lewis is now best remembered especially in the U S where his books have sold in the millions and continue to be popular today Perhaps because of this popularity however Lewis s Christian writings are generally dismissed by theologians as oversimplified and conceptually flawed With this book Wesley A Kort hopes to rehabilitate Lewis and to demonstrate the value and continuing relevance of his work C. Oprean, 2019-05-31 Baptists in Romania have developed a practice of suspicion when it comes to religious dialogue especially with the Romanian Orthodox tradition due to a history that is characterized by oppression In this detailed study Dr Daniel Oprean paves the way for positive dialogue between the two traditions highlighting that much can be gained and learned by acknowledging similarities and differences in key aspects of theology Dr Oprean explores how existing theological resources can be used to enhance theological discourse between Baptist and Orthodox traditions in Romania through in depth analysis of the thought of British Baptist theologian Professor Paul Fiddes and Romanian Orthodox theologian Father Dumitru St niloae Oprean in particular looks at their understanding of trinitarian and human participation through perichoresis the Eucharist Christian spirituality and baptism and chrismation Presented as a conversation between the two traditions this study is a model for how theological and religious dialogue can facilitate reconciliation not just in the church but also in wider society **C.S. Seven ,2000 *The Good News of the Return of the King* Michael T. Jahosky, 2020 Although many people today reject Christianity for intellectual reasons greater numbers of people are rejecting Christianity because it does not engage their imagination Christians must not only demonstrate that the Christian worldview is true but that it is also good beautiful and relevant *The Good News of the Return of the King* The Gospel in Middle earth is a book that endeavors to show the truth goodness and beauty of Jesus Christ the gospel and the biblical metanarrative by engaging the imagination through J R R Tolkien s *The Lord of the Rings* as well as *The Hobbit* and *The Silmarillion* In this book I propose that J R R Tolkien s *The Lord of the Rings* is a story about what Jesus parables are about the good news about the return of the king As a work of imaginative fiction similar to Jesus parables *The Lord of the Rings* can bypass both intellectual and imaginative objections to

the gospel and pullk back the veil of familiarity that obscures the gospel for many
