*The Brothers Grimm* Ann Schmiesing,2024-10-29 The first English language biography in over fifty years to tell the full vibrant story of Jacob and Wilhelm Grimm known to history as the Brothers Grimm

Magisterial Kirkus Reviews More than two hundred years ago the German brothers Jacob Grimm 1785 1863 and Wilhelm Grimm 1786 1859 published a collection of fairy tales that remains famous the world over It has been translated into some 170 languages more than any other German book and the Brothers Grimm are among the top dozen most translated authors in the world In addition to collecting tales the Grimms were mythographers linguists librarians civil

servants and above all the closest of brothers but until now the full story of their lifelong endeavor to preserve and articulate a German cultural identity has not been well known Drawing on deep archival research and decades of scholarship Ann Schmiesing tells the affecting story of how the Grimms ambitious projects gave the brothers a sense of self preservation through the atrocities of the Napoleonic Wars and a series of personal losses They produced a vast corpus of work on mythology and medieval literature embarked on a monumental German dictionary project and broke scholarly ground with Jacob s linguistic discovery known as Grimm s Law Setting their story against a rich historical backdrop Schmiesing offers a fresh consideration of the profound and yet complicated legacy of the Brothers Grimm *British National Film & Video Catalogue* ,1989

**The Romance of the Fungus World** R. T. and F. W. Rolfe,2014-11-18 Mankind has always had a love hate relationship with fungi On the positive side edible mushrooms and truffles are gastronomic delights and certain fungi possess medicinal properties On the other hand many mushrooms are poisonous and fungi can inflict costly damage on crops and other property This captivating book explores both sides of the story examining aspects usually overlooked in texts and field guides The survey begins with fungi lore from mythology and legends focusing particularly on the plants association with devils witches and fairies A balanced portrait of fungi in the real world considers not only the ruin caused by the plants but also their uses in medicine and industry and as foods Ranging far and wide in its topics the narrative offers a light touch and plenty of enthusiasm making this book fun for everyone with even a casual interest in mushrooms In addition serious mushroom hunters will find this volume a practical reference and a fascinating resource for leisurely browsing **Tap, Click, Read** Lisa Guernsey,Michael H. Levine,2015-08-14 A guide to promoting literacy in the digital age With young children gaining access to a dizzying array of games videos and other digital media will they ever learn to read The answer is yes if they are surrounded by adults who know how to help and if they are introduced to media designed to promote literacy instead of undermining it Tap Click Read gives educators and parents the tools and information they need to help children grow into strong passionate readers who are skilled at using media and technology of all kinds print digital and everything in between In Tap Click Read authors Lisa Guernsey and Michael H Levine envision a future that is human centered first and tech assisted second They document how educators and parents can lead a new path to a place they call Readialand a literacy rich world that marries reading and digital media to bring knowledge skills and critical thinking to all of our children This approach is driven by the urgent need for low income children and parents to have access to the same 21st century literacy opportunities already at the fingertips of today s affluent families With stories from homes classrooms and cutting edge tech labs plus accessible translation of new research and compelling videos Guernsey and Levine help educators parents and America s leaders tackle the questions that arise as digital media plays a larger and larger role in children s lives starting in their very first years of life Tap Click Read includes an analysis of the exploding app marketplace and provides useful information on new review sites and valuable curation tools It shows what to avoid and what to demand in today s

apps and e books as well as what to seek in community preschools elementary schools and libraries Peppered with the latest research from fields as diverse as neuroscience and behavioral economics and richly documented examples of best practices from schools and early childhood programs around the country Tap Click Read will show you how to Promote the adult child interactions that help kids grow into strong readers Learn how to use digital media to build a foundation for reading and success Discover new tools that open up avenues for creativity critical thinking and knowledge building that today s children need The book s accompanying website keeps you updated on new research and provides vital resources to help parents schools and community organizations

*Fairy Tales in Popular Culture* Martin Hallett, Barbara Karasek, 2014-08-05 It wasn t so long ago that the fairy tale was comfortably settled as an established and respectable part of children s literature Since the fairy tale has always been a mirror of its times however we should not be surprised that in the latter part of the twentieth century it turned dark and ambiguous its categorical distinction between good and evil was increasingly at odds with the times Yet whatever changes the fairy tale may have undergone its cultural popularity has never been greater *Fairy Tales in Popular Culture* sets out to show how the tale has been adapted to meet the needs of the contemporary world how writers film makers artists and other communicators have found in its universality an ideal vehicle for speaking to the here and now and how social media have created a participatory culture that has re invented the fairy tale A selection of recent retellings show how the tale is being recalibrated for the contemporary world first through the word and then through the image In addition to the introductions that precede each section the anthology provides a selection of critical pieces that offer lively insight into various aspects of the fairy tale as popular culture

*The Persistent Earl* Gail Eastwood, 2012-12-11 An injured Earl may be just the thing to cure a widow s broken heart in this classic Signet Regency Romance from Gail Eastwood AVAILABLE DIGITALLY FOR THE FIRST TIME After the Earl of Devanham has been injured in the battle of Waterloo he is shuffled into the care of Lady Phoebe Brodfield a widow who withdrew from life into the company of her rambunctious nieces and nephews Since the events surrounding her late husband s death are still a mystery to her she is unwilling to pursue another love But when the Earl begins to heal Phoebe starts to see the warm heart just beneath his rakish exterior and it may be just enough to make the pain from her past melt away Don t miss Gail Eastwood s other classic Signet Regency Romances *A Perilous Journey* and *An Unlikely Hero* in digital format
