public to the dilemmas of his life as a barrister one of his clients indignantly declared Your Mr Rumpole could have gotten me out of this why the hell can't you Filled with laughter and a sense of the absurd Clinging to the Wreckage makes it clear why John Mortimer has been called Noel Coward P G Wodehouse and Evelyn Waugh rolled into one **In Other Words** John Mortimer, 2008-10-30 In Other Words a hilarious book of verse anecdotes and memories by John Mortimer From one of Britain's greatest ever raconteurs these are the stories with which John Mortimer entertained the nation for years of seedy criminals and the even seedier criminal justice system of boyhood and his remarkable father of passion and politics and most of all English eccentrics from Lord Byron to the present day Along the way we meet a motley crew of failed murderers remorseful drunkards unrepentant adulterers and cantankerous judges And interspersed among these humorous vignettes is a wonderful selection of English and some American poetry which beautifully complements the stories In Other Words is the record of an extraordinary life lived in law and literature and a story of England and Englishness If you like P G Wodehouse you will love this book Sir John Mortimer was a barrister playwright and novelist His fictional trilogy about the inexorable rise of an ambitious Tory MP in the Thatcher years Paradise Postponed Titmuss Regained and The Sound of Trumpets has recently been republished in Penguin Classics together with Clinging to the Wreckage and his play A Voyage round My Father His most famous creation was the barrister Horace Rumpole who featured in four novels and around eighty short stories His books in Penguin include The Anti social Behaviour of Horace Rumpole The Collected Stories of Rumpole The First Rumpole Omnibus Rumpole and the Angel of Death Rumpole and the Penge Bungalow Murders Rumpole and the Primrose Path Rumpole and the Reign of Terror Rumpole and the Younger Generation Rumpole at Christmas Rumpole Rests His Case The Second Rumpole Omnibus Forever Rumpole In Other Words Quite Honestly and Summer's Lease **Justice Denoted** Terry White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers Anatomy of a Murder as well as the romantic potboiler Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner John Mortimer's

Rumpole series along with a staple of fiction by major authors of the genre like John Lescroart Lisa Scottoline Margaret Maron Scott Turow and John Grisham There are also individual works by Shakespeare Goethe Kafka Camus and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative *le noir* of the common individual caught up in its maw The appendices include comments by lawyer novelist Michael A Kahn a historical introduction to the legal thriller craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires bibliography of critical sources and articles series characters and the legal terminology found in courtroom dramas and novels An essential reference tool for scholars researchers as well as the occasional reader of legal thrillers

**Index**,2004 **Race and Religion in the Postcolonial British Detective Story** Julie H. Kim,2005-07-15 In 1929 Ronald Knox a prominent member of the English Detection Club included in his tongue in cheek Ten Commandments for Detective Novelists the rule that No Chinaman must figure in the story In 1983 Ruth Rendell published *Speaker of Mandarin* reflecting not only a change in British detective fiction but also a dramatic change in the British cultural landscape Like much of the rest of British popular culture the detective novel became more and more ethnically diverse and populated by characters with increasingly varied religious backgrounds Ten essays examine the changing nature of British detective fiction focusing on the shifting view of otherness of such authors as Ruth Rendell Elizabeth George Peter Ackroyd Caroline Graham Christopher Brookmyer Denise Mina and John Mortimer Unlike their American counterparts British detective writers have been until recently overwhelmingly white and the essays here explore how these authors delve into ethnic diversity within a historically homogeneous culture Religion has also played an important role in the genre ranging from the moral certainty of the early part of the 20th century to the skepticism and hostility that is part of contemporary fiction How this transition was

made and how it reflects the changing nature of British culture are detailed here John Mortimer Graham Lord,2013-12-03 In Britain every generation produces a national treasure a lovable figure so English that he could not possibly be of any other nationality and Sir John Mortimer is just such a figure Mortimer has delighted millions all over the world with seven television series about the gloriously larger than life fictional barrister Horace Rumpole Rumpole of the Bailey as well as novels autobiographies stage plays film scripts short stories television and radio plays newspaper articles and even an opera and a ballet Laurence Olivier John Gielgud and Alec Guinness appeared in his plays and among his greatest theatrical triumphs is his stage and television play A Voyage Round My Father He won a British Book Awards trophy for Lifetime Achievement in 2005 Mortimer actually practiced as a barrister for thirty six years defending husbands wives pornographers and murderers in court and starring as the real life Devil s Advocate in several legendary obscenity and blasphemy cases in the 1970s quickly becoming a liberal hero Yet despite huge success fame and knighthood there lurks beneath that genial champagne socialist mask an unusually complex man who has been plagued by depression doubt insecurity and an irresistible urge to commit adultery Biographer Graham Lord whose discovery that Mortimer had a secret son by the British actress Wendy Craig forced Sir John to admit it publicly in 2004 has interviewed scores of Mortimer s family friends mistresses and enemies to write a frank and vital biography that reveals the startling reality behind the beloved public figure Breathless prose and many juicy revelations an absorbing read Kirkus Reviews Utter Justice Alfred H Knight,2008-07 This book is a compilation of legal and law related statements that have defined and characterized our legal system over the centuries But the reader will quickly recognize that it is not a textbook in disguise The quotations and the actions and ideas they present and represent were selected by purely personal criteria the author found them fascinating important or revealing They range from history changing statements Henry II s will no one rid me of this turbulent priest to purely mythological encounters Lincoln s cross examination of Savine about the phase the moon was in when a murder took place to royal chit chat a devastating remark a high born lady made to the fugitive King James II which can be viewed as the final word on English royal tyranny to an apology made in a casual encounter on an American street that symbolized the healing of a terrible cultural wound The hope is to convey not a rigid history but a random flavor of how the law has been shaped by calculated casual powerful and even silly words uttered for the ages or merely for the moment This disparate verbal collection tells us that our legal system is not like a carefully sculptured statue but like a human being is composed of all that it has known and done and said **Quite Honestly** John Mortimer,2007-02-27 From the creator of the Rumpole stories a novel of middle class do gooding gone awry Fans of John Mortimer and his popular Rumpole mysteries will love Quite Honestly a comedy filled with a delightful cast of characters and Mortimer s unique and entertaining take on a life of crime Life couldn t be better for Lucinda Purefoy college educated with a steady boyfriend and a job offer in advertising With all this good fortune isn t it appropriate for her to give something back to society Armed with only good intentions she joins
